CHAPTER 1:

Getting started as a member

SECTION 1 Introduction

Section 1.1	You are enrolled in HumanaChoice H5216-063 (PPO), which is a Medicare PPO
--------------------	--

You are covered by Medicare, and you have chosen to get your Medicare health care and your prescription drug coverage through our plan, HumanaChoice H5216-063 (PPO). We are required to cover all Part A and Part B services. However, cost sharing and provider access in this plan differ from Original Medicare.

There are different types of Medicare health plans. HumanaChoice H5216-063 (PPO) is a Medicare Advantage PPO Plan (PPO stands for Preferred Provider Organization). Like all Medicare health plans, this Medicare PPO is approved by Medicare and run by a private company.

Coverage under this Plan qualifies as Qualifying Health Coverage (QHC) and satisfies the Patient Protection and Affordable Care Act's (ACA) individual shared responsibility requirement. Please visit the Internal Revenue Service (IRS) website at: www.irs.gov/Affordable-Care-Act/Individuals-and-Families for more information.

Section 1.2	What is the <i>Evidence of Coverage</i> document about?
--------------------	--

This *Evidence of Coverage* document tells you how to get your medical care and prescription drugs. It explains your rights and responsibilities, what is covered, what you pay as a member of the plan, and how to file a complaint if you are not satisfied with a decision or treatment.

The words "coverage" and "covered services" refer to the medical care and services and the prescription drugs available to you as a member of HumanaChoice H5216-063 (PPO).

It's important for you to learn what the plan's rules are and what services are available to you. We encourage you to set aside some time to look through this *Evidence of Coverage* document.

If you are confused or concerned, or just have a question, please contact Customer Care.

Section 1.3	Legal information about the <i>Evidence of Coverage</i>
--------------------	--

This *Evidence of Coverage* is part of our contract with you about how HumanaChoice H5216-063 (PPO) covers your care. Other parts of this contract include your enrollment form, the *Prescription Drug Guide (Formulary)*, and any notices you receive from us about changes to your coverage or conditions that affect your coverage. These notices are sometimes called "riders" or "amendments."

The contract is in effect for months in which you are enrolled in HumanaChoice H5216-063 (PPO) between January 1, 2023 and December 31, 2023.

Each calendar year, Medicare allows us to make changes to the plans that we offer. This means we can change the costs and benefits of HumanaChoice H5216-063 (PPO) after December 31, 2023. We can also choose to stop offering the plan in your service area, after December 31, 2023.

Chapter 1 Getting started as a member

Medicare (the Centers for Medicare & Medicaid Services) must approve HumanaChoice H5216-063 (PPO) each year. You can continue each year to get Medicare coverage as a member of our plan as long as we choose to continue to offer the plan and Medicare renews its approval of the plan.

SECTION 2 What makes you eligible to be a plan member?

Section 2.1 Your eligibility requirements

You are eligible for membership in our plan as long as:

- You have both Medicare Part A and Medicare Part B
- -- and -- you live in our geographic service area (Section 2.2 below describes our service area). Incarcerated individuals are not considered living in the geographic service area even if they are physically located in it.
- -- and -- you are a United States citizen or are lawfully present in the United States

Section 2.2 Here is the plan service area for HumanaChoice H5216-063 (PPO)

HumanaChoice H5216-063 (PPO) is available only to individuals who live in our plan service area. To remain a member of our plan, you must continue to reside in the plan service area. The service area is described below.

Our service area includes the following county/counties in Minnesota and Wisconsin: Aitkin, Anoka, Becker, Beltrami, Benton, Big Stone, Blue Earth, Carlton, Carver, Cass, Clay, Clearwater, Crow Wing, Dakota, Fillmore, Grant, Hennepin, Houston, Hubbard, Isanti, Itasca, Kanabec, Kittson, Koochiching, Lac qui Parle, Lake, Lake of the Woods, Le Sueur, Lincoln, Lyon, Mahnomon, Marshall, Martin, McLeod, Meeker, Mille Lacs, Morrison, Nobles, Norman, Otter Tail, Pennington, Pine, Pipestone, Polk, Ramsey, Red Lake, Renville, Rice, Rock, Roseau, Scott, St. Louis, Steele, Todd, Wadena, Washington, Wilkin, Winona, Wright Counties, MN; Burnett, Polk, St. Croix Counties, WI.

If you plan to move out of the service area, you cannot remain a member of this plan. Please contact Customer Care to see if we have a plan in your new area. When you move, you will have a Special Enrollment Period that will allow you to switch to Original Medicare or enroll in a Medicare health or drug plan that is available in your new location.

It is also important that you call Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5.

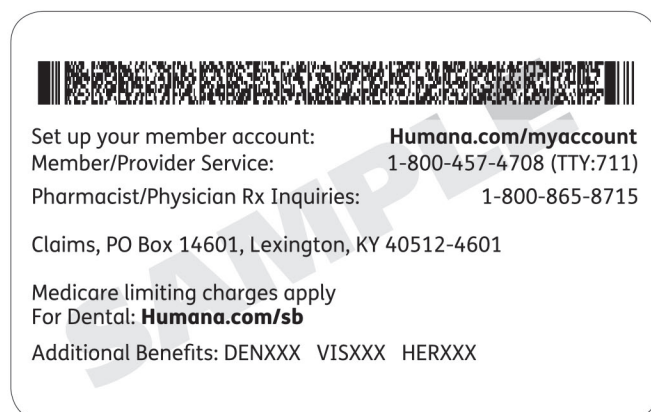

Section 2.3 U.S. Citizen or Lawful Presence

A member of a Medicare health plan must be a U.S. citizen or lawfully present in the United States. Medicare (the Centers for Medicare & Medicaid Services) will notify HumanaChoice H5216-063 (PPO) if you are not eligible to remain a member on this basis. HumanaChoice H5216-063 (PPO) must disenroll you if you do not meet this requirement.

SECTION 3 **Important membership materials you will receive**

Section 3.1 **Your plan membership card**

While you are a member of our plan, you must use your membership card whenever you get services covered by this plan and for prescription drugs you get at network pharmacies. You should also show the provider your Medicaid card, if applicable. Here's a sample membership card to show you what yours will look like:

Do NOT use your red, white, and blue Medicare card for covered medical services while you are a member of this plan. If you use your Medicare card instead of your HumanaChoice H5216-063 (PPO) membership card, you may have to pay the full cost of medical services yourself. Keep your Medicare card in a safe place. You may be asked to show it if you need hospital services, hospice services, or participate in Medicare approved clinical research studies also called clinical trials.

If your plan membership card is damaged, lost, or stolen, call Customer Care right away and we will send you a new card.

Section 3.2 **Provider Directory**

The *Provider Directory* lists our network providers, durable medical equipment suppliers, and pharmacies. **Network providers** are the doctors and other health care professionals, medical groups, durable medical equipment suppliers, hospitals, and other health care facilities that have an agreement with us to accept our payment and any plan cost-sharing as payment in full.

As a member of our plan, you can choose to receive care from out-of-network providers. Our plan will cover services from either in-network or out-of-network providers, as long as the services are covered benefits and medically necessary. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher. See Chapter 3 (*Using the plan's coverage for your medical services*) for more specific information.

The *Provider Directory* lists our network pharmacies. **Network pharmacies** are all of the pharmacies that have agreed to fill covered prescriptions for our plan members. See Chapter 5, Section 2.5 for information on when you can use pharmacies that are not in the plan's network. You can use the *Provider Directory* to find the network pharmacy you want to use.

Chapter 1 Getting started as a member

The *Provider Directory* will also tell you which of the pharmacies in our network have preferred cost sharing, which may be lower than the standard cost-sharing offered by other network pharmacies for some drugs.

If you don't have the *Provider Directory*, you can get a copy from Customer Care. You can also find this information on our website at **Humana.com/PlanDocuments**. Both Customer Care and the website can give you the most up-to-date information about changes in our network providers and pharmacies.

Section 3.3	The plan's <i>Prescription Drug Guide (Formulary)</i>
--------------------	--

The plan has a *Prescription Drug Guide (Formulary)*. We call it the "Drug Guide" for short. It tells which Part D prescription drugs are covered under the Part D benefit included in HumanaChoice H5216-063 (PPO). The drugs on this list are selected by the plan with the help of a team of doctors and pharmacists. The list must meet requirements set by Medicare. Medicare has approved the HumanaChoice H5216-063 (PPO) Drug Guide.

The Drug Guide also tells you if there are any rules that restrict coverage for your drugs.

We will provide you a copy of the Drug Guide. The Drug Guide we provide you includes information for the covered drugs that are most commonly used by our members. However, we cover additional drugs that are not included in the provided Drug Guide. If one of your drugs is not listed in the Drug Guide, you should visit our website or contact Customer Care to find out if we cover it. To get the most complete and current information about which drugs are covered, you can visit the plan's website (**Humana.com/PlanDocuments**) or call Customer Care.

SECTION 4 **Your monthly costs for HumanaChoice H5216-063 (PPO)**

Your costs may include the following:

- Plan Premium (Section 4.1)
- Monthly Medicare Part B Premium (Section 4.2)
- Optional Supplemental Benefit Premium (Section 4.3)
- Part D Late Enrollment Penalty (Section 4.4)
- Income Related Monthly Adjusted Amount (Section 4.5)

In some situations, your plan premium could be less

There are programs to help people with limited resources pay for their drugs. These include "Extra Help" and State Pharmaceutical Assistance Programs. Chapter 2, Section 7 tells more about these programs. If you qualify, enrolling in the program might lower your monthly plan premium.

If you are *already enrolled* and getting help from one of these programs, **the information about premiums in this Evidence of Coverage may not apply to you**. We sent you a separate insert called the "Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs" (also known as the "Low Income Subsidy Rider" or the "LIS Rider"), which tells you about your drug coverage. If you don't have this insert, please call Customer Care, and ask for the "LIS Rider".

Medicare Part B and Part D premiums differ for people with different incomes. If you have questions about these premiums review your copy of Medicare & You 2023 handbook, the section called "2023 Medicare Costs." If you need a copy, you can download it from the Medicare website (www.medicare.gov). Or you can order a printed copy by phone at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users call 1-877-486-2048.

Chapter 1 Getting started as a member

Section 4.1 Plan Premium

As a member of our plan, you pay a monthly plan premium. For 2023, the monthly premium for HumanaChoice H5216-063 (PPO) is **\$97**.

Section 4.2 Monthly Medicare Part B Premium**Many members are required to pay other Medicare premiums**

In addition to paying the monthly plan premium, **you must continue paying your Medicare premiums to remain a member of the plan**. This includes your premium for Part B. It may also include a premium for Part A which affects members who aren't eligible for premium free Part A.

Section 4.3 Optional Supplemental Benefit Premium

If you signed up for extra benefits, also called "optional supplemental benefits", then you pay an additional premium each month for these extra benefits. See Chapter 4, Section 2.2 for details.

MyOption DEN432: **\$55.50** additional monthly premium

Section 4.4 Part D Late Enrollment Penalty

Some members are required to pay a Part D **late enrollment penalty**. The Part D late enrollment penalty is an additional premium that must be paid for Part D coverage if at any time after your initial enrollment period is over, there is a period of 63 days or more in a row when you did not have Part D or other creditable prescription drug coverage. "Creditable prescription drug coverage" is coverage that meets Medicare's minimum standards since it is expected to pay, on average, at least as much as Medicare's standard prescription drug coverage. The cost of the late enrollment penalty depends on how long you went without Part D or other creditable prescription drug coverage. You will have to pay this penalty for as long as you have Part D coverage.

The Part D late enrollment penalty is added to your monthly premium. When you first enroll in HumanaChoice H5216-063 (PPO), we let you know the amount of the penalty. If you do not pay your Part D late enrollment penalty, you could lose your prescription drug benefits.

You **will not** have to pay it if:

- You receive "Extra Help" from Medicare to pay for your prescription drugs.
 - You have gone less than 63 days in a row without creditable coverage.
 - You have had creditable drug coverage through another source such as a former employer, union, TRICARE, or Department of Veterans Affairs. Your insurer or your human resources department will tell you each year if your drug coverage is creditable coverage. This information may be sent to you in a letter or included in a newsletter from the plan. Keep this information because you may need it if you join a Medicare drug plan later.
- **Note:** Any notice must state that you had "creditable" prescription drug coverage that is expected to pay as much as Medicare's standard prescription drug plan pays.

Chapter 1 Getting started as a member

- **Note:** The following are *not* creditable prescription drug coverage: prescription drug discount cards, free clinics, and drug discount websites.

Medicare determines the amount of the penalty. Here is how it works:

- If you went 63 days or more without Part D or other creditable prescription drug coverage after you were first eligible to enroll in Part D, the plan will count the number of full months that you did not have coverage. The penalty is 1% for every month that you did not have creditable coverage. For example, if you go 14 months without coverage, the penalty will be 14%.
- Then Medicare determines the amount of the average monthly premium for Medicare drug plans in the nation from the previous year. For 2023, this average premium amount was **\$32.74**.
- To calculate your monthly penalty, you multiply the penalty percentage and the average monthly premium and then round it to the nearest 10 cents. In the example here it would be 14% times **\$32.74**, which equals **\$4.58**. This rounds to **\$4.60**. This amount would be added to the monthly premium for someone with a **Part D late enrollment penalty**.

There are three important things to note about this monthly Part D late enrollment penalty:

- First, **the penalty may change each year**, because the average monthly premium can change each year.
- Second, **you will continue to pay a penalty** every month for as long as you are enrolled in a plan that has Medicare Part D drug benefits, even if you change plans.
- Third, if you are under 65 and currently receiving Medicare benefits, the Part D late enrollment penalty will reset when you turn 65. After age 65, your Part D late enrollment penalty will be based only on the months that you don't have coverage after your initial enrollment period for aging into Medicare.

If you disagree about your Part D late enrollment penalty, you or your representative can ask for a review.

Generally, you must request this review **within 60 days** from the date on the first letter you receive stating you have to pay a late enrollment penalty. However, if you were paying a penalty before joining our plan, you may not have another chance to request a review of that late enrollment penalty.

Important: Do not stop paying your Part D late enrollment penalty while you're waiting for a review of the decision about your late enrollment penalty. If you do, you could be disenrolled for failure to pay your premiums.

Section 4.5 Income Related Monthly Adjustment Amount

Some members may be required to pay an extra charge, known as the Part D Income Related Monthly Adjustment Amount, also known as IRMAA. The extra charge is figured out using your modified adjusted gross income as reported on your IRS tax return from 2 years ago. If this amount is above a certain amount, you'll pay the standard premium amount and the additional IRMAA. For more information on the extra amount you may have to pay based on your income, visit

<https://www.medicare.gov/drug-coverage-part-d/costs-for-medicare-drug-coverage/monthly-premium-for-drug-plans>.

If you have to pay an extra amount, Social Security, not your Medicare plan, will send you a letter telling you what that extra amount will be. The extra amount will be withheld from your Social Security, Railroad Retirement Board, or Office of Personnel Management benefit check, no matter how you usually pay your plan premium, unless your monthly benefit isn't enough to cover the extra amount owed. If your benefit check isn't enough to cover the extra amount, you will get a bill from Medicare. **You must pay the extra amount to the government. It cannot be**

Chapter 1 Getting started as a member

paid with your monthly plan premium. If you do not pay the extra amount, you will be disenrolled from the plan and lose prescription drug coverage.

If you disagree about paying an extra amount because of your income, you can ask Social Security to review the decision. To find out more about how to do this, contact Social Security at 1-800-772-1213 (TTY 1-800-325-0778).

SECTION 5 More information about your monthly premium

Section 5.1 There are several ways you can pay your plan premium
--

There are four ways you can pay your plan premium.

You were asked to choose one when you enrolled, but you can change your method of payment at any time. The four options described below are:

- Pay by check
- Set up automatic payments from your bank account or credit card
- Set up automatic payments from your Railroad Retirement Board check
- Set up automatic payments from your Social Security check

If you'd like to change your payment option, call Customer Care at 1-800-457-4708, TTY 711. If you're selecting any of the options for automatic payments, you can also go to **Humana.com/pay** and sign in with your username and password. (If it's the first time you're signing in, click on Register for MyHumana and follow the instructions on the screen.)

If you decide to change the way you pay your premium, it can take up to three months for your new payment method to take effect. While we are processing your request for a new payment method, you are responsible for making sure that your plan premium is paid on time.

Option 1: Paying by check

You can pay by check using the Humana coupon book that we'll give you. If you choose this option, your premium will always be due on the first day of the month.

Make sure you follow these steps so there are no delays in processing your payments:

- Make your check out to Humana. You can also use a money order if you don't have a checking account.
- Always include the coupon along with your payment and send it to the address on the coupon.
- Write your Humana account number on your check. You can find your account number on the top left corner of your coupon.
- If the payment is for multiple members or accounts, write all account numbers on your check, as well as the payment amount intended for each.
- If someone else makes a payment for you, be sure your name and Humana account number are written on the check.

Chapter 1 Getting started as a member

If you want to pay more than one month's premium, just send in all the coupons you want to pay at one time and make your check out for the total amount.

Remember—don't make out or send checks to the Centers for Medicare & Medicaid Services or to the US Department of Health and Human Services because that would cause a delay and your premium might be late.

If you need to replace your coupon book, call Customer Care at 1-800-457-4708, TTY 711.

Option 2: You can set up automatic payments from your checking or savings account, or through your credit card or debit card

You can have your monthly premium automatically withdrawn from your checking or savings account, or automatically charged to your credit card or debit card. You can contact Customer Care for more information on how to pay your plan premium this way or you can visit **Humana.com/pay** and sign into MyHumana to set up your automatic payments from your bank account or credit card.

If you choose this option, we'll withdraw the premium from your bank account, or charge it to your card, between the 2nd and 7th of each month.

Option 3: You can have the plan premium taken out of your monthly Railroad Retirement Board check

You can have the plan premium taken out of your monthly Railroad Retirement Board check. You can contact Customer Care for more information on how to pay your plan premium this way. We will be happy to help you set this up.

If you choose this option or Option 4 below, one to three benefit checks could elapse before the premium deduction occurs, and the initial deduction includes the total premium amount during this time. You are responsible for any premiums billed prior to the effective date of RRB or SSA deductions. You can also visit **Humana.com/pay** and sign in to MyHumana to set up your RRB or SSA payment option.

Option 4: Having your plan premium taken out of your monthly Social Security check

You can have the plan premium taken out of your monthly Social Security check. Contact Customer Care for more information on how to pay your plan premium this way. We will be happy to help you set this up.

Changing the way you pay your premium. If you decide to change the way you pay your premium, it can take up to three months for your new payment method to take effect. While we are processing your request for a new payment method, you are responsible for making sure that your plan premium is paid on time. To change your payment method, if applicable, please contact Customer Care. If you're selecting any of the options for automatic payments, you can also go to **Humana.com/pay** and sign in with your username and password. (If it's the first time you're signing in, click on Register for MyHumana and follow the instructions on the screen.)

What to do if you are having trouble paying your plan premium

Your plan premium is due in our office by the first day of the month. If we have not received your premium payment by the 15th of the month, we will send you a notice of your account balance and advise your account may continue with further collection activity. If you are required to pay a Part D late enrollment penalty, you must pay the penalty to keep your prescription drug coverage.

If you are having trouble paying your premium on time, please contact Customer Care to see if we can direct you to programs that will help with your plan premium.

Chapter 1 Getting started as a member

If we end your membership because you did not pay your plan premium, you will have health coverage under Original Medicare.

If we end your membership with the plan because you did not pay your premium, and you don't currently have prescription drug coverage then you may not be able to receive Part D coverage until the following year if you enroll in a new plan during the annual enrollment period. During the annual Medicare open enrollment period, you may either join a stand-alone prescription drug plan or a health plan that also provides drug coverage. (If you go without "creditable" drug coverage for more than 63 days, you may have to pay a Part D late enrollment penalty for as long as you have Part D coverage.)

At the time we end your membership, you may still owe us for premiums you have not paid. We have the right to pursue collection of the premiums you owe. In the future, if you want to enroll again in our plan (or another plan that we offer), you will need to pay the amount you owe before you can enroll.

If you think we have wrongfully ended your membership, you can make a complaint (also called a grievance); see Chapter 9 for how to file a complaint. If you had an emergency circumstance that was out of your control and it caused you to not be able to pay your plan premium within our grace period, you can ask us to reconsider this decision by calling 1-800-457-4708 between 8 a.m. and 8 p.m. TTY users should call 711. You must make your request no later than 60 days after the date your membership ends.

Section 5.2 Can we change your monthly plan premium during the year?

No. We are not allowed to change the amount we charge for the plan's monthly plan premium during the year. If the monthly plan premium changes for next year we will tell you in September and the change will take effect on January 1.

However, in some cases the part of the premium that you have to pay can change during the year. This happens if you become eligible for the "Extra Help" program or if you lose your eligibility for the "Extra Help" program during the year. If a member qualifies for "Extra Help" with their prescription drug costs, the "Extra Help" program will pay all or part of the member's monthly plan premium. A member who loses their eligibility during the year will need to start paying their full monthly premium. You can find out more about the "Extra Help" program in Chapter 2, Section 7.

SECTION 6 Keeping your plan membership record up to date

Your membership record has information from your enrollment form, including your address and telephone number. It shows your specific plan coverage.

The doctors, hospitals, pharmacists, and other providers in the plan's network need to have correct information about you. **These network providers use your membership record to know what services and drugs are covered and the cost-sharing amounts for you.** Because of this, it is very important that you help us keep your information up to date.

Let us know about these changes:

- Changes to your name, your address, or your phone number
- Changes in any other health insurance coverage you have (such as from your employer, your spouse's employer, workers' compensation, or Medicaid)

Chapter 1 Getting started as a member

- If you have any liability claims, such as claims from an automobile accident
- If you have been admitted to a nursing home
- If you receive care in an out-of-area or out-of-network hospital or emergency room
- If your designated responsible party (such as a caregiver) changes
- If you are participating in a clinical research study (**Note:** You are not required to tell your plan about the clinical research studies, you intend to participate in, but we encourage you to do so)

If any of this information changes, please let us know by calling Customer Care.

It is also important to contact Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5.

SECTION 7 How other insurance works with our plan

Other insurance

Medicare requires that we collect information from you about any other medical or drug insurance coverage that you have. That's because we must coordinate any other coverage you have with your benefits under our plan. This is called **Coordination of Benefits**.

Once each year, we will send you a letter that lists any other medical or drug insurance coverage that we know about. Please read over this information carefully. If it is correct, you don't need to do anything. If the information is incorrect, or if you have other coverage that is not listed, please call Customer Care. You may need to give your plan member ID number to your other insurers (once you have confirmed their identity) so your bills are paid correctly and on time.

When you have other insurance (like employer group health coverage), there are rules set by Medicare that decide whether our plan or your other insurance pays first. The insurance that pays first is called the "primary payer" and pays up to the limits of its coverage. The one that pays second, called the "secondary payer," only pays if there are costs left uncovered by the primary coverage. The secondary payer may not pay all of the uncovered costs. If you have other insurance, tell your doctor, hospital, and pharmacy.

These rules apply for employer or union group health plan coverage:

- If you have retiree coverage, Medicare pays first.
- If your group health plan coverage is based on your or a family member's current employment, who pays first depends on your age, the number of people employed by your employer, and whether you have Medicare based on age, disability, or End-Stage Renal Disease (ESRD):
 - If you're under 65 and disabled and you or your family member is still working, your group health plan pays first if the employer has 100 or more employees or at least one employer in a multiple employer plan that has more than 100 employees.
 - If you're over 65 and you or your spouse is still working, your group health plan pays first if the employer has 20 or more employees or at least one employer in a multiple employer plan that has more than 20 employees.

Chapter 1 Getting started as a member

- If you have Medicare because of ESRD, your group health plan will pay first for the first 30 months after you become eligible for Medicare.

These types of coverage usually pay first for services related to each type:

- No-fault insurance (including automobile insurance)
- Liability (including automobile insurance)
- Black lung benefits
- Workers' compensation

Medicaid and TRICARE never pay first for Medicare-covered services. They only pay after Medicare, employer group health plans, and/or Medigap have paid.

SECTION 2 Medicare

(how to get help and information directly from the Federal Medicare program)

Medicare is the Federal health insurance program for people 65 years of age or older, some people under age 65 with disabilities, and people with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a kidney transplant).

The Federal agency in charge of Medicare is the Centers for Medicare & Medicaid Services (sometimes called "CMS"). This agency contracts with Medicare Advantage organizations including us.

SECTION 3 State Health Insurance Assistance Program

(free help, information, and answers to your questions about Medicare)

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. Contact information for your State Health Insurance Assistance Program (SHIP) can be found in “Exhibit A” in the back of this document.

Chapter 2 Important phone numbers and resources

The State Health Insurance Assistance Program (SHIP) is an independent (not connected with any insurance company or health plan) state program that gets money from the Federal government to give free local health insurance counseling to people with Medicare.

State Health Insurance Assistance Program (SHIP) counselors can help you understand your Medicare rights, help you make complaints about your medical care or treatment, and help you straighten out problems with your Medicare bills. State Health Insurance Assistance Program (SHIP) counselors can also help you with Medicare questions or problems and help you understand your Medicare plan choices and answer questions about switching plans.

METHOD TO ACCESS SHIP and OTHER RESOURCES:

- Visit www.medicare.gov
- Click on **"Talk to Someone"** in the middle of the homepage
- You now have the following options
 - Option #1: You can have a **live chat with a 1-800-MEDICARE representative**
 - Option #2: You can select your **STATE** from the dropdown menu and click GO. This will take you to a page with phone numbers and resources specific to your state.

SECTION 4 Quality Improvement Organization

There is a designated Quality Improvement Organization for serving Medicare beneficiaries in each state. Contact information for your state Quality Improvement Organization (QIO) can be found in "Exhibit A" in the back of this document.

The Quality Improvement Organization (QIO) has a group of doctors and other health care professionals who are paid by Medicare to check on and help improve the quality of care for people with Medicare. The Quality Improvement Organization (QIO) is an independent organization. It is not connected with our plan.

You should contact your Quality Improvement Organization (QIO) in any of these situations:

- You have a complaint about the quality of care you have received.
- You think coverage for your hospital stay is ending too soon.
- You think coverage for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon.

SECTION 5 Social Security

Social Security is responsible for determining eligibility and handling enrollment for Medicare. U.S. citizens and lawful permanent residents who are 65 or older, or who have a disability or End-Stage Renal Disease and meet certain conditions, are eligible for Medicare. If you are already getting Social Security checks, enrollment into Medicare is automatic. If you are not getting Social Security checks, you have to enroll in Medicare. To apply for Medicare, you can call Social Security or visit your local Social Security office.

Social Security is also responsible for determining who has to pay an extra amount for their Part D drug coverage because they have a higher income. If you got a letter from Social Security telling you that you have to pay the

Chapter 2 Important phone numbers and resources

extra amount and have questions about the amount or if your income went down because of a life-changing event, you can call Social Security to ask for reconsideration.

If you move or change your mailing address, it is important that you contact Social Security to let them know.

Method	Social Security – Contact Information
CALL	1-800-772-1213 Calls to this number are free. Available 8:00 am to 7:00 pm, Monday through Friday. You can use Social Security's automated telephone services to get recorded information and conduct some business 24 hours a day.

SECTION 6 Medicaid

Medicaid is a joint Federal and state government program that helps with medical costs for certain people with limited incomes and resources. Some people with Medicare are also eligible for Medicaid.

The programs offered through Medicaid help people with Medicare pay their Medicare costs, such as their Medicare premiums. These “Medicare Savings Programs” include:

- **Qualified Medicare Beneficiary (QMB):** Helps pay Medicare Part A and Part B premiums, and other cost sharing (like deductibles, coinsurance, and copayments). (Some people with QMB are also eligible for full Medicaid benefits (QMB+).)
- **Specified Low-Income Medicare Beneficiary (SLMB):** Helps pay Part B premiums. (Some people with SLMB are also eligible for full Medicaid benefits (SLMB+).)
- **Qualifying Individual (QI):** Helps pay Part B premiums.
- **Qualified Disabled & Working Individuals (QDWI):** Helps pay Part A premiums.

To find out more about Medicaid and its programs, contact your state Medicaid office. Contact information for your state Medicaid Office can be found in "Exhibit A" in the back of this document.

SECTION 7 Information about programs to help people pay for their prescription drugs

The Medicare.gov website

(<https://www.medicare.gov/drug-coverage-part-d/costs-for-medicare-drug-coverage/costs-in-the-coverage-gap/5-ways-to-get-help-with-prescription-costs>) provides information on how to lower your prescription drug costs. For people with limited incomes, there are also other programs to assist, described below.

Medicare's "Extra Help" Program

Medicare provides "Extra Help" to pay prescription drug costs for people who have limited income and resources. Resources include your savings and stocks, but not your home or car. If you qualify, you get help paying for any Medicare drug plan's monthly premium, yearly deductible, and prescription copayments. This "Extra Help" also counts toward your out-of-pocket costs.

If you automatically qualify for "Extra Help" Medicare will mail you a letter. You will not have to apply. If you do not automatically qualify you may be able to get "Extra Help" to pay for your prescription drug premiums and costs. To see if you qualify for getting "Extra Help," call:

- 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day, 7 days a week;
- The Social Security Office at 1-800-772-1213, between 8 am to 7 pm, Monday through Friday. TTY users should call 1-800-325-0778 (applications); or
- Your State Medicaid Office (applications). (See Section 6 of this chapter for contact information.)

If you believe you have qualified for "Extra Help" and you believe that you are paying an incorrect cost-sharing amount when you get your prescription at a pharmacy, our plan has a process for you to either request assistance in obtaining evidence of your proper copayment level, or, if you already have the evidence, to provide this evidence to us.

- If you already have a document that proves you have qualified for "Extra Help," you can also show it the next time you go to a pharmacy to have a prescription filled. You can use any one of the following documents to provide evidence to us, or to show as proof at the pharmacy.

Proof that you already have "Extra Help" status

- A copy of your Medicaid card showing your name and the date you became eligible for "Extra Help." The date has to be in the month of July or later of last year.
- A letter from the Social Security Administration showing your "Extra Help" status. This letter could be called Important Information, Award Letter, Notice of Change, or Notice of Action.
- A letter from the Social Security Administration showing that you receive Supplemental Security Income. If that's the case, you also qualify for "Extra Help."

Proof that you have active Medicaid status

- A copy of any state document or any printout from the state system showing your active Medicaid status. The active date shown has to be in the month of July or later of last year.

Chapter 2 Important phone numbers and resources

Proof of a Medicaid payment for a stay at a medical facility

Your stay at the medical facility must be at least one full month long, and must be in the month of July or later of last year.

- A billing statement from the facility showing the Medicaid payment
- A copy of any state document or any printout from the state system showing the Medicaid payment for you

If you first show one of the documents listed above as proof at the pharmacy, please also send us a copy. Mail the document to:

Humana
P.O. Box 14168
Lexington, KY 40512-4168

- When we receive the evidence showing your copayment level, we will update our system so that you can pay the correct copayment when you get your next prescription at the pharmacy. If you overpay your copayment, we will reimburse you. Either we will forward a check to you in the amount of your overpayment, or we will offset future copayments. If the pharmacy hasn't collected a copayment from you and is carrying your copayment as a debt owed by you, we may make the payment directly to the pharmacy. If a state paid on your behalf, we may make the payment directly to the state. Please contact Customer Care if you have questions (phone numbers are printed on the back cover of this booklet).

What if you have coverage from a State Pharmaceutical Assistance Program (SPAP)?

Many states and the U.S. Virgin Islands offer help paying for prescriptions, drug plan premiums and/or other drug costs. If you are enrolled in a State Pharmaceutical Assistance Program (SPAP), or any other program that provides coverage for Part D drugs (other than "Extra Help"), you still get the 70% discount on covered brand name drugs. Also, the plan pays 5% of the costs of brand drugs in the coverage gap. The 70% discount and the 5% paid by the plan are both applied to the price of the drug before any SPAP or other coverage.

What if you have coverage from an AIDS Drug Assistance Program (ADAP)?**What is the AIDS Drug Assistance Program (ADAP)?**

The AIDS Drug Assistance Program (ADAP) helps ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Medicare Part D prescription drugs that are also on the ADAP formulary qualify for prescription cost-sharing assistance through the ADAP operating in your State.

Note: To be eligible for the ADAP operating in your State, individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. If you change plans, please notify your local ADAP enrollment worker so you can continue to receive assistance. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call the ADAP operating in your State. Contact information for your AIDS Drug Assistance Program (ADAP) can be found in "Exhibit A" in the back of this document.

State Pharmaceutical Assistance Programs

Many states have State Pharmaceutical Assistance Programs that help some people pay for prescription drugs based on financial need, age, medical condition, or disabilities. Each state has different rules to provide drug coverage to its members.

Contact information for your State Pharmaceutical Assistance Program (SPAP) can be found in "Exhibit A" in the back of this document.

HumanaChoice H5216-063 (PPO) offers additional gap coverage for Select Insulins as part of the **Insulin Savings Program**. During the Coverage Gap stage, your out-of-pocket costs for Select Insulins will be **\$35** for a one-month (up to a 30-day) supply. Please go to Chapter 6, Section 6 for more information about your coverage during the Coverage Gap stage. Note: This cost-sharing only applies to beneficiaries who do not qualify for a program that helps pay for your drugs ("Extra Help"). To find out which drugs are Select Insulins, review the most recent Drug Guide we provided electronically. You can identify Select Insulins by the **"ISP"** indicator in the Drug Guide. If you have questions about the Drug Guide, you can also call Customer Care (Phone numbers for Customer Care are printed on the back cover of this booklet).

Your plan also provides enhanced insulin coverage which means you will pay no more than \$35 for a one-month (up to 30-day) supply for all Part D insulins covered by our plan, including select insulins, no matter what cost-sharing tier it's on. The enhanced insulin coverage is available, even if you receive "Extra Help".

How to contact the Railroad Retirement Board

The Railroad Retirement Board is an independent Federal agency that administers comprehensive benefit programs for the nation’s railroad workers and their families. If you receive your Medicare through the Railroad Retirement Board, it is important that you let them know if you move or change your mailing address. If you have questions regarding your benefits from the Railroad Retirement Board, contact the agency.

Method	Railroad Retirement Board – Contact Information
CALL	1-877-772-5772 Calls to this number are free. If you press "0," you may speak with an RRB representative from 9:00 am to 3:30 pm, Monday, Tuesday, Thursday, and Friday, and from 9:00 am to 12:00 pm on Wednesday. If you press "1", you may access the automated RRB HelpLine and recorded information 24 hours a day, including weekends and holidays.

SECTION 9 Do you have "group insurance" or other health insurance from an employer?

If you (or your spouse) get benefits from your (or your spouse's) employer or retiree group as part of this plan, you may call the employer/union benefits administrator or Customer Care if you have any questions. You can ask about your (or your spouse's) employer or retiree health benefits, premiums, or the enrollment period. (Phone numbers for Customer Care are printed on the back cover of this document.) You may also call 1-800-MEDICARE (1-800-633-4227; TTY: 1-877-486-2048) with questions related to your Medicare coverage under this plan.

If you have other prescription drug coverage through your (or your spouse's) employer or retiree group, please contact **that group's benefits administrator**. The benefits administrator can help you determine how your current prescription drug coverage will work with our plan.

CHAPTER 3:

Using the plan for your medical services

SECTION 1 Things to know about getting your medical care as a member of our plan

This chapter explains what you need to know about using the plan to get your medical care covered. It gives definitions of terms and explains the rules you will need to follow to get the medical treatments, services, equipment, prescription drugs, and other medical care that are covered by the plan.

For the details on what medical care is covered by our plan and how much you pay when you get this care, use the benefits chart in the next chapter, Chapter 4 (*Medical Benefits Chart, what is covered and what you pay*).

Section 1.1 What are "network providers" and "covered services"?

- **"Providers"** are doctors and other health care professionals licensed by the state to provide medical services and care. The term "providers" also includes hospitals and other health care facilities.
- **"Network providers"** are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities that have an agreement with us to accept our payment and your cost-sharing amount as payment in full. We have arranged for these providers to deliver covered services to members in our plan. The providers in our network bill us directly for care they give you. When you see a network provider, you pay only your share of the cost for their services.
- **"Covered services"** include all the medical care, health care services, supplies, equipment, and Prescription Drugs that are covered by our plan. Your covered services for medical care are listed in the benefits chart in Chapter 4. Your covered services for prescription drugs are discussed in Chapter 5.

Section 1.2 Basic rules for getting your medical care covered by the plan

As a Medicare health plan, HumanaChoice H5216-063 (PPO) must cover all services covered by Original Medicare and must follow Original Medicare's coverage rules.

HumanaChoice H5216-063 (PPO) will generally cover your medical care as long as:

- **The care you receive is included in the plan's Medical Benefits Chart** (this chart is in Chapter 4 of this document).
- **The care you receive is considered medically necessary.** "Medically necessary" means that the services, supplies, equipment, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- **You receive your care from a provider who is eligible to provide services under Original Medicare.** As a member of our plan, you can receive your care from either a network provider or an out-of-network provider (for more about this, see Section 2 in this chapter).
 - The providers in our network are listed in the *Provider Directory*.
 - If you use an out-of-network provider, your share of the costs for your covered services may be higher.

- **Please note:** While you can get your care from an out-of-network provider, the provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who is not eligible to participate in Medicare. If you go to a provider who is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive. Check with your provider before receiving services to confirm that they are eligible to participate in Medicare.

SECTION 2

Using network and out-of-network providers to get your medical care

Section 2.1

You may choose a Primary Care Provider (PCP) to provide and oversee your medical care

What is a "PCP" and what does the PCP do for you?

When you become a member of our plan, we encourage you to select a network doctor to be your Primary Care Provider (PCP). Your PCP is a doctor trained to give you basic medical care. Your *Provider Directory* tells you which doctors can act as your PCP.

You can get your routine or basic care from your PCP. Your PCP can also help you get other services covered by your plan.

This includes:

- X-rays
- Laboratory tests
- Therapies
- Care from specialists
- Hospital admissions
- Follow-up care

Your PCP can check or consult with other network providers about your care and how it’s going.

Since your PCP can provide and coordinate your medical care, you should have all of your medical records sent to your PCP’s office. Chapter 8 tells you how we protect the privacy of your medical records and personal health information.

Referrals are not required from your PCP for covered medical services.

If it is after normal business hours and you have a need for routine care, please call your PCP back during normal business hours. If you have an emergency or have urgent need for care after normal business hours, see Sections 3.1 Emergency Care or 3.2 Urgently Needed Care in this chapter.

How do you choose your PCP?

When you enroll, you’ll receive a *Provider Directory* to help you select a PCP. The name of the PCP you choose will appear on your enrollment form. You can change your PCP any time.

Chapter 3 Using the plan for your medical services

Changing your PCP

You may change your PCP for any reason, at any time. Also, it's possible that your PCP might leave our plan's network of providers and you would have to find a new PCP in our plan. Change requests received by the last working day of the month usually will be effective the first day of the following month. To change your PCP, call Customer Care.

Section 2.2	How to get care from specialists and other network providers
--------------------	---

A specialist is a doctor who provides health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart conditions.
- Orthopedists care for patients with certain bone, joint, or muscle conditions.

What if a specialist or another network provider leaves our plan?

We may make changes to the hospitals, doctors, and specialists (providers) that are part of your plan during the year. If your doctor or specialist leave your plan you have certain rights and protections that are summarized below:

- Even though our network of providers may change during the year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.
- If you find out that your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider to manage your care.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file a quality of care complaint to the QIO, a quality of care grievance to the plan, or both. Please see Chapter 9.

Contact Customer Care at 1-800-457-4708, TTY 711 for assistance with selecting a new qualified provider to continue managing your health care needs.

Section 2.3 How to get care from out-of-network providers

As a member of our plan, you can choose to receive care from out-of-network providers. However, please note providers that do not contract with us are under no obligation to treat you, except in emergency situations. Our plan will cover services from either network or out-of-network providers, as long as the services are covered benefits and are medically necessary. However, **if you use an out-of-network provider, your share of the costs for your covered services may be higher.** Here are other important things to know about using out-of-network providers:

- You can get your care from an out-of-network provider; however, in most cases that provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who is not eligible to participate in Medicare. If you receive care from a provider who is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive. Check with your provider before receiving services to confirm that they are eligible to participate in Medicare.
- You don't need to get a referral or prior authorization when you get care from out-of-network providers. However, before getting services from out-of-network providers you may want to ask for a pre-visit coverage decision to confirm that the services you are getting are covered and are medically necessary. (See Chapter 9, Section 4 for information about asking for coverage decisions.) This is important because:
 - Without a pre-visit coverage decision, if we later determine that the services are not covered or were not medically necessary, we may deny coverage and you will be responsible for the entire cost. If we say we will not cover your services, you have the right to appeal our decision not to cover your care. See Chapter 9 (*What to do if you have a problem or complaint*) to learn how to make an appeal.
- It is best to ask an out-of-network provider to bill the plan first. But, if you have already paid for the covered services, we will reimburse you for our share of the cost for covered services. Or if an out-of-network provider sends you a bill that you think we should pay, you can send it to us for payment. See Chapter 7 (*Asking us to pay our share of a bill you have received for covered medical services or drugs*) for information about what to do if you receive a bill or if you need to ask for reimbursement.
- If you are using an out-of-network provider for emergency care, urgently needed services, or out-of-area dialysis, you may not have to pay a higher cost-sharing amount. See Section 3 for more information about these situations.

SECTION 3 How to get services when you have an emergency or urgent need for care or during a disaster

Section 3.1 Getting care if you have a medical emergency

What is a "medical emergency" and what should you do if you have one?

A "**medical emergency**" is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent your loss of life (and, if you are a pregnant woman, loss of an unborn child), loss of a limb or function of a limb or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP. You do not need to use a network doctor. You may get covered emergency medical care whenever you need it, anywhere in the United States or its territories, and from any provider with an appropriate state license even if they are not part of our network.
- **As soon as possible, make sure that our plan has been told about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Call Customer Care using the phone number printed on the back cover of this booklet.

What is covered if you have a medical emergency?

Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency.

The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your doctors will continue to treat you until your doctors contact us and make plans for additional care. Your follow-up care will be covered by our plan.

If you get your follow-up care from out-of-network providers, you will pay the higher out-of-network cost sharing.

What if it wasn't a medical emergency?

Sometimes it can be hard to know if you have a medical emergency. For example, you might go in for emergency care – thinking that your health is in serious danger – and the doctor may say that it wasn't a medical emergency after all. If it turns out that it was not an emergency, as long as you reasonably thought your health was in serious danger, we will cover your care.

However, after the doctor has said that it was *not* an emergency, the amount of cost sharing that you pay will depend on whether you get the care from network providers or out-of-network providers. If you get the care from network providers, your share of the costs will usually be lower than if you get the care from out-of-network providers.

Section 3.2	Getting care when you have an urgent need for services
--------------------	---

What are "urgently needed services"?

An urgently needed service is a non-emergency situation requiring immediate medical care but given your circumstances, it is not possible or not reasonable to obtain these services from a network provider. The plan must cover urgently needed services provided out of network. Some examples of urgently needed services are i) a severe sore throat that occurs over the weekend or ii) an unforeseen flare-up of a known condition when you are temporarily outside the service area.

Our plan covers worldwide emergency and urgent care services outside of the United States under the following circumstances. If you have an emergency or an urgent need for care outside of the U.S. and its territories, you will be responsible to pay for those services upfront and request appropriate reimbursement from us. We will reimburse you, for covered out-of-network emergency and urgent care services outside of the U.S. and its

Chapter 3 Using the plan for your medical services

territories, at rates no greater than the rates at which Original Medicare would pay for such services had the services been performed in the United States in the locality where you reside. The amount we pay you, if any, will be reduced by any applicable cost-sharing. Because we will reimburse at rates no greater than the rates at which Original Medicare would reimburse, and because foreign providers might charge more for services than the rates at which Original Medicare would pay, the total of our reimbursement plus the applicable cost-sharing may be less than the amounts you pay the foreign provider. This is a supplemental benefit not generally covered by Medicare. You must submit proof of payment to Humana for reimbursement. See Chapter 4 (*Medical Benefits Chart, what is covered and what you pay*) for more information. If you have already paid for the covered services, we will reimburse you for our share of the cost for covered services. You can send the bill with medical records to us for payment consideration. See Chapter 7 (*Asking us to pay our share of a bill you have received for covered medical services or drugs*) for information about what to do if you receive a bill or if you need to ask for reimbursement.

Section 3.3 Getting care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you are still entitled to care from your plan.

Please visit the following website: **Humana.com/alert** for information on how to obtain needed care during a disaster.

If you cannot use a network provider during a disaster, your plan will allow you to obtain care from out-of-network providers at in-network cost-sharing. If you cannot use a network pharmacy during a disaster, you may be able to fill your prescription drugs at an out-of-network pharmacy. Please see Chapter 5, Section 2.5 for more information.

SECTION 4 What if you are billed directly for the full cost of your services?**Section 4.1 You can ask us to pay our share of the cost of covered services**

If you have paid more than your plan cost-sharing for covered services, or if you have received a bill for the full cost of covered medical services, go to Chapter 7 (*Asking us to pay our share of a bill you have received for covered medical services or drugs*) for information about what to do.

Section 4.2 If services are not covered by our plan, you must pay the full cost

HumanaChoice H5216-063 (PPO) covers all medically necessary services as listed in the Medical Benefits Chart in Chapter 4 of this document. If you receive services not covered by our plan, you are responsible for paying the full cost of services.

For covered services that have a benefit limitation, you also pay the full cost of any services you get after you have used up your benefit for that type of covered service. Paying for costs once a benefit limit has been reached will **not** count toward your out-of-pocket maximum. You can call Customer Care when you want to know how much of your benefit limit you have already used.

SECTION 5 How are your medical services covered when you are in a "clinical research study"?

Section 5.1 What is a "clinical research study"?
--

A clinical research study (also called a "clinical trial") is a way that doctors and scientists test new types of medical care, like how well a new cancer drug works. Certain clinical research studies are approved by Medicare. Clinical research studies approved by Medicare typically request volunteers to participate in the study.

Once Medicare approves the study, and you express interest, someone who works on the study will contact you to explain more about the study and see if you meet the requirements set by the scientists who are running the study. You can participate in the study as long as you meet the requirements for the study *and* you have a full understanding and acceptance of what is involved if you participate in the study.

If you participate in a Medicare-approved study, Original Medicare pays most of the costs for the covered services you receive as part of the study. If you tell us that you are in a qualified clinical trial, then you are only responsible for the in-network cost sharing for the services in that trial. If you paid more, for example, if you already paid the Original Medicare cost-sharing amount, we will reimburse the difference between what you paid and the in-network cost sharing. However, you will need to provide documentation to show us how much you paid. When you are in a clinical research study, you may stay enrolled in our plan and continue to get the rest of your care (the care that is not related to the study) through our plan.

If you want to participate in any Medicare-approved clinical research study, you do *not* need to tell us or to get approval from us or your PCP. The providers that deliver your care as part of the clinical research study do *not* need to be part of our plan's network of providers.

Although you do not need to get our plan's permission to be in a clinical research study, we encourage you to notify us in advance when you choose to participate in Medicare-qualified clinical trials.

If you participate in a study that Medicare or our plan has *not* approved, *you will be responsible for paying all costs for your participation in the study.*

Section 5.2 When you participate in a clinical research study, who pays for what?

Once you join a Medicare-approved clinical research study, Original Medicare covers the routine items and services you receive as part of the study, including:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure if it is part of the research study.
- Treatment of side effects and complications of the new care.

After Medicare has paid its share of the cost for these services, our plan will pay the difference between the cost sharing in Original Medicare and your in-network cost sharing as a member of our plan. This means you will pay the same amount for the services you receive as part of the study as you would if you received these services from our plan. However, you are required to submit documentation showing how much cost sharing you paid. Please see Chapter 7 for more information for submitting requests for payments.

Chapter 3 Using the plan for your medical services

Here's an example of how the cost-sharing works: Let's say that you have a lab test that costs \$100 as part of the research study. Let's also say that your share of the costs for this test is \$20 under Original Medicare, but the test would be \$10 under our plan's benefits. In this case, Original Medicare would pay \$80 for the test and you would pay the \$20 copay required under Original Medicare. You would then notify your plan that you received a qualified clinical trial service and submit documentation, such as a provider bill to the plan. The plan would then directly pay you \$10. Therefore, your net payment is \$10, the same amount you would pay under our plan's benefits. Please note that in order to receive payment from your plan, you must submit documentation to your plan, such as a provider bill.

When you are part of a clinical research study, **neither Medicare nor our plan will pay for any of the following:**

- Generally, Medicare will *not* pay for the new item or service that the study is testing unless Medicare would cover the item or service even if you were *not* in a study.
- Items or services provided only to collect data, and not used in your direct health care. For example, Medicare would not pay for monthly CT scans done as part of the study if your medical condition would normally require only one CT scan.

Do you want to know more?

You can get more information about joining a clinical research study by visiting the Medicare website to read or download the publication "Medicare and Clinical Research Studies." (The publication is available at: www.medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf.) You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

SECTION 6 Rules for getting care covered in a "religious non-medical health care institution"

Section 6.1 What is a religious non-medical health care institution?

A religious non-medical health care institution is a facility that provides care for a condition that would ordinarily be treated in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against a member's religious beliefs, we will instead provide coverage for care in a religious non-medical health care institution. This benefit is provided only for Part A inpatient services (non-medical health care services).

Section 6.2 Receiving Care from a Religious Non-Medical Health Care Institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you are conscientiously opposed to getting medical treatment that is "non-excepted."

- "Non-excepted" medical care or treatment is any medical care or treatment that is *voluntary* and *not required* by any federal, state, or local law.
- "Excepted" medical treatment is medical care or treatment that you get that is *not voluntary* or *is required* under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan's coverage of services you receive is limited to non-religious aspects of care.
- If you get services from this institution that are provided to you in a facility, the following condition applies:
 - You must have a medical condition that would allow you to receive covered services for inpatient hospital care or skilled nursing facility care.
 - -- *and* -- you must get approval in advance from our plan before you are admitted to the facility or your stay will not be covered.

Medicare Inpatient Hospital coverage limits apply (please refer to the Medicare Benefits Chart in Chapter 4).

SECTION 7 Rules for ownership of durable medical equipment

Section 7.1 Will you own the durable medical equipment after making a certain number of payments under our plan?

Durable medical equipment (DME) includes items such as oxygen equipment and supplies, wheelchairs, walkers, powered mattress systems, crutches, diabetic supplies, speech generating devices, IV infusion pumps, nebulizers, and hospital beds ordered by a provider for use in the home. The member always owns certain items, such as prosthetics. In this section, we discuss other types of DME that you must rent.

In Original Medicare, people who rent certain types of DME own the equipment after paying copayments for the item for 13 months. As a member of HumanaChoice H5216-063 (PPO), however, you usually will not acquire ownership of rented DME items no matter how many copayments you make for the item while a member of our plan, even if you made up to 12 consecutive payments for the DME item under Original Medicare before you joined our plan. Under certain limited circumstances we will transfer ownership of the DME item to you. Call Customer Care.

What happens to payments you made for durable medical equipment if you switch to Original Medicare?

If you did not acquire ownership of the DME item while in our plan, you will have to make 13 new consecutive payments after you switch to Original Medicare in order to own the item. The payments made while enrolled in your plan do not count.

Example 1: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. The payments you made in Original Medicare do not count. You will have to make 13 payments to our plan before owning the item.

Example 2: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. You were in our plan but did not obtain ownership while in our plan. You then go back to Original Medicare. You will have to make 13 consecutive new payments to own the item once you join Original Medicare again. All previous payments (whether to our plan or to Original Medicare) do not count.

Section 7.2 Rules for oxygen equipment, supplies, and maintenance

What oxygen benefits are you entitled to?

Chapter 3 Using the plan for your medical services

If you qualify for Medicare oxygen equipment coverage HumanaChoice H5216-063 (PPO) will cover:

- Rental of oxygen equipment
- Delivery of oxygen and oxygen contents
- Tubing and related oxygen accessories for the delivery of oxygen and oxygen contents
- Maintenance and repairs of oxygen equipment

If you leave HumanaChoice H5216-063 (PPO) or no longer medically require oxygen equipment, then the oxygen equipment must be returned.

What happens if you leave your plan and return to Original Medicare?

Original Medicare requires an oxygen supplier to provide you services for five years. During the first 36 months you rent the equipment. The remaining 24 months the supplier provides the equipment and maintenance (you are still responsible for the copayment for oxygen). After five years you may choose to stay with the same company or go to another company. At this point, the five-year cycle begins again, even if you remain with the same company, requiring you to pay copayments for the first 36 months. If you join or leave our plan, the five-year cycle starts over.

CHAPTER 4:

Medical Benefits Chart

(what is covered and what you pay)

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

SECTION 1 Understanding your out-of-pocket costs for covered services

This chapter provides a Medical Benefits Chart that lists your covered services and shows how much you will pay for each covered service as a member of HumanaChoice H5216-063 (PPO). Later in this chapter, you can find information about medical services that are not covered. Also, see exclusions and limitations pertaining to certain supplemental benefits in the chart in this chapter.

Section 1.1 Types of out-of-pocket costs you may pay for your covered services

To understand the payment information, we give you in this chapter, you need to know about the types of out-of-pocket costs you may pay for your covered services.

- A **"copayment"** is the fixed amount you pay each time you receive certain medical services. You pay a copayment at the time you get the medical service. (The Medical Benefits Chart in Section 2 tells you more about your copayments.)
- **"Coinsurance"** is the percentage you pay of the total cost of certain medical services. You pay a coinsurance at the time you get the medical service. (The Medical Benefits Chart in Section 2 tells you more about your coinsurance.)

Most people who qualify for Medicaid or for the Qualified Medicare Beneficiary (QMB) program should never pay deductibles, copayments or coinsurance. Be sure to show your proof of Medicaid or QMB eligibility to your provider, if applicable.

Section 1.2 What is the most you will pay for Medicare Part A and Part B covered medical services?

Under our plan, there are two different limits on what you have to pay out-of-pocket for covered medical services:

- Your **in-network maximum out-of-pocket amount** is **\$2,900**. This is the most you pay during the calendar year for covered Medicare Part A and Part B services received from network providers. The amounts you pay for copayments, and coinsurance for covered services from network providers count toward this in-network maximum out-of-pocket amount. (The amounts you pay for plan premiums, Part D prescription drugs and services from out-of-network providers do not count toward your in-network maximum out-of-pocket amount. In addition, amounts you pay for some services do not count toward your in-network maximum out-of-pocket amount. These services are marked with an asterisk in the Medical Benefits Chart.) If you have paid **\$2,900** for covered Part A and Part B services from network providers, you will not have any out-of-pocket costs for the rest of the year when you see our network providers. However, you must continue to pay your plan premium and the Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party).
- Your **combined maximum out-of-pocket amount** is **\$4,500**. This is the most you pay during the calendar year for covered Medicare Part A and Part B services received from both in-network and out-of-network providers. The amounts you pay for copayments and coinsurance for covered services count toward this combined maximum out-of-pocket amount. (The amounts you pay for your plan premiums and your Part D prescription drugs, do not count toward your combined maximum out-of-pocket amount. In addition, amounts you pay for some services do not count toward your combined maximum out-of-pocket amount. These services are marked with an asterisk in the Medical Benefits Chart.) If you have paid **\$4,500** for covered services, you will have 100% coverage and will not have any out-of-pocket costs for the rest of the year for covered Part A and

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Part B services. However, you must continue to pay your plan premium and the Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party).

Section 1.3 Our plan does not allow providers to "balance bill" you

As a member of HumanaChoice H5216-063 (PPO), an important protection for you is that you only have to pay your cost-sharing amount when you get services covered by our plan. Providers may not add additional separate charges, called "balance billing." This protection applies even if we pay the provider less than the provider charges for a service and even if there is a dispute and we don't pay certain provider charges.

Here is how this protection works.

- If your cost sharing is a copayment (a set amount of dollars, for example, \$15.00), then you pay only that amount for any covered services from a network provider. You will generally have higher copays when you obtain care from out-of-network providers.
- If your cost sharing is a coinsurance (a percentage of the total charges), then you never pay more than that percentage. However, your cost depends on which type of provider you see:
 - If you obtain covered services from a network provider, you pay the coinsurance percentage multiplied by the plan's reimbursement rate (as determined in the contract between the provider and the plan).
 - If you obtain covered services from an out-of-network provider who participates with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for participating providers.
 - If you obtain covered services from an out-of-network provider who does not participate with Medicare, then you pay the coinsurance amount multiplied by the Medicare payment rate for non-participating providers.
- If you believe a provider has "balance billed" you, call Customer Care.

SECTION 2 Use the *Medical Benefits Chart* to find out what is covered and how much you will pay**Section 2.1 Your medical benefits and costs as a member of the plan**

The Medical Benefits Chart on the following pages lists the services HumanaChoice H5216-063 (PPO) covers and what you pay out-of-pocket for each service. Part D prescription drug coverage is covered in Chapter 5. The services listed in the Medical Benefits Chart are covered only when the following coverage requirements are met:

- Your Medicare covered services must be provided according to the coverage guidelines established by Medicare.
- Your services (including medical care, services, supplies, equipment, and Part B prescription drugs) *must* be medically necessary. "Medically necessary" means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

- Some of the services listed in the Medical Benefits Chart are covered as in-network services *only* if your doctor or other network provider gets approval in advance (sometimes called "prior authorization") from HumanaChoice H5216-063 (PPO).
 - Covered services that need approval in advance to be covered as in-network services are marked by a footnote in the Medical Benefits Chart. In addition, the following services not listed in the Benefits Chart require approval in advance:
 - > The preauthorization list can be found here: **www.humana.com/PAL**
 - You never need approval in advance for out-of-network services from out-of-network providers.
 - While you don't need approval in advance for out-of-network services, you or your doctor can ask us to make a coverage decision in advance.

Other important things to know about our coverage:

- For benefits where your cost sharing is a coinsurance percentage, the amount you pay depends on what type of provider you receive the services from:
 - If you receive the covered services from a network provider, you pay the coinsurance percentage multiplied by the plan's reimbursement rate (as determined in the contract between the provider and the plan).
 - If you receive the covered services from an out-of-network provider who participates with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for participating providers.
 - If you receive the covered services from an out-of-network provider who does not participate with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for non-participating providers.
- Like all Medicare health plans, we cover everything that Original Medicare covers. For some of these benefits, you pay *more* in our plan than you would in Original Medicare. For others, you pay *less*. (If you want to know more about the coverage and costs of Original Medicare, look in your *Medicare & You 2023* handbook. View it online at www.medicare.gov or ask for a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.)
- For all preventive services that are covered at no cost under Original Medicare, we also cover the service at no cost to you. However, if you also are treated or monitored for an existing medical condition during the visit when you receive the preventive service, a copayment will apply for the care received for the existing medical condition.
- If Medicare adds coverage for any new services during 2023, either Medicare or our plan will cover those services.

Important Benefit Information for all Enrollees Participating in Wellness and Health Care Planning (WHP) Services

- You are eligible for the following WHP services, including advance care planning (ACP) services:
 - Documenting what's important to you is essential to getting the care you want when you are too ill to speak for yourself.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

- As a Humana member, you have access to an online advance care planning resource called, MyDirectives®. This resource helps you to create an advance directive where you can combine the elements of a:
 - > Living will
 - > Medical power of attorney
 - > Do not attempt resuscitation form
 - > Organ donation form
- You can create your own digital care plan on MyDirectives® and even include video and audio files. If you already have these documents prepared you can store and share them here. MyDirectives® is available to you and your designated medical providers 24 hours a day, seven days a week. You can add new information at any time as your health status or wishes change.
- To get started, visit Humana.com and log into MyHumana. Go to the MyHealth tab and select MyDirectives® in the "Health support for you" section
- Additionally, if you meet certain health conditions now or your health status changes in the future, Humana will reach out to you. A clinician or social worker will provide support to ensure you have an advance directive in place and you are able to share it with your family and doctors. Participation in any programs that include Wellness and Healthcare Planning or Advance Care Planning are voluntary and you are free to decline the services at any time.

 You will see this apple next to the preventive services in the benefits chart.

(and, if you are a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse. Cost-sharing for necessary emergency services furnished out-of-network is the same as for such services furnished in-network. You are covered for emergency care world-wide. If you have an emergency outside of the U.S. and its territories, you will be responsible to pay for the services rendered upfront. You must submit to Humana for reimbursement. For more information please see Chapter 7. We may not reimburse you for all out of pocket expenses. This is because our contracted rates may be lower than provider rates outside of the U.S. and its territories. You are responsible for any costs exceeding our contracted rates as well as any applicable member cost-share.	<u>Out-of-Network:</u> <u>Emergency Services</u> \$125 copayment – Emergency Room <u>Provider and Professional Services</u> \$0 copayment – Emergency Room You do not pay the emergency room visit cost share if you are admitted to the same hospital within 24 hours for the same condition. If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must move to a network hospital in order to pay the in-network cost-sharing amount for the part of your stay after you are stabilized. If you stay at the out-of-network hospital, your stay will be covered but you will pay the out-of-network cost-sharing amount for the part of your stay after you are stabilized.

Hospice care You are eligible for the hospice benefit when your doctor and the hospice medical director have given you a terminal prognosis certifying that you're terminally ill and have 6 months or less to live if your illness runs its normal course. You may receive care from any Medicare-certified hospice program. Your plan is obligated to help you find Medicare-certified hospice programs in the plan's service area, including those the MA organization owns, controls, or has a financial interest in. Your hospice doctor can be a network provider or an out-of-network provider. Covered services include: • Drugs for symptom control and pain relief • Short-term respite care • Home care <u>For hospice services and for services that are covered by Medicare Part A or B and are related to your terminal prognosis:</u> Original Medicare (rather than our plan) will pay your hospice provider for your hospice services related to your terminal prognosis. While you are in the hospice program, your hospice provider will bill Original Medicare for the services that Original Medicare pays for. You will be billed Original Medicare cost sharing. <u>For services that are covered by Medicare Part A or B and are not related to your terminal prognosis:</u> If you need non-emergency, non-urgently needed services that are covered under Medicare Part A or B and that are not related to your terminal prognosis, your cost for these services depends on whether you use a provider in our plan's network and follow plan rules (such as if there is a requirement to obtain prior authorization). • If you obtain the covered services from a network provider and follow plan rules for obtaining service, you only pay the plan cost-sharing amount for in-network services. • If you obtain the covered services from an out-of-network provider, you pay the plan cost-sharing for out-of-network services.	When you enroll in a Medicare-certified hospice program, your hospice services and your Part A and Part B services related to your terminal prognosis are paid for by Original Medicare, not HumanaChoice H5216-063 (PPO). Hospice consultations are included as part of Inpatient hospital care. Provider cost sharing may apply for outpatient consultations.

Services that are covered for you	What you must pay when you get these services
<u>For services that are covered by HumanaChoice H5216-063 (PPO) but are not covered by Medicare Part A or B:</u> HumanaChoice H5216-063 (PPO) will continue to cover plan-covered services that are not covered under Part A or B whether or not they are related to your terminal prognosis. You pay your plan cost-sharing amount for these services. <u>For drugs that may be covered by the plan's Part D benefit:</u> If these drugs are unrelated to your terminal hospice condition you pay cost sharing. If they are related to your terminal hospice condition then you pay Original Medicare cost sharing. Drugs are never covered by both hospice and our plan at the same time. For more information, please see Chapter 5, Section 9.4 (<i>What if you're in Medicare-certified hospice</i>). Note: If you need non-hospice care (care that is not related to your terminal prognosis), you should contact us to arrange the services.	
* Humana Well Dine® meal program After your inpatient stay in either the hospital or a nursing facility, you are eligible to receive 2 meals per day for 7 days at no extra cost to you. 14 nutritious meals will be delivered to your home. Meal program limited to 4 times per calendar year. Meals have to be requested within 30 days of discharge from inpatient stay. For additional information, please contact the Customer Service number on the back of your Humana Member ID card.	<u>In-Network:</u> There is no coinsurance, copayment, or deductible to participate.
 Immunizations Covered Medicare Part B services include: • Pneumonia vaccine • Flu shots, once each flu season in the fall and winter, with additional flu shots if medically necessary • Hepatitis B vaccine if you are at high or intermediate risk of getting Hepatitis B • COVID-19 vaccine • Other vaccines if you are at risk and they meet Medicare Part B coverage rules We also cover some vaccines under our Part D prescription drug benefit. You can find these vaccines listed in the plan's <i>Drug Guide (Formulary)</i>.	<u>In-Network:</u> There is no coinsurance, copayment, or deductible for the pneumonia, influenza, Hepatitis B, and COVID-19 vaccines. <u>Out-of-Network:</u> \$0 copayment – PCP's Office – Specialist's Office
Inpatient hospital care Includes inpatient acute, inpatient rehabilitation, long-term care hospitals and other types of inpatient hospital services. Inpatient hospital care starts the day you are formally admitted to the hospital with a doctor's order. The day before you are discharged is your last inpatient day. Covered services include but are not limited to:	<u>In-Network:</u> <u>Inpatient Care</u> \$150 copayment per admission for each inpatient stay – Inpatient Hospital <u>Provider and Professional Services</u>

Services that are covered for you	What you must pay when you get these services
• Semi-private room (or a private room if medically necessary) • Meals including special diets • Regular nursing services • Costs of special care units (such as intensive care or coronary care units) • Drugs and medications • Lab tests • X-rays and other radiology services • Necessary surgical and medical supplies • Use of appliances, such as wheelchairs • Operating and recovery room costs • Physical, occupational, and speech language therapy • Inpatient substance abuse services • Under certain conditions, the following types of transplants are covered: corneal, kidney, kidney-pancreatic, heart, liver, lung, heart/lung, bone marrow, stem cell, and intestinal/multivisceral. If you need a transplant, we will arrange to have your case reviewed by a Medicare-approved transplant center that will decide whether you are a candidate for a transplant. Transplant providers may be local or outside of the service area. If our in-network transplant services are outside the community pattern of care, you may choose to go locally as long as the local transplant providers are willing to accept the Original Medicare rate. If HumanaChoice H5216-063 (PPO) provides transplant services at a location outside the pattern of care for transplants in your community and you choose to obtain transplants at this distant location, we will arrange or pay for appropriate lodging and transportation costs for you and a companion. – If you are in need of a solid organ or bone marrow/stem cell transplant, please contact our Transplant Department at 1-866-421-5663, TTY 711 for important information about your transplant care. • Blood - including storage and administration. Coverage of whole blood and packed red cells begins with the first pint of blood that you need. • Physician services	\$0 copayment – Inpatient Hospital Out-of-Network: <u>Inpatient Care</u> 20% coinsurance – Inpatient Hospital <u>Provider and Professional Services</u> 20% coinsurance – Inpatient Hospital If you get authorized inpatient care at an out-of-network hospital after your emergency condition is stabilized, your cost is the cost-sharing you would pay at a network hospital. You are covered for an unlimited number of medically necessary inpatient hospital days.
Note: To be an inpatient, your provider must write an order to admit you formally as an inpatient of the hospital. Even if you stay in the hospital overnight, you might still be considered an "outpatient." If you are not sure if you are an inpatient or an outpatient, you should ask the hospital staff. You can also find more information in a Medicare fact sheet called "Are You a Hospital Inpatient or Outpatient? If You Have Medicare – Ask!" This fact sheet is available on the Web at https://www.medicare.gov/sites/default/files/2021-10/11435-Inpatient-or-Outpatient.pdf or by calling 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week. Prior authorization is required for in-network inpatient hospital care.

Outpatient hospital observation Observation services are hospital outpatient services given to determine if you need to be admitted as an inpatient or can be discharged. For outpatient hospital observation services to be covered, they must meet the Medicare criteria and be considered reasonable and necessary. Observation services are covered only when provided by the order of a physician or another individual authorized by state licensure law and hospital staff bylaws to admit patients to the hospital or order outpatient tests. Note: Unless the provider has written an order to admit you as an inpatient to the hospital, you are an outpatient and pay the cost-sharing amounts for outpatient hospital services. Even if you stay in the hospital overnight, you might still be considered an "outpatient." If you are not sure if you are an outpatient, you should ask the hospital staff. You can also find more information in a Medicare fact sheet called "Are You a Hospital Inpatient or Outpatient? If You Have Medicare - Ask!" This fact sheet is available on the Web at https://www.medicare.gov/sites/default/files/2021-10/11435-Inpatient-or-Outpatient.pdf or by calling 1-800-MEDICARE (1-800-633-4227). Urgently needed services Urgently needed services are provided to treat a non-emergency, unforeseen medical illness, injury, or condition that requires immediate medical care, but given your circumstances, it is not possible, or it is unreasonable, to obtain services from network providers. Examples of urgently needed services that the plan must cover out of network are i) you need immediate care during the weekend, or ii) you are temporarily outside the service area of the plan. Services must be immediately needed and medically necessary. If it is unreasonable given your circumstances to immediately obtain the medical care from the network provider then your plan will cover the urgently needed services from a provider out-of-network. You are covered for urgently needed services world-wide. If you have an urgent need for care while outside of the U.S. and its territories, you will be responsible to pay for the services rendered upfront. You must submit proof of payment to Humana for reimbursement. For more information please see Chapter 7. We may not reimburse you for all out of pocket expenses. This is because our contracted rates may be lower than provider rates outside of the U.S. and its territories. You are responsible for any costs exceeding our contracted rates as well as any applicable member cost-share. See "Physician/Practitioner services, including doctor's office visits" for additional information about urgently needed services provided in a physician's office.	<u>In-Network:</u> <u>Urgently Needed Services</u> \$25 copayment – Urgent Care Center <u>Out-of-Network:</u> <u>Urgently Needed Services</u> \$25 copayment – Urgent Care Center

**Out-of-network dentists have not agreed to provide services at contracted fees. Benefits received out-of-network are subject to any in-network benefit maximums, limitations, and/or exclusions. You may be billed by the out-of-network provider for any amount greater than the payment made by Humana to the provider. Please see below for provider locator instructions.

Network providers agree to bill us directly. If a provider who is not in our network is not willing to bill us directly, you may have to pay upfront and submit a request for reimbursement. See Chapter 2 Payment Requests-Contact Information or visit **Humana.com** for information on requesting reimbursement.

Dental services are subject to our standard claims review procedures which could include dental history to approve coverage. Dental benefits under this plan may not cover all American Dental Association procedure codes. Information regarding each plan is available at **Humana.com/sb**.

The Mandatory Supplemental Dental benefits are provided through the Humana Dental Medicare Network. The provider locator can be found at **Humana.com > Find a doctor > Select the Dentist icon from the menu > From the Distance drop down select preferred distance > Enter Zip code > From the look up method select All Dental Networks > Then select HumanaDental Medicare**.

For more information about Mandatory Supplemental Dental benefits contact HumanaDental for details (1-800-669-6614), TTY 711.

How Payments to You or Your Dentist Are Calculated

For covered dental services, we will pay as follows:

- We will determine the total covered expense.
- We will review the covered expense against the maximum benefits allowed.
- We will check to see if you have met your deductible, if applicable. If you have not, you will be required to pay the covered expense up to the amount of the deductible.
- We will pay the remaining expense to you or your dentist, minus any coinsurance you owe (the procedure you received may require you to pay a percentage of the cost).

For dental conditions that have two or more possible treatments, Humana will cover the lowest cost treatment, as long as it is proven to provide satisfactory results. If you choose to receive a higher cost treatment, you will be responsible to pay for the difference.

Submitting Pretreatment Plans

If the dental care you need is expected to exceed **\$300**, we suggest you or your dentist send a dental treatment plan for us to review ahead of time so that we can provide you with an estimate for services. The pretreatment plan should include:

- 1. A list of services you will receive, using American Dental Association nomenclature and codes.
- 2. Your dentist's written description of the proposed treatment.
- 3. X-rays that show your dental needs.
- 4. Itemized cost of the proposed treatment.
- 5. Any other diagnostic materials we request.

Mandatory Supplemental Vision Benefit VIS751

Coverage Description

Vision benefit through EyeMed Vision Care

You may receive the following non-Medicare covered routine vision-related services:

Description of Benefit	In-Network You Pay	Out-of-Network You Pay
- Routine Eye Exam (includes refraction) (1 per calendar year) by a Humana Medicare Insight Network optical provider – \$75 allowance* OR - Refraction exam (1 per calendar year) when completed at the same appointment as a Medicare covered comprehensive eye exam by a Humana network medical optical provider.	\$0	Any amount over \$75*
- Frames and Lens Package You have a choice of: – \$100 (combined in and out-of-network) benefit toward the purchase and fitting of eyeglasses and pair of lenses or contact lenses (1 per calendar year). Ultraviolet protection and scratch resistant coating are included in the eyeglass allowance benefit. Contact lenses will include conventional or disposable. The benefit can only be used one time. Any remaining benefit dollars do not “roll over” to a future purchase.	Any amount over \$100 retail price	Any amount over \$100 retail price

*Your routine exam charge will not exceed **\$75** at an **EyeMed Vision Care** optical provider. Please inform the network provider that you are part of the Humana Medicare Insight Network. **NOTE:** The network of providers for your supplemental vision benefits through EyeMed Vision Care may be different than the network of providers for the Medicare-covered vision benefits. When using an out-of-network provider, you will be responsible for costs above the plan approved amount. You are responsible for submitting a Humana Vision Care out-of-network claim form with itemized receipt when seeing a non-Humana Medicare Insight provider. Claim forms can be found by logging into your profile on MyHumana.

The provider locator for routine vision can be found at **Humana.com > Find a Doctor > Select Vision care icon > Vision coverage through Medicare Advantage plans.**

The provider location for medical vision can be found at **Humana.com > Find a Doctor > Select Medical icon > enter Zip Code > Select look up Method > Medicare or Medicare-Medicaid > Select your plan Network > Select Search Category > Specialty Physician.**

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

- Copayments, coinsurances, and deductibles paid for supplemental benefits do not count toward your maximum out-of-pocket amount.
- Note: Benefits are offered on a calendar year basis. If these benefits are changed or eliminated next year or the year after and you have not used these benefits, you are no longer eligible for the benefits described above.

Section 2.2 Extra "Optional Supplemental Benefits" you can buy

Our plan offers some extra benefits that are not covered by Original Medicare and are not included in your benefits package as a plan member. These extra benefits are called **"Optional Supplemental Benefits."** If you want these optional supplemental benefits, you must sign up for them and you may have to pay an additional premium for them. The optional supplemental benefits described in this section are subject to the same appeals process as any other benefits.

The extra monthly cost for these benefits will be added to your Medicare Advantage plan premium. If you purchase any of these Optional Supplemental Benefits (OSBs), this Evidence of Coverage contract will also apply to them. If you have questions about these OSBs, please call Customer Care at the phone number that appears at the end of this section or on the back of your Humana member ID card.

Optional Supplemental Benefits (OSBs)

Enrollment in Optional Supplemental Benefits

Optional Supplemental Benefits are dental, vision or fitness benefits that are not part of your Medicare Advantage plan. You must purchase them separately. The Optional Supplement Benefits available to you vary by plan.

You can enroll into OSBs in two ways:

1. Enroll at the same time you enroll in your Medicare Advantage plan. In most cases, your OSBs will begin on the same day your Medicare Advantage plan begins.
2. Enroll anytime by filling out an application. You can also call **1-800-645-7322** (TTY: **711**), Monday – Friday, 8 a.m. – 8 p.m. local time. Your coverage will begin the first day of the month after Humana receives your application.

OSBs are offered on an annual basis. If you don't change your Medicare Advantage plan during the next annual election period and your OSB is still available, you will be automatically reenrolled in your OSB. If your OSB is discontinued or is being changed in any way for the following plan year, we will notify you before the annual election period in the Annual Notification of Changes mailing. Unused benefits will not "roll over" to the next coverage year.

For more information, call Customer Care at the phone number that appears at the end of this section or on the back of your Humana member ID card.

Finding a Provider

We will send you an OSB provider directory within 10 days of enrolling in an Optional Supplemental Benefit. However, if you want the name of a provider, you may call Customer Care.

Humana is not responsible for the availability or ongoing participation of any provider. Provider availability may change. Always make sure your provider is in the network before you receive care.

Optional Supplemental Benefits Disenrollment

If you want to cancel your OSB coverage, call Member Customer service (phone number on the back of the ID card), send the request by fax to 800-633-8188 or by mail to:

Humana
PO Box 14168
Lexington, KY 40512-4168

- Your letter should:
- Tell us clearly that you want to disenroll from the OSB(s) only – not the Medicare Advantage plan.
 - Include your name, member ID number and signature.

The termination date will be the last day of the month from when the request is received.
If you do not pay the premiums for your OSBs, you will lose your OSB coverage. We will tell you in writing that you have 60 days to pay the OSB premium. If you have not paid everything you owe at the end of that grace period, your OSB coverage will end.

If you cancel these benefits or if you lose them because you did not pay what you owe, you can sign up again anytime in the year. Any claims that were previously processed in the original coverage will count toward your benefit maximum. Your benefits will not start over.

Premium Refund

If you cancel your OSB and have overpaid your premium, we will issue a refund within 45 business days. However, if you have an outstanding balance for your Medicare Advantage premium, we will apply your overpayment to that bill.

Plan options are described in detail below.

MyOption DEN432

This dental plan covers certain preventive, basic and major dental services. It is an extra benefit you may choose to add to your Medicare Advantage plan. However, you will have to pay an extra monthly premium for it.

In this plan, you may receive your care from either an in-network or out-of-network dentist. If you use an out-of-network dentist, your share of the cost may be higher.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)**Coverage Information**

Maximum plan benefit (combined in and out-of-network)	\$2,000 per calendar year
--	-------------------------------------

Deductible	\$0 per calendar year
------------	---------------------------------

You may receive the following dental services:

Plan covers up to **\$2,000** allowance every year for non-Medicare covered preventive and comprehensive dental services. You are responsible for any amount above the dental coverage limit. Any amount unused at the end of the year will expire.

Your benefit can be used for most dental treatments such as:

- Preventive dental services, such as exams, routine cleanings, etc.
- Basic dental services, such as fillings, extractions, etc.
- Major dental services, such as periodontal scaling, crowns, dentures, root canals, bridges, etc.

Note: The allowance cannot be used on cosmetic services and implants.

Benefits received out-of-network are subject to any in-network benefit maximums, limitations, and/or exclusions.

*Network dentists have agreed to provide services at a negotiated rate. If you see a network dentist, you cannot be billed more than that rate.

**Benefits received out-of-network are subject to any in-network benefit maximums, limitations, and/or exclusions. You may be billed by the out-of-network provider for any amount greater than the payment made by Humana to the provider.

Some covered services may consider prior tooth history and procedures in conjunction with frequency limitations noted above. Dental benefits may not cover all American Dental Association procedure codes. Information regarding each plan is available at **Humana.com/sb**.

The Humana Optional Supplemental Dental benefits are provided through the Humana Dental Medicare Network. The provider locator can be found at **Humana.com > Find a Doctor > From the Search Type Drop down select Dental > Under Coverage Type select All Dental Networks > Enter zip code > From the Network drop down select HumanaDental Medicare**.

How Payments to You or Your Dentist Are Calculated

For covered dental services, we will pay as follows:

- We will determine the total covered expense.
- We will review the covered expense against the maximum benefits allowed.
- We will check to see if you have met your deductible, if applicable. If you have not, you will be required to pay the covered expense up to the amount of the deductible.
- We will pay the remaining expense to you or your dentist, minus any coinsurance you owe (the procedure you received may require you to pay a percentage of the cost).

For dental conditions that have two or more possible treatments, Humana will cover the lowest cost treatment, as long as it is proven to provide satisfactory results. If you choose to receive a higher cost treatment, you will be responsible to pay for the difference.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)**Submitting Pretreatment Plans**

If the dental care you need is expected to exceed **\$300**, we suggest you or your dentist send a dental treatment plan for us to review ahead of time so that we can provide you with an estimate for services. The pretreatment plan should include:

1. A list of services you will receive, using American Dental Association nomenclature and codes.
2. Your dentist's written description of the proposed treatment.
3. X-rays that show your dental needs.
4. Itemized cost of the proposed treatment.
5. Any other diagnostic materials we request.

An estimate for services is not a guarantee of what we will pay. It tells you and your dentist in advance about the benefits payable for the covered expenses in the treatment plan.

An estimate for services is valid for 90 days after the date we notify you and your dentist of the benefits payable for the proposed treatment plan. This is subject to your eligibility of coverage at time of treatment. If treatment does not begin for more than 90 days after that date, we recommend you submit a new treatment plan.

Other Provisions

It's your responsibility to understand your dental coverage, including its limitations and exclusions.

All dental services must be received from a licensed dentist.

We may access your dental and treatment records to determine benefits, to process claims, to perform financial audits and other purposes.

If you or your dentist do not send us the documents we need, we can decide not to pay for your treatments.

The benefits of this optional supplemental benefit are subject to the same appeals process as any other plan benefit.

Limitations and Exclusions**MyOption DEN432**

Does not include coverage for the following:

1. Expenses incurred while you qualify for any workers' compensation or occupational disease act or law, whether or not you applied for coverage.
2. Services that are:
 - a. Free or that you would not be required to pay for if you did not have this insurance, unless charges are received from and reimbursable to the U.S. government or any of its agencies as required by law.
 - b. Furnished by, or payable under, any plan or law through any government or any political subdivision - this does not include Medicare or Medicaid.
 - c. Furnished by any U.S. government-owned or operated hospital/institution/agency for any service connected with sickness or bodily injury.
3. Any loss caused or contributed by war or any act of war, whether declared or not; any act of international armed conflict; or any conflict involving armed forces of any international authority.
4. Any expense arising from the completion of forms.
5. Your failure to keep an appointment with the dentist.
6. Any service we consider cosmetic dentistry unless it is necessary as a result of an accidental injury sustained while you are covered under this policy. We consider the following cosmetic dentistry procedures:

Chapter 4. Medical Benefits Chart (what is covered and what you pay)**Limitations and Exclusions**

- a. Facings on crowns or pontics - the portion of a fixed bridge between the abutments - posterior to the second bicuspid.
- b. Any service to correct congenital malformation.
- c. Any service performed primarily to improve appearance; or characterization and personalization of prosthetic devices.
7. Charges for any type of implant and all related services, including crowns or the prosthetic device attached to it; precision or semi-precision attachments; over-dentures and any endodontic treatment associated with over-dentures; other customized attachments.
8. Any service related to:
 - a. Altering vertical dimension of teeth.
 - b. Restoration or maintenance of occlusion.
 - c. Splinting teeth, including multiple abutments, or any service to stabilize periodontally weakened teeth.
 - d. Replacing tooth structures lost as a result of abrasion, attrition, erosion or abfraction.
 - e. Bite registration or bite analysis.
9. Infection control, including but not limited to sterilization techniques.
10. Fees for treatment performed by someone other than a dentist, except for scaling, teeth cleaning and the topical application of fluoride, which can be performed by a licensed dental hygienist. The treatment must be rendered under the supervision of the dentist in accordance with generally accepted dental standards.
11. Any hospital, surgical or treatment facility, or for services of an anesthesiologist or anesthetist.
12. Prescription drugs or pre-medications, whether dispensed or prescribed.
13. Any service not specifically listed in the Coverage Information.
14. Any service that we determine is not a dental necessity; does not offer a favorable prognosis; does not have uniform professional endorsement; or is deemed to be experimental or investigational in nature.
15. Orthodontic services.
16. Any expense incurred before your effective date or after the date this optional supplemental benefit terminates.
17. Services provided by someone who ordinarily lives in your home or who is a family member.
18. Charges exceeding the reimbursement limit for the service.
19. Treatment resulting from any intentionally self-inflicted injury or bodily illness.
20. MyOption DEN432: Local anesthetics, irrigation, bases, pulp caps, temporary dental services, study models, treatment plans, occlusal adjustments or tissue preparation associated with the impression or placement of a restoration when charged as a separate service. These services are considered an integral part of the entire dental service.
21. Repair and replacement of orthodontic appliances.
22. Any surgical or nonsurgical treatment for any jaw joint problems, including any temporomandibular joint disorder, craniomaxillary, craniomandibular disorder, or other conditions of the joint linking the jaw bone and skull; or treatment of the facial muscles used in expression and chewing functions, for symptoms including, but not limited to, headaches.
23. Extractions, except for extractions of erupted tooth or exposed root (includes routine removal of tooth structure, minor smoothing of socket bone, and closure, as necessary), or surgical removal of erupted tooth requiring elevation of mucoperiosteal flap and removal of bone of section of tooth.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)**Excess Coverage**

We will not pay benefits for any accidental injury if other insurance will provide payments or expense coverage, regardless of whether the other insurance is described as primary, excess or contingent.

If your claim against another insurer is denied or partially paid, we will process your claim according to the terms and conditions of this dental plan. If we make a payment, you agree to assign to us any right you have against the other insurer for dental expenses we pay. Payments made by the other insurer will be credited toward any applicable coinsurance or calendar year deductibles.

Section 2.3 Getting care using our plan's optional visitor/traveler benefit

You may get care when you are outside the service area. You may need to pay higher cost-sharing for routine care from non-network providers, but you won't pay extra in a medical emergency or if your care is urgently needed. If you have questions about your medical costs when you travel, please call Customer Care.

Travel Coverage

You have access to providers in the HumanaChoice network in all of our service areas. If you receive care from HumanaChoice providers, you will pay the same in-network copay or coinsurance you would pay if you received care within your home service area. If you are travelling outside of your plan's service area and need assistance finding a HumanaChoice provider, please call Customer Care. We'll tell you whether you're in one of our other HumanaChoice service areas and help you find an in-network provider. You may see any provider you choose, but your out-of-pocket costs may be higher if you see an out-of-network provider.

SECTION 3 What services are not covered by the plan?**Section 3.1 Services we do not cover (exclusions)**

This section tells you what services are "excluded" from Medicare coverage and therefore, are not covered by this plan.

The chart below lists services and items that either are not covered under any condition or are covered only under specific conditions.

If you get services that are excluded (not covered), you must pay for them yourself except under the specific conditions listed below. Even if you receive the excluded services at an emergency facility, the excluded services are still not covered, and our plan will not pay for them. The only exception is if the service is appealed and decided:

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

upon appeal to be a medical service that we should have paid for or covered because of your specific situation. (For information about appealing a decision we have made to not cover a medical service, go to Chapter 9, Section 5.3 in this document.)

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Acupuncture		Available for people with chronic low back pain under certain circumstances.
Cosmetic surgery or procedures		- Covered in cases of an accidental injury or for improvement of the functioning of a malformed body member. - Covered for all stages of reconstruction for a breast after a mastectomy, as well as for the unaffected breast to produce a symmetrical appearance.
Custodial care Custodial care is personal care that does not require the continuing attention of trained medical or paramedical personnel, such as care that helps you with activities of daily living, such as bathing or dressing.	✓	
Experimental medical and surgical procedures, equipment and medications. Experimental procedures and items are those items and procedures determined by Original Medicare to not be generally accepted by the medical community.		May be covered by Original Medicare under a Medicare-approved clinical research study or by our plan. (See Chapter 3, Section 5 for more information on clinical research studies.)
Fees charged for care by your immediate relatives or members of your household.	✓	
Full-time nursing care in your home.	✓	
Homemaker services including basic household assistance, such as light housekeeping or light meal preparation.	✓	
Naturopath services (uses natural or alternative treatments).	✓	
Non-routine dental care		Dental care required to treat illness or injury may be covered as inpatient or outpatient care.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Orthopedic shoes or supportive devices for the feet		Shoes that are part of a leg brace and are included in the cost of the brace. Orthopedic or therapeutic shoes for people with diabetic foot disease.

Routine foot care		Some limited coverage provided according to Medicare guidelines, (e.g., if you have diabetes).
Services considered not reasonable and necessary, according to Original Medicare standards.	✓	

In addition to any exclusions or limitations described in the Medical Benefits Chart, or anywhere else in this *Evidence of Coverage*, **the following items and services aren't covered under Original Medicare or by our plan:**

- Radial keratotomy, LASIK surgery, and other low vision aids and services.
- Services provided to veterans in Veterans Affairs (VA) facilities. However, when emergency services are received at VA hospital and the VA cost-sharing is more than the cost-sharing under our plan, we will reimburse veterans for the difference. Members are still responsible for our cost-sharing amounts.

Dental Mandatory Supplemental Benefit Exclusions include, but not limited to, the following:

- Network dentists have agreed to provide services at contracted fees (the in-network fee schedules, or INFS). If a member visits a participating network dentist, the member will not receive a bill for charges more than the negotiated fee schedule on covered services (coinsurance payment still applies).
- Expenses incurred while you qualify for any workers' compensation or occupational disease act or law, whether or not you applied for coverage.
- Services that are:
 - Free or that you would not be required to pay for if you did not have this insurance, unless charges are received from and reimbursable to the U.S. government or any of its agencies as required by law.
 - Furnished by, or payable under, any plan or law through any government or any political subdivision – this does not include Medicare or Medicaid.
 - Furnished by any U.S. government-owned or operated hospital/institution/agency for any service connected with sickness or bodily injury.

- Any loss caused or contributed by war or any act of war, whether declared or not; any act of international armed conflict; or any conflict involving armed forces of any international authority.
- Any expense arising from the completion of forms.
- Your failure to keep an appointment with the dentist.
- Any service we consider cosmetic dentistry unless it is necessary as a result of an accidental injury sustained while you are covered under this policy. We consider the following cosmetic dentistry procedures:
 - Facings on crowns or pontics – the portion of a fixed bridge between the abutments – posterior to the second bicuspid.
 - Any service to correct congenital malformation.
 - Any service performed primarily to improve appearance; or characterization and personalization of prosthetic devices.
- Charges for any type of implant and all related services, including crowns or the prosthetic device attached to it; precision or semi-precision attachments; over-dentures and any endodontic treatment associated with over-dentures; other customized attachments.
- Any service related to:
 - Altering vertical dimension of teeth.
 - Restoration or maintenance of occlusion.
 - Splinting teeth, including multiple abutments, or any service to stabilize periodontally weakened teeth.
 - Replacing tooth structures lost as a result of abrasion, attrition, erosion or abfraction.
 - Bite registration or bite analysis.
- Infection control, including but not limited to sterilization techniques.
- Fees for treatment performed by someone other than a dentist, except for scaling, teeth cleaning and the topical application of fluoride, which can be performed by a licensed dental hygienist. The treatment must be rendered under the supervision of the dentist in accordance with generally accepted dental standards.
- Any hospital, surgical or treatment facility, or for services of an anesthesiologist or anesthetist.
- Prescription drugs or pre-medications, whether dispensed or prescribed.
- Any service not specifically listed in the Coverage Information.
- Any service that we determine is not a dental necessity; does not offer a favorable prognosis; does not have uniform professional endorsement; or is deemed to be experimental or investigational in nature.
- Orthodontic services.
- Any expense incurred before your effective date or after the date this supplemental benefit terminates.
- Services provided by someone who ordinarily lives in your home or who is a family member.
- Charges exceeding the reimbursement limit for the service.
- Treatment resulting from any intentionally self-inflicted injury or bodily illness.
- Local anesthetics, irrigation, bases, pulp caps, temporary dental services, study models, treatment plans, or tissue preparation associated with the impression or placement of a restoration when charged as a separate service. These services are considered an integral part of the entire dental service.

- Any surgical or nonsurgical treatment for any jaw joint problems, including any temporomandibular joint disorder, craniomaxillary, craniomandibular disorder, or other conditions of the joint linking the jaw bone and skull; or treatment of the facial muscles used in expression and chewing functions, for symptoms including, but not limited to, headaches.

Hearing Mandatory Supplemental Benefit Exclusions include, but not limited to, the following:

- Any fees for exams, tests, evaluations or any services in excess of the stated maximums.
- Any expenses which are covered by Medicare or any other government program or insurance plan, or for which you are not legally required to pay.
- Services provided for clearance/consultation by a provider.
- Any refitting fees for lost or damaged hearing aids.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

- Hearing aids and provider visits to service hearing aids (except as specifically described in the Covered Benefits), ear molds, hearing aid accessories, warranty claim fees, and hearing aid batteries (beyond the covered limit).

Vision Mandatory Supplemental Benefit Exclusions include, but not limited to, the following:

- Refitting or change in lens design after initial fitting.
- Any expense arising from the completion of forms.
- Any service not specifically listed in your supplemental benefit.
- Orthoptic or vision training.
- Subnormal vision aids and associated testing.
- Aniseikonic lenses.
- Athletic or industrial lenses.
- Prisms (not covered with allowance, but may be available at a discounted rate off retail price; check with provider for details)
- Any service we consider cosmetic.
- Any expense incurred before your effective date or after the date this supplemental benefit terminates.
- Services provided by someone who ordinarily lives in your home or who is a family member.
- Charges exceeding the allowance for the service.
- Treatment resulting from any intentionally self-inflicted injury or bodily illness.
- Plano lenses.
- Medical or surgical treatment of eye, eyes or supporting structures.
- Non-prescription sunglasses.
- Two pair of glasses in lieu of bifocals.
- Services or materials provided by any other group benefit plans providing vision care.
- Corrective vision treatment of an experimental nature.
- Solutions and/or cleaning products for glasses or contact lenses.
- Non-prescription items.
- Costs associated with securing materials.
- Pre- and post-operative services.
- Orthokeratology.
- Routine maintenance of materials.
- Artistically painted lenses.
- Any expenses incurred while you qualify for any workers' compensation or occupational disease act or law, whether or not you applied for coverage.
- Services that are:
 - Free or that you would not be required to pay for if you did not have this insurance, unless charges are received from and reimbursable to the U.S. government or any of its agencies as required by law.
 - Furnished by, or payable under, any plan or law through any government or any political subdivision (this does not include Medicare or Medicaid).
 - Furnished by any U.S. government-owned or operated hospital/institution/agency for any service connected with sickness or bodily injury.
- Any loss caused or contributed by war or any act of war, whether declared or not; any act of international armed conflict; or any conflict involving armed forces of any international authority.
- Your failure to keep an appointment.
- Any hospital, surgical or treatment facility, or for services of an anesthesiologist or anesthetist.
- Prescription drugs or pre-medications, whether dispensed or prescribed.
- Any service that we determine is not a visual necessity; does not offer a favorable prognosis; does not have uniform professional endorsement; or is deemed to be experimental or investigational in nature.
- Replacement of lenses or eyeglass frames furnished under this supplemental benefit that are lost or broken, unless otherwise available under the supplemental benefit.
- Any examination or material required by an employer as a condition of employment or safety eyewear.

Chapter 4. Medical Benefits Chart (what is covered and what you pay)

- Pathological treatment.

The plan will not cover the excluded services listed above. Even if you receive the services at an emergency facility, the excluded services are still not covered.

CHAPTER 5:

Using the plan's coverage for Part D prescription drugs

SECTION 1 Introduction

This chapter **explains rules for using your coverage for Part D drugs**. Please see Chapter 4 for Medicare Part B drug benefits and hospice drug benefits.

Section 1.1 Basic rules for the plan's Part D drug coverage

The plan will generally cover your drugs as long as you follow these basic rules:

- You must have a provider (a doctor, dentist or other prescriber) write you a prescription which must be valid under applicable state law.
- Your prescriber must not be on Medicare's Exclusion or Preclusion Lists.
- You generally must use a network pharmacy to fill your prescription. (See Section 2, *Fill your prescriptions at a network pharmacy or through the plan's mail-order service.*)
- Your drug must be in the plan's *Prescription Drug Guide (Formulary)* (we call it the "Drug Guide" for short). (See Section 3, *Your drugs need to be in the plan's "Drug Guide."*)
- Your drug must be used for a medically accepted indication. A "medically accepted indication" is a use of the drug that is either approved by the Food and Drug Administration or supported by certain reference books. (See Section 3 for more information about a medically accepted indication.)

SECTION 2 Fill your prescription at a network pharmacy or through the plan's mail-order service

Section 2.1 Use a network pharmacy
--

In most cases, your prescriptions are covered *only* if they are filled at the plan's network pharmacies. (See Section 2.5 for information about when we would cover prescriptions filled at out-of-network pharmacies.)

A network pharmacy is a pharmacy that has a contract with the plan to provide your covered prescription drugs. The term "covered drugs" means all of the Part D prescription drugs that are in the plan's Drug Guide.

Section 2.2 Network pharmacies
--

How do you find a network pharmacy in your area?

To find a network pharmacy, you can look in your *Provider Directory*, visit our website ([Humana.com/PlanDocuments](https://www.humana.com/PlanDocuments)), and/or call Customer Care.

You may go to any of our network pharmacies. Contact us to find out more about how your out-of-pocket costs could vary for different drugs.

What if the pharmacy you have been using leaves the network?

If the pharmacy you have been using leaves the plan's network, you will have to find a new pharmacy that is in the network. To find another pharmacy in your area, you can get help from Customer Care or use the *Provider Directory*. You can also find information on our website at **Humana.com/PlanDocuments**.

What if you need a specialized pharmacy?

Some prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care (LTC) facility. Usually, a LTC facility (such as a nursing home) has its own pharmacy. If you have any difficulty accessing your Part D benefits in an LTC facility, please contact Customer Care.
- Pharmacies that serve the Indian Health Service / Tribal / Urban Indian Health Program (not available in Puerto Rico). Except in emergencies, only Native Americans or Alaska Natives have access to these pharmacies in our network.
- Pharmacies that dispense drugs that are restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. (**Note:** This scenario should happen rarely.)

To locate a specialized pharmacy, look in your *Provider Directory* or call Customer Care.

Section 2.3	Using the plan's mail-order service
--------------------	--

For certain kinds of drugs, you can use the plan's network mail-order service. Generally, the drugs provided through mail-order are drugs that you take on a regular basis, for a chronic or long-term medical condition. These drugs are marked as **"mail-order" drugs** in our Drug Guide.

Our plan's mail-order service allows you to order **up to a 90-day supply**.

Within the pharmacy network, there are mail-order pharmacies which provide preferred cost-sharing. You may pay more at other mail-order pharmacies.

To get order forms and information about filling your prescriptions by mail, please contact Customer Care.

Usually, a mail-order pharmacy order will be delivered to you in no more than 10 business days. When you plan to use a mail-order pharmacy, it's a good precaution to ask your doctor to write two prescriptions for your drugs: one you'll send for ordering by mail, and one you can fill in person at an in-network pharmacy if your mail-order doesn't arrive on time. That way, you won't have a gap in your medication if your mail-order is delayed. If you have trouble filling your drug while waiting for mail-order, please call Customer Care.

New prescriptions the pharmacy receives directly from your doctor's office.

The pharmacy will automatically fill and deliver new prescriptions it receives from health care providers, without checking with you first, if either:

- You used mail-order services with this plan in the past, or
- You sign up for automatic delivery of all new prescriptions received directly from health care providers. You may request automatic delivery of all new prescriptions at any time by calling Customer Care.

If you receive a prescription automatically by mail that you do not want, and you were not contacted to see if you wanted it before it shipped, you may be eligible for a refund.

If you used mail-order in the past and do not want the pharmacy to automatically fill and ship each new prescription, please contact us by calling Customer Care.

If you have never used our mail-order delivery and/or decide to stop automatic fills of new prescriptions, the pharmacy will contact you each time it gets a new prescription from a health care provider to see if you want the medication filled and shipped immediately. It is important that you respond each time you are contacted by the pharmacy, to let them know whether to ship, delay, or cancel the new prescription.

Refills on mail-order prescriptions. For refills of your drugs, you have the option to sign up for an automatic refill program. Under this program we will start to process your next refill automatically when our records show you should be close to running out of your drug. The pharmacy will contact you prior to shipping each refill to make sure you need more medication, and you can cancel scheduled refills if you have enough of your medication or if your medication has changed.

If you choose not to use our auto-refill program but still want the mail-order pharmacy to send you your prescription, please contact your pharmacy 14 business days before your current prescription will run out. This will ensure your order is shipped to you in time.

To opt out of our program that automatically prepares mail-order refills, please contact us.

If you receive a refill automatically by mail that you do not want, you may be eligible for a refund.

Section 2.4 How can you get a long-term supply of drugs?

When you get a long-term supply of drugs, your cost sharing may be lower. The plan offers two ways to get a long-term supply (also called an "extended supply") of "maintenance" drugs in our plan's Drug Guide. (Maintenance drugs are drugs that you take on a regular basis, for a chronic or long-term medical condition.)

1. Some retail pharmacies in our network allow you to get a long-term supply of maintenance drugs. Your *Provider Directory* tells you which pharmacies in our network can give you a long-term supply of maintenance drugs. You can also call Customer Care for more information.
2. You may also receive maintenance drugs through our mail-order program. Please see Section 2.3 for more information.

Section 2.5 When can you use a pharmacy that is not in the plan's network?

Your prescription may be covered in certain situations

Generally, we cover drugs filled at an out-of-network pharmacy *only* when you are not able to use a network pharmacy. To help you, we have network pharmacies outside of our service area where you can get your prescriptions filled as a member of our plan. **Please check first with Customer Care** to see if there is a network pharmacy nearby. You will most likely be required to pay the difference between what you pay for the drug at the out-of-network pharmacy and the cost that we would cover at an in-network pharmacy.

Here are the circumstances when we would cover prescriptions filled at an out-of-network pharmacy:

- **If you need a prescription because of a medical emergency**
 - We will cover prescriptions that are filled at an out-of-network pharmacy (up to a 30-day supply) if the prescriptions are related to care for a medical emergency. In this situation, you will have to pay the full cost (rather than paying just your copayment or coinsurance) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a paper claim form. If the prescription is covered, it will be covered at an out-of-network rate. If you go to an out-of-network pharmacy, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. (Chapter 7, Section 2.1 explains how to ask the plan to pay you back.)
- **If you need coverage while you are traveling away from the plan's service area**
 - If you take a prescription drug on a regular basis and you are going on a trip, be sure to check your supply of the drug before you leave. When possible, take along all the medication you will need. You may be able to order your prescription drugs ahead of time through our prescription mail-order service or through a network retail pharmacy that offers an extended supply. If you are traveling outside of your plan's service area but within the United States and territories and become ill, or run out of your prescription drugs, call Customer Care to find a network pharmacy in your area where you can fill your prescription. If a network pharmacy is not available, we will cover prescriptions that are filled at an out-of-network pharmacy (up to a 30-day supply) if you follow all other coverage rules identified within this document. In this situation, you will have to pay the full cost (rather than paying just your copayment or coinsurance) when you fill your prescription.
 - **If the prescription is covered, it will be covered at an out-of-network rate.** You may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. You can ask us to reimburse you for our share of the cost by submitting a paper claim form. (Chapter 7, Section 2.1 explains how to ask the plan to pay you back.)
 - **Please recognize, however, that multiple non-emergency occurrences of out-of-network pharmacy claims will result in claim denials. In addition, we cannot pay for any stolen medications or prescriptions that are filled by pharmacies outside the United States and territories, even for a medical emergency, for example on a cruise ship when outside of the United States.**

Other times you can get your prescription covered if you go to an out-of-network pharmacy. These situations will be covered at an out-of-network rate. In these situations, you will have to pay the full cost (rather than paying just your copayment or coinsurance) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a paper claim form. If you go to an out-of-network pharmacy or provider, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. (Chapter 7, Section 2.1 explains how to ask the plan to pay you back.) We will cover your prescription at an out-of-network pharmacy if at least one of the following applies:

- You can't get a covered drug that you need immediately because there are no open in-network pharmacies within a reasonable driving distance
- Your prescription is for a specialty drug in-network pharmacies don't usually keep in stock
- You were eligible for Medicaid at the time you got the prescription, even if you weren't enrolled yet. This is called retroactive enrollment

- You're evacuated from your home because of a state, federal, or public health emergency and don't have access to an in-network pharmacy
- If you get a covered prescription drug from an institutional based pharmacy while a patient in an emergency room, provider based clinic, outpatient surgery clinic, or other outpatient setting.

How do you ask for reimbursement from the plan?

If you must use an out-of-network pharmacy, you will generally have to pay the full cost (rather than your normal cost share) at the time you fill your prescription. You can ask us to reimburse you for our share of the cost. (Chapter 7, Section 2.1 explains how to ask the plan to pay you back.)

SECTION 3 Your drugs need to be in the plan's "Drug Guide"

Section 3.1 The "Drug Guide" tells which Part D drugs are covered

The plan has a *"Prescription Drug Guide (Formulary)."* In this *Evidence of Coverage*, **we call it the "Drug Guide" for short.**

The drugs on this list are selected by the plan with the help of a team of doctors and pharmacists. The list meets Medicare's requirements and has been approved by Medicare.

The drugs in the Drug Guide are only those covered under Medicare Part D.

We will generally cover a drug in the plan's Drug Guide as long as you follow the other coverage rules explained in this chapter and the use of the drug is a medically accepted indication. A "medically accepted indication" is a use of the drug that is *either*:

- Approved by the Food and Drug Administration for the diagnosis or condition for which it is being prescribed.
- -- or --Supported by certain references, such as the American Hospital Formulary Service Drug Information and the DRUGDEX Information System.

The Drug Guide includes brand name drugs, generic drugs, and biosimilars.

A brand name drug is a prescription drug that is sold under a trademarked name owned by the drug manufacturer. Brand name drugs that are more complex than typical drugs (for example drugs that are based on a protein) are called biological products. In the Drug Guide, when we refer to "drugs" this could mean a drug or biological product.

A generic drug is a prescription drug that has the same active ingredients as the brand name drug. Since biological products are more complex than typical drugs, instead of having a generic form, they have alternatives that are called biosimilars. Generally, generics and biosimilars work just as well as the brand name drug or biological product and usually cost less. There are generic drug substitutes or biosimilar alternatives available for many brand name drugs and some biological products.

Over-the-Counter Drugs

Our plan also covers certain over-the-counter drugs. Some over-the-counter drugs are less expensive than prescription drugs and work just as well. For more information, call Customer Care.

What is *not* in the Drug Guide?

The plan does not cover all prescription drugs.

- In some cases, the law does not allow any Medicare plan to cover certain types of drugs (for more about this, see Section 7.1 in this chapter).
- In other cases, we have decided not to include a particular drug in the Drug Guide. In some cases, you may be able to obtain a drug that is not in the Drug Guide. For more information, please see Chapter 9.

Section 3.2 There are five "cost-sharing tiers" for drugs in the Drug Guide

Every drug in the plan's Drug Guide is in one of five cost-sharing tiers. In general, the higher the cost-sharing tier, the higher your cost for the drug:

- **Cost-Sharing Tier 1 – Preferred Generic:** Generic or brand drugs that are available at the lowest cost share for this plan
- **Cost-Sharing Tier 2 – Generic:** Generic or brand drugs that the plan offers at a higher cost to you than Tier 1 Preferred Generic drugs
- **Cost-Sharing Tier 3 – Preferred Brand:** Generic or brand drugs that the plan offers at a lower cost to you than Tier 4 Non-Preferred Drug drugs. Select Insulins as part of the **Insulins Savings Program** are included on this tier. You can identify Select Insulins by the "**ISP**" indicator in the Drug Guide.
- **Cost-Sharing Tier 4 – Non-Preferred Drug:** Generic or brand drugs that the plan offers at a higher cost to you than Tier 3 Preferred Brand drugs
- **Cost-Sharing Tier 5 – Specialty Tier:** Some injectables and other high-cost drugs

To find out which cost-sharing tier your drug is in, look it up in the plan's Drug Guide.

The amount you pay for drugs in each cost-sharing tier is shown in Chapter 6 (*What you pay for your Part D prescription drugs*).

Section 3.3 How can you find out if a specific drug is in the Drug Guide?

You have three ways to find out:

1. Check the most recent Drug Guide we provided electronically. (Please note: The Drug Guide we provide includes information for the covered drugs that are most commonly used by our members. However, we cover additional drugs that are not included in the provided Drug Guide. If one of your drugs is not listed in the Drug Guide, you should visit our website or contact Customer Care to find out if we cover it.)
2. Visit the plan's website (**Humana.com/PlanDocuments**). The Drug Guide on the website is always the most current.
3. Call Customer Care to find out if a particular drug is in the plan's Drug Guide or to ask for a copy of the list.

SECTION 4 There are restrictions on coverage for some drugs

Section 4.1 Why do some drugs have restrictions?
--

For certain prescription drugs, special rules restrict how and when the plan covers them. A team of doctors and pharmacists developed these rules to encourage you and your provider to use drugs in the most effective ways. To find out if any of these restrictions apply to a drug that you take or want to take, check the Drug Guide. If a safe, lower-cost drug will work just as well medically as a higher-cost drug, the plan's rules are designed to encourage you and your provider to use that lower-cost option.

Please note that sometimes a drug may appear more than once in our Drug Guide. This is because the same drugs can differ based on strength, amount, or form of the drug prescribed by your health care provider, and different restrictions or cost sharing may apply to the different versions of the drug (for instance, 10 mg versus 100 mg; one per day versus two per day; tablet versus liquid).

Section 4.2 What kinds of restrictions?

The sections below tell you more about the types of restrictions we use for certain drugs.

If there is a restriction for your drug, it usually means that you or your provider will have to take extra steps in order for us to cover the drug. Contact Customer Care to learn what you or your provider would need to do to get coverage for the drug. If you want us to waive the restriction for you, you will need to use the coverage decision process and ask us to make an exception. We may or may not agree to waive the restriction for you. (See Chapter 9)

Restricting brand name drugs when a generic version is available

Generally, a "generic" drug works the same as a brand name drug and usually costs less. **When a generic version of a brand name drug is available, our network pharmacies will provide you the generic version instead of the brand name drug.** However, if your provider has told us the medical reason that neither the generic drug nor other covered drugs that treat the same condition will work for you, then we will cover the brand name drug. (Your share of the cost may be greater for the brand name drug than for the generic drug.)

Getting plan approval in advance

For certain drugs, you or your provider need to get approval from the plan before we will agree to cover the drug for you. This is called "**prior authorization**." This is put in place to ensure medication safety and help guide appropriate use of certain drugs. If you do not get this approval, your drug might not be covered by the plan.

Trying a different drug first

This requirement encourages you to try less costly but usually just as effective drugs before the plan covers another drug. For example, if Drug A and Drug B treat the same medical condition, the plan may require you to try Drug A first. If Drug A does not work for you, the plan will then cover Drug B. This requirement to try a different drug first is called "**step therapy**."

Quantity limits

For certain drugs, we limit how much of a drug you can get each time you fill your prescription. For example, if it is normally considered safe to take only one pill per day for a certain drug, we may limit coverage for your prescription to no more than one pill per day.

SECTION 5 What if one of your drugs is not covered in the way you'd like it to be covered?

Section 5.1	There are things you can do if your drug is not covered in the way you'd like it to be covered
--------------------	---

There are situations where there is a prescription drug you are taking, or one that you and your provider think you should be taking that is not on our formulary or is on our formulary with restrictions. For example:

- The drug might not be covered at all. Or maybe a generic version of the drug is covered but the brand name version you want to take is not covered.
- The drug is covered, but there are extra rules or restrictions on coverage for that drug, as explained in Section 4.
- The drug is covered, but it is in a cost-sharing tier that makes your cost sharing more expensive than you think it should be.
- There are things you can do if your drug is not covered in the way that you'd like it to be covered. If your drug is not in the Drug Guide or if your drug is restricted, go to Section 5.2 to learn what you can do.
- If your drug is in a cost-sharing tier that makes your cost more expensive than you think it should be, go to Section 5.3 to learn what you can do.

Section 5.2	What can you do if your drug is not in the Drug Guide or if the drug is restricted in some way?
--------------------	--

If your drug is not in the Drug Guide or is restricted, here are options:

- You may be able to get a temporary supply of the drug.
- You can change to another drug.
- You can request an exception and ask the plan to cover the drug or remove restrictions from the drug.

You may be able to get a temporary supply

Under certain circumstances, the plan must provide a temporary supply of a drug that you are already taking. This temporary supply gives you time to talk with your provider about the change in coverage and decide what to do.

To be eligible for a temporary supply, the drug you have been taking **must no longer be in the plan's Drug Guide OR is now restricted in some way.**

- **If you are a new member**, we will cover a temporary supply of your drug during the first **90 days** of your membership in the plan.
- **If you were in the plan last year**, we will cover a temporary supply of your drug during the first **90 days** of the calendar year.
- This temporary supply will be for a maximum of 30 days. If your prescription is written for fewer days, we will allow multiple fills to provide up to a maximum of a 30-day supply of medication. The prescription must be filled at a network pharmacy. (Please note that the long-term care pharmacy may provide the drug in smaller amounts at a time to prevent waste.)
- **For those members who have been in the plan for more than 90 days and reside in a long-term care facility and need a supply right away:**

We will cover one emergency 31-day supply of a particular drug, or less if your prescription is written for fewer days. This is in addition to the above temporary supply.

- **Transition Supply for Current Members with changes in treatment setting:**
If the setting where you receive treatment changes during the plan year, you may need a short-term supply of your drugs during the transition. For example:
 - You're discharged from a hospital or skilled nursing facility (where your Medicare Part A payments include drug costs) and need a prescription from a pharmacy to continue taking a drug at home (using your Part D plan benefit); or
 - You transfer from one skilled nursing facility to another

If you do change treatment settings and need to fill a prescription at a pharmacy, we'll cover up to a 31-day supply of a drug covered by Medicare Part D, so your drug treatment won't be interrupted.

If you change treatment settings multiple times within the same month, you may have to request an exception or prior authorization for continued coverage of your drug.

Policies for Temporary Drug Supplies During the Transition Period

We consider the first 90 days of the 2023 plan year a transition period if you're a new member, you changed plans, or there were changes in your drug coverage. As described above, there are several ways we make sure you can get a temporary supply of your drugs, if needed, during the transition period.

During the first 90 days, you can get a temporary supply if you have a current prescription for a drug that's not in our Drug Guide or requires prior authorization because of restrictions. The conditions for getting a temporary supply are described below.

One-Time Transition Supply at a Retail or Mail-Order Pharmacy

We'll cover up to a 30-day supply of a drug covered by Medicare Part D. While you have your temporary supply, talk to your doctor about what to do after you use the temporary supply. You may be able to switch to a covered drug that would work just as well for you. You and your doctor can request an exception if you believe it's medically necessary to continue the same drug.

Transition Supply if you're in a Long-Term Care Facility

We'll cover up to a 31-day supply of a drug covered by Medicare Part D. This coverage is available anytime during the 90 day transition period, as long as your current prescription is filled at a pharmacy in a long-term care facility.

If you have a problem getting a prescribed drug later in the plan year (after the 90 day transition period), we'll cover up to a 31-day emergency supply of a drug covered by Medicare Part D. The emergency supply will let you continue your drug treatment while you and your doctor request an exception or prior authorization to continue.

Transition Period Extension

If you have requested an exception or made an appeal for drug coverage, it may be possible to extend the temporary transition period while we're processing your request. Call Customer Care (phone numbers are printed on the back cover of this booklet) if you believe we need to extend the transition period to make sure you continue to receive your drugs as needed.

Costs for Temporary Supplies

Your copayment or coinsurance for a temporary drug supply will be based on your plan's approved drug cost-sharing tiers. If you're eligible for the low-income subsidy (LIS) in 2023, your copayment or coinsurance won't exceed your LIS limit.

For questions about a temporary supply, call Customer Care.

During the time when you are using a temporary supply of a drug, you should talk with your provider to decide what to do when your temporary supply runs out. You have two options:

1. You can change to another drug

Talk with your provider about whether there is a different drug covered by the plan that may work just as well for you. You can call Customer Care to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you.

2. You can ask for an exception

You and your provider can ask the plan to make an exception and cover the drug in the way you would like it covered. If your provider says that you have medical reasons that justify asking us for an exception, your provider can help you request an exception. For example, you can ask the plan to cover a drug even though it is not in the plan's Drug Guide. Or you can ask the plan to make an exception and cover the drug without restrictions.

If you are a current member and a drug you are taking will be removed from the formulary or restricted in some way for next year, we will tell you about any change prior to the new year. You can ask for an exception before next year and we will give you an answer within 72 hours after we receive your request (or your prescriber's supporting statement). If we approve your request, we will authorize the coverage before the change takes effect.

If you and your provider want to ask for an exception, Chapter 9, Section 6.4 tells you what to do. It explains the procedures and deadlines that have been set by Medicare to make sure your request is handled promptly and fairly.

Section 5.3 What can you do if your drug is in a cost-sharing tier you think is too high?

If your drug is in a cost-sharing tier you think is too high, here are things you can do:

You can change to another drug

If your drug is in a cost-sharing tier you think is too high, talk to your provider. There may be a different drug in a lower cost-sharing tier that might work just as well for you. Call Customer Care to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you.

You can ask for an exception

You and your provider can ask the plan to make an exception in the cost-sharing tier for the drug so that you pay less for it. If your provider says that you have medical reasons that justify asking us for an exception, your provider can help you request an exception to the rule.

If you and your provider want to ask for an exception, Chapter 9, Section 6.4 tells what to do. It explains the procedures and deadlines that have been set by Medicare to make sure your request is handled promptly and fairly.

Drugs in our Specialty Tier are not eligible for this type of exception. We do not lower the cost-sharing amount for drugs in this tier.

SECTION 6 What if your coverage changes for one of your drugs?

Section 6.1 The Drug Guide can change during the year

Most of the changes in drug coverage happen at the beginning of each year (January 1). However, during the year, the plan can make some changes to the Drug Guide. For example, the plan might:

- **Add or remove drugs from the Drug Guide.**
- **Move a drug to a higher or lower cost-sharing tier.**
- **Add or remove a restriction on coverage for a drug.**
- **Replace a brand name drug with a generic drug.**

We must follow Medicare requirements before we change the plan's Drug Guide.

Section 6.2 What happens if coverage changes for a drug you are taking?

Information on changes to drug coverage

When changes to the Drug Guide occur, we post information on our website about those changes. We also update our online Drug Guide on a regularly scheduled basis. Below we point out the times that you would get direct notice if changes are made to a drug that you are taking.

Changes to your drug coverage that affect you during the current plan year

- **A new generic drug replaces a brand name drug in the Drug Guide (or we change the cost-sharing tier or add new restrictions to the brand name drug or both)**
 - We may immediately remove a brand name drug in our Drug Guide if we are replacing it with a newly approved generic version of the same drug. The generic drug will appear on the same or lower cost-sharing tier and with the same or fewer restrictions. We may decide to keep the brand name drug in our Drug Guide, but immediately move it to a higher cost sharing tier or add new restrictions or both when the new generic is added.
 - We may not tell you in advance before we make that change—even if you are currently taking the brand name drug. If you are taking the brand name drug at the time we make the change, we will provide you with information about the specific change(s). This will also include information on the steps you may take to request an exception to cover the brand name drug. You may not get this notice before we make the change.
 - You or your prescriber can ask us to make an exception and continue to cover the brand name drug for you. For information on how to ask for an exception, see Chapter 9.
- **Unsafe drugs and other drugs in the Drug Guide that are withdrawn from the market**
 - Sometimes a drug may be deemed unsafe or taken off the market for another reason. If this happens, we may immediately remove the drug from the Drug Guide. If you are taking that drug, we will tell you right away.
 - Your prescriber will also know about this change and can work with you to find another drug for your condition.
- **Other changes to drugs in the Drug Guide**
 - We may make other changes once the year has started that affect drugs you are taking. For example, we might add a generic drug that is not new to the market to replace a brand name drug in the Drug Guide or change the cost-sharing tier or add new restrictions to the brand name drug or both. We also might make changes based on FDA boxed warnings or new clinical guidelines recognized by Medicare.
 - For these changes, we must give you at least 30 days' advance notice of the change or give you notice of the change and a 30-day refill of the drug you are taking at a network pharmacy.
 - After you receive notice of the change, you should work with your provider to switch to a different drug that we cover or to satisfy any new restrictions on the drug you are taking.
 - You or your prescriber can ask us to make an exception and continue to cover the drug for you. For information on how to ask for an exception, see Chapter 9.

Changes to the Drug Guide that do not affect you during this plan year

We may make certain changes to the Drug Guide that are not described above. In these cases, the changes will not apply to you if you are taking the drug when the change is made; however, these changes will likely affect you starting January 1 of the next plan year if you stay in the same plan.

In general, changes that will not affect you during the current plan year are:

- We move your drug into a higher cost-sharing tier.

- We put a new restriction on use of your drug.
- We remove your drug from the Drug Guide.

If any of these changes happen for a drug you are taking (except for market withdrawal, a generic drug replacing a brand name drug, or other change noted in the sections above), then the change won't affect your use or what you pay as your share of the cost until January 1 of the next year. Until that date, you probably won't see any increase in your payments or restrictions to your use of the drug.

We will not tell you about these types of changes directly during the current plan year. You will need to check the Drug Guide for the next plan year (when the list is available during the open enrollment period) to see if there are any changes to the drugs you are taking that will impact you during the next plan year.

SECTION 7 What types of drugs are *not* covered by the plan?

Section 7.1 Types of drugs we do not cover
--

This section tells you what kinds of prescription drugs are "excluded." This means Medicare does not pay for these drugs.

If you get drugs that are excluded, you must pay for them yourself (except for certain excluded drugs covered under our enhanced drug coverage). If you appeal and the requested drug is found not to be excluded under Part D, we will pay for or cover it. (For information about appealing a decision, go to Chapter 9.)

Here are three general rules about drugs that Medicare drug plans will not cover under Part D:

- Our plan's Part D drug coverage cannot cover a drug that would be covered under Medicare Part A or Part B.
- Our plan cannot cover a drug purchased outside the United States or its territories.
- Our plan usually cannot cover off-label use. "Off-label use" is any use of the drug other than those indicated on a drug's label as approved by the Food and Drug Administration.
 - Coverage for "off-label use" is allowed only when the use is supported by certain references, such as the American Hospital Formulary Service Drug Information and the DRUGDEX Information System.

In addition, by law, the following categories of drugs are not covered by Medicare drug plans. (Our plan covers certain drugs listed below through our enhanced drug coverage, for which you may be charged an additional premium. More information is provided below.):

- Non-prescription drugs (also called over-the-counter drugs)
- Drugs used to promote fertility
- Drugs used for the relief of cough or cold symptoms
- Drugs used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
- Drugs used for the treatment of sexual or erectile dysfunction

- Drugs used for treatment of anorexia, weight loss, or weight gain
- Outpatient drugs for which the manufacturer seeks to require that associated tests or monitoring services be purchased exclusively from the manufacturer as a condition of sale

We offer additional coverage of some prescription drugs (enhanced drug coverage) not normally covered in a Medicare prescription drug plan.

- Erectile Dysfunction drugs
- Anti-Obesity Medication
- Prescription Vitamins

The amount you pay for these drugs does not count towards qualifying you for the Catastrophic Coverage Stage. (The Catastrophic Coverage Stage is described in Chapter 6, Section 7 of this document.)

In addition, if you are **receiving "Extra Help"** to pay for your prescriptions, the "Extra Help" program will not pay for the drugs not normally covered. However, if you have drug coverage through Medicaid, your state Medicaid program may cover some prescription drugs not normally covered in a Medicare drug plan. Please contact your state Medicaid program to determine what drug coverage may be available to you. (You can find phone numbers and contact information for Medicaid in Chapter 2, Section 6.)

SECTION 8 Filling a prescription

Section 8.1 Provide your membership information

To fill your prescription, provide your plan membership information, which can be found on your membership card, at the network pharmacy you choose. The network pharmacy will automatically bill the plan for *our* share of your drug cost. You will need to pay the pharmacy *your* share of the cost when you pick up your prescription.

Section 8.2 What if you don't have your membership information with you?
--

If you don't have your plan membership information with you when you fill your prescription, you or the pharmacy can call the plan to get the necessary information.

If the pharmacy is not able to get the necessary information, **you may have to pay the full cost of the prescription when you pick it up.** (You can then **ask us to reimburse you** for our share. See Chapter 7, Section 2 for information about how to ask the plan for reimbursement.)

SECTION 9 Part D drug coverage in special situations

Section 9.1 What if you're in a hospital or a skilled nursing facility for a stay that is covered by the plan?

If you are admitted to a hospital or to a skilled nursing facility for a stay covered by the plan, we will generally cover the cost of your prescription drugs during your stay. Once you leave the hospital or skilled nursing facility, the plan will cover your prescription drugs as long as the drugs meet all of our rules for coverage described in this Chapter.

Section 9.2 What if you're a resident in a long-term care (LTC) facility?

Usually, a long-term care (LTC) facility (such as a nursing home) has its own pharmacy or uses a pharmacy that supplies drugs for all of its residents. If you are a resident of a LTC facility, you may get your prescription drugs through the facility's pharmacy or the one it uses, as long as it is part of our network.

Check your *Provider Directory* to find out if your LTC facility's pharmacy or the one that it uses is part of our network. If it isn't, or if you need more information or assistance, please contact Customer Care. If you are in an LTC facility, we must ensure that you are able to routinely receive your Part D benefits through our network of LTC pharmacies.

What if you're a resident in a long-term care (LTC) facility and need a drug that is not in our Drug Guide or is restricted in some way?

Please refer to Section 5.2 about a temporary or emergency supply.

Section 9.3 What if you're also getting drug coverage from an employer or retiree group plan?

If you currently have other prescription drug coverage through your (or your spouse's) employer or retiree group please contact **that group's benefits administrator**. He or she can help you determine how your current prescription drug coverage will work with our plan.

In general, if you have employee or retiree group coverage, the drug coverage you get from us will be *secondary* to your group coverage. That means your group coverage would pay first.

Special note about 'creditable coverage':

Each year your employer or retiree group should send you a notice that tells if your prescription drug coverage for the next calendar year is "creditable."

If the coverage from the group plan is "**creditable**," it means that the plan has drug coverage that is expected to pay, on average, at least as much as Medicare's standard prescription drug coverage.

Keep this notice about creditable coverage because you may need it later. If you enroll in a Medicare plan that includes Part D drug coverage, you may need these notices to show that you have maintained creditable coverage. If you didn't get the creditable coverage notice, request a copy from your employer or retiree group's benefits administrator or the employer or union.

Section 9.4 What if you're in Medicare-certified hospice?

Hospice and our plan do not cover the same drug at the same time. If you are enrolled in Medicare hospice and require certain drugs (e.g., anti-nausea, laxative, pain medication or anti-anxiety drugs) that are not covered by your hospice because it is unrelated to your terminal illness and related conditions, our plan must receive notification from either the prescriber or your hospice provider that the drug is unrelated before our plan can cover the drug. To prevent delays in receiving these drugs that should be covered by our plan, ask your hospice provider or prescriber to provide notification before your prescription is filled.

In the event you either revoke your hospice election or are discharged from hospice our plan should cover your drugs as explained in this document. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, bring documentation to the pharmacy to verify your revocation or discharge.

SECTION 10 Programs on drug safety and managing medications

Section 10.1 Programs to help members use drugs safely

We conduct drug use reviews for our members to help make sure that they are getting safe and appropriate care.

We do a review each time you fill a prescription. We also review our records on a regular basis. During these reviews, we look for potential problems such as:

- Possible medication errors
- Drugs that may not be necessary because you are taking another drug to treat the same condition
- Drugs that may not be safe or appropriate because of your age or gender
- Certain combinations of drugs that could harm you if taken at the same time
- Prescriptions for drugs that have ingredients you are allergic to
- Possible errors in the amount (dosage) of a drug you are taking
- Unsafe amounts of opioid pain medications

If we see a possible problem in your use of medications, we will work with your provider to correct the problem.

Section 10.2 Drug Management Program (DMP) to help members safely use their opioid medications

We have a program that helps make sure members safely use prescription, opioids and other medications that are frequently abused medications. This program is called a Drug Management Program (DMP). If you use opioid medications that you get from several doctors or pharmacies, or if you had a recent opioid overdose, we may talk to your doctors to make sure your use of opioid medications is appropriate and medically necessary. Working with your doctors, if we decide your use of prescription opioid or benzodiazepine medications is not safe, we may limit how you can get those medications. If we place you in our DMP, the limitations may be:

- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain pharmacy(ies)
- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain doctor(s)
- Limiting the amount of opioid or benzodiazepine medications we will cover for you

If we plan on limiting how you may get these medications or how much you can get, we will send you a letter in advance. The letter will explain the limitations we think should apply to you. You will also have an opportunity to tell us which doctors or pharmacies you prefer to use, and about any other information you think is important for us to know. After you've had the opportunity to respond, if we decide to limit your coverage for these medications, we will send you another letter confirming the limitation. If you think we made a mistake or you disagree with our determination or with limitation, you and your prescriber have the right to appeal. If you appeal, we will review your case and give you a decision. If we continue to deny any part of your request related to the limitations that apply to your access to medications, we will automatically send your case to an independent reviewer outside of our plan. See Chapter 9 for information about how to ask for an appeal.

You will not be placed in our DMP if you have certain medical conditions, such as active cancer-related pain or sickle cell disease, you are receiving hospice, palliative, or end-of-life care, or live in a long-term care facility.

Section 10.3	Medication Therapy Management (MTM) and other programs to help members manage their medications
---------------------	--

We have programs that can help our members with complex health needs.

One program is called a Medication Therapy Management (MTM) program. These programs are voluntary and free. A team of pharmacists and doctors developed the programs for us to help make sure that our members get the most benefit from the drugs they take.

Some members who take medications for different medical conditions and have high drug costs, or are in a DMP to help members use their opioids safely may be able to get services through a MTM program. A pharmacist or other health professional will give you a comprehensive review of all your medications. During the review, you can talk about your medications, your costs, and any problems or questions you have about your prescription and over-the-counter medications. You'll get a written summary which has a recommended to-do list that includes steps you should take to get the best results from your medications. You'll also get a medication list that will include all the medications you're taking, how much you take, and when and why you take them. In addition, members in the MTM program will receive information on the safe disposal of prescription medications that are controlled substances.

It's a good idea to talk to your doctor about your recommended to-do list and medication list. Bring the summary with you to your visit or anytime you talk with your doctors, pharmacists, and other health care providers. Also, keep your medication list up to date with you (for example, with your ID) in case you go to the hospital or emergency room.

If we have a program that fits your needs, we will automatically enroll you in the program and send you information. If you decide not to participate, please notify us and we will withdraw you. If you have any questions about these programs, please contact Customer Care.

CHAPTER 6:

What you pay for your Part D prescription drugs

Are you currently getting help to pay for your drugs?

If you are in a program that helps pay for your drugs, **some information in this Evidence of Coverage about the costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the "Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs" (also known as the "Low Income Subsidy Rider" or the "LIS Rider"), which tells you about your drug coverage. If you don't have this insert, please call Customer Care and ask for the "LIS Rider." Your LIS rider may not explain enhanced insulin coverage that is now part of this plan. Under this plan you will pay no more than \$35 for a one-month (up to 30-day) supply of Part D covered insulin even if you receive "Extra Help".

SECTION 1 Introduction

Section 1.1	Use this chapter together with other materials that explain your drug coverage
--------------------	---

This chapter focuses on what you pay for Part D prescription drugs. To keep things simple, we use "drug" in this chapter to mean a Part D prescription drug. As explained in Chapter 5, not all drugs are Part D drugs – some drugs are covered under Medicare Part A or Part B and other drugs are excluded from Medicare coverage by law.

To understand the payment information, you need to know what drugs are covered, where to fill your prescriptions, and what rules to follow when you get your covered drugs. Chapter 5, Sections 1 through 4 explain these rules.

Section 1.2	Types of out-of-pocket costs you may pay for covered drugs
--------------------	---

There are different types of out-of-pocket costs for Part D drugs. The amount that you pay for a drug is called "cost sharing" and there are three ways you may be asked to pay.

- The "**deductible**" is the amount you pay for drugs before our plan begins to pay its share.
- "**Copayment**" is a fixed amount you pay each time you fill a prescription.
- "**Coinsurance**" is a percentage of the total cost you pay each time you fill a prescription.

Section 1.3	How Medicare calculates your out-of-pocket costs
--------------------	---

Medicare has rules about what counts and what does *not* count toward your out-of-pocket costs. Here are the rules we must follow to keep track of your out-of-pocket costs.

These payments are included in your out-of-pocket costs

Your out-of-pocket costs include the payments listed below (as long as they are for Part D covered drugs, and you followed the rules for drug coverage that are explained in Chapter 5):

- The amount you pay for drugs when you are in any of the following drug payment stages:

Chapter 6. What you pay for your Part D prescription drugs

- The Initial Coverage Stage
- The Coverage Gap Stage
- Any payments you made during this calendar year as a member of a different Medicare prescription drug plan before you joined our plan.

It matters who pays:

- If you make these payments **yourself**, they are included in your out-of-pocket costs.
- These payments are *also included* if they are made on your behalf by **certain other individuals or organizations**. This includes payments for your drugs made by a friend or relative, by most charities, by AIDS drug assistance programs, by a State Pharmaceutical Assistance Program that is qualified by Medicare, or by the Indian Health Service. Payments made by Medicare's "Extra Help" Program are also included.
- Some of the payments made by the Medicare Coverage Gap Discount Program are included. The amount the manufacturer pays for your brand name drugs is included. But the amount the plan pays for your generic drugs is not included.

Moving on to the Catastrophic Coverage Stage:

When you (or those paying on your behalf) have spent a total of **\$7,400** in out-of-pocket costs within the calendar year, you will move from the Coverage Gap Stage to the Catastrophic Coverage Stage.

These payments are not included in your out-of-pocket costs

Your out-of-pocket costs **do not include** any of these types of payments:

- Your monthly premium
- Drugs you buy outside the United States and its territories.
- Drugs that are not covered by our plan.
- Drugs you get at an out-of-network pharmacy that do not meet the plan's requirements for out-of-network coverage.
- Prescription drugs covered by Part A or Part B.
- Payments you make toward drugs covered under our additional coverage but not normally covered in a Medicare Prescription Drug Plan.
- Payments you make toward prescription drugs not normally covered in a Medicare Prescription Drug Plan.
- Payments made by the plan for your brand or generic drugs while in the Coverage Gap.
- Payments for your drugs that are made by group health plans including employer health plans.
- Payments for your drugs that are made by certain insurance plans and government-funded health programs such as TRICARE and Veterans Affairs.

- Payments for your drugs made by a third-party with a legal obligation to pay for prescription costs (for example, Workers' Compensation).

Reminder: If any other organization such as the ones listed above pays part or all of your out-of-pocket costs for drugs, you are required to tell our plan by calling Customer Care.

How can you keep track of your out-of-pocket total?

- **We will help you.** The *SmartSummary* you receive includes the current amount of your out-of-pocket costs. When this amount reaches **\$7,400**, this report will tell you that you have left the Coverage Gap Stage and have moved on to the Catastrophic Coverage Stage.
- **Make sure we have the information we need.** Section 3.2 tells what you can do to help make sure that our records of what you have spent are complete and up to date.

SECTION 2

What you pay for a drug depends on which "drug payment stage" you are in when you get the drug

Section 2.1	What are the drug payment stages for HumanaChoice H5216-063 (PPO) members?
-------------	--

There are four “drug payment stages” for your prescription drug coverage under HumanaChoice H5216-063 (PPO). How much you pay depends on what stage you are in when you get a prescription filled or refilled. Details of each stage are in Sections 4 through 7 of this chapter. The stages are:

- Stage 1: Yearly Deductible Stage
- Stage 2: Initial Coverage Stage
- Stage 3: Coverage Gap Stage
- Stage 4: Catastrophic Coverage Stage

Important Message About What You Pay for Insulin - You won't pay more than \$35 for a one-month (up to 30-day) supply of each Part D insulin product covered by our plan, no matter what cost-sharing tier it's on. This applies to all Part D covered insulins, including the Select Insulins covered under the Insulin Savings Program as described below. If you receive “Extra Help”, you will still pay no more than \$35 for a one-month supply for each Part D covered insulin. Please see your Prescription Drug Guide to find all Part D insulins covered by your plan.

SECTION 3 We send you reports that explain payments for your drugs and which payment stage you are in

Section 3.1 We send you a monthly summary called the *SmartSummary*

Our plan keeps track of the costs of your prescription drugs and the payments you have made when you get your prescriptions filled or refilled at the pharmacy. This way, we can tell you when you have moved from one drug payment stage to the next. In particular, there are two types of costs we keep track of:

- We keep track of how much you have paid. This is called your "**out-of-pocket**" cost.
- We keep track of your "**total drug costs.**" This is the amount you pay out-of-pocket, or others pay on your behalf plus the amount paid by the plan.

If you have had one or more prescriptions filled through the plan during the previous month, we will send you a *SmartSummary*. The *SmartSummary* includes:

- **Information for that month.** This report gives the payment details about the prescriptions you have filled during the previous month. It shows the total drug costs, what the plan paid, and what you and others on your behalf paid.
- **Totals for the year since January 1.** This is called "year-to-date" information. It shows the total drug costs and total payments for your drugs since the year began.
- **Drug price information.** This information will display the total drug price, and information about increases in price from first fill for each prescription claim of the same quantity.
- **Available lower cost alternative prescriptions.** This will include information about other available drugs with lower cost sharing for each prescription claim.

Section 3.2 Help us keep our information about your drug payments up to date

To keep track of your drug costs and the payments you make for drugs, we use records we get from pharmacies. Here is how you can help us keep your information correct and up to date:

- **Show your membership card every time you get a prescription filled.** This helps us make sure we know about the prescriptions you are filling and what you are paying.
- **Make sure we have the information we need.** There are times you may pay for the entire cost of a prescription drug. In these cases, we will not automatically get the information we need to keep track of your out-of-pocket costs. To help us keep track of your out-of-pocket costs, give us copies of your receipts. Here are examples of when you should give us copies of your drug receipts:
 - When you purchase a covered drug at a network pharmacy at a special price or using a discount card that is not part of our plan's benefit.
 - When you made a copayment for drugs that are provided under a drug manufacturer patient assistance program.

Chapter 6. What you pay for your Part D prescription drugs

- Any time you have purchased covered drugs at out-of-network pharmacies or other times you have paid the full price for a covered drug under special circumstances.
- If you are billed for a covered drug, you can ask our plan to pay our share of the cost. For instructions on how to do this, go to Chapter 7, Section 2.
- **Send us information about the payments others have made for you.** Payments made by certain other individuals and organizations also count toward your out-of-pocket costs. For example, payments made by a State Pharmaceutical Assistance Program, an AIDS drug assistance program (ADAP), the Indian Health Service, and most charities count toward your out-of-pocket costs. Keep a record of these payments and send them to us so we can track your costs.
- **Check the written report we send you.** When you receive the *SmartSummary* look it over to be sure the information is complete and correct. If you think something is missing or you have any questions, please call us at Customer Care. Be sure to keep these reports.

SECTION 4 There is no deductible for HumanaChoice H5216-063 (PPO)

There is no deductible for HumanaChoice H5216-063 (PPO). You begin in the Initial Coverage Stage when you fill your first prescription of the year. See Section 5 for information about your coverage in the Initial Coverage Stage.

SECTION 5 During the Initial Coverage Stage, the plan pays its share of your drug costs and you pay your share

Section 5.1	What you pay for a drug depends on the drug and where you fill your prescription
--------------------	---

During the Initial Coverage Stage, the plan pays its share of the cost of your covered prescription drugs, and you pay your share (your copayment or coinsurance amount). Your share of the cost will vary depending on the drug and where you fill your prescription.

The plan has five cost-sharing tiers

Every drug in the plan's Drug Guide is in one of five cost-sharing tiers. In general, the higher the cost-sharing tier number, the higher your cost for the drug:

- **Cost-Sharing Tier 1 – Preferred Generic:** Generic or brand drugs that are available at the lowest cost-share for this plan.
- **Cost-Sharing Tier 2 – Generic:** Generic or brand drugs that the plan offers at a higher cost to you than Tier 1 Preferred Generic drugs.
- **Cost-Sharing Tier 3 – Preferred Brand:** Generic or brand drugs that the plan offers at a lower cost to you than Tier 4 Non-Preferred Drug drugs.
- **Cost-Sharing Tier 4 – Non-Preferred Drug:** Generic or brand drugs that the plan offers at a higher cost to you than Tier 3 Preferred Brand drugs.

- **Cost-Sharing Tier 5 – Specialty Tier:** Some injectables and other high-cost drugs.

To find out which cost-sharing tier your drug is in, look it up in the plan's Drug Guide.

Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- A network retail pharmacy that offers standard cost sharing.
- A pharmacy that is not in the plan's network. We cover prescriptions filled at out-of-network pharmacies in only limited situations. Please see Chapter 5, Section 2.5 to find out when we will cover a prescription filled at an out-of-network pharmacy.
- The plan's mail-order pharmacy

For more information about these pharmacy choices and filling your prescriptions, see Chapter 5 and the plan's *Provider Directory*.

Section 5.2

A table that shows your costs for a one-month supply of a drug

During the Initial Coverage Stage, your share of the cost of a covered drug will be either a copayment or coinsurance.

As shown in the table below, the amount of the copayment or coinsurance depends on the cost-sharing tier.

Sometimes the cost of the drug is lower than your copayment. In these cases, you pay the lower price for the drug instead of the copayment.

Your share of the cost when you get a one-month supply of a covered Part D prescription drug:

Tier	Retail cost sharing (in-network) (up to a 30-day supply)	Standard mail-order cost sharing (in-network) (up to a 30-day supply)	Preferred mail-order cost sharing (in-network) (up to a 30-day supply)	Long-term care (LTC) cost sharing (in-network) (up to a 31-day supply)	*Out-of-network cost sharing (Coverage is limited to certain situations; see Chapter 5 for details.) (up to a 30-day supply)
Cost-Sharing Tier 1 Preferred Generic	\$0	\$10	\$0	\$0	\$0
Cost-Sharing Tier 2 Generic	\$5	\$20	\$5	\$5	\$5

Chapter 6. What you pay for your Part D prescription drugs

Tier	Retail cost sharing (in-network) (up to a 30-day supply)	Standard mail-order cost sharing (in-network) (up to a 30-day supply)	Preferred mail-order cost sharing (in-network) (up to a 30-day supply)	Long-term care (LTC) cost sharing (in-network) (up to a 31-day supply)	*Out-of-network cost sharing (Coverage is limited to certain situations; see Chapter 5 for details.) (up to a 30-day supply)
Cost-Sharing Tier 3 Preferred Brand	\$47	\$47	\$47	\$47	\$47
Cost-Sharing Tier 3 Insulin Savings Program Select Insulins	\$35	\$35	\$35	\$35	\$35
Cost-Sharing Tier 4 Non-Preferred Drug	\$100	\$100	\$100	\$100	\$100
Cost-Sharing Tier 5 Specialty Tier	33%	33%	33%	33%	33%

* You pay the in-network cost-share plus the difference between the in-network cost and the out-of-network cost for covered prescription drugs received from a non-network pharmacy.

Our plan covers most Part D vaccines at no cost to you. Call Customer Care for more information.

In addition to the cost sharing listed above for your Part D prescription drugs, the table below tells you what you will pay for a one-month (up to a 30-day) supply of Part D covered insulin while in the Initial Coverage Stage.

Tier	Retail cost sharing (in-network) (up to a 30-day supply)	Standard mail-order cost sharing (in-network) (up to a 30-day supply)	Preferred mail-order cost sharing (in-network) (up to a 30-day supply)	Long-term care (LTC) cost sharing (in-network) (up to a 31-day supply)	Out-of-network cost sharing (Coverage is limited to certain situations; see Chapter 5 for details.) (up to a 30-day supply)
Cost-Sharing Tier 5 Insulin	33% up to \$35	33% up to \$35	33% up to \$35	33% up to \$35	33% up to \$35

Section 5.3

If your doctor prescribes less than a full month's supply, you may not have to pay the cost of the entire month's supply

Typically, the amount you pay for a prescription drug covers a full month’s supply. There may be times when you or your doctor would like you to have less than a month’s supply of a drug (for example, when you are trying a medication for the first time). You can also ask your doctor to prescribe, and your pharmacist to dispense, less than a full month’s supply of your drugs, if this will help you better plan refill dates for different prescriptions.

- If you receive less than a full month’s supply of certain drugs, you will not have to pay for the full month’s supply.
- If you are responsible for coinsurance, you pay a *percentage* of the total cost of the drug. Since the coinsurance is based on the total cost of the drug, your cost will be lower since the total cost for the drug will be lower.
 - If you are responsible for a copayment for the drug, you will only pay for the number of days of the drug that you receive instead of the whole month. We will calculate the amount you pay per day for your drug (the “daily cost-sharing rate”) and multiply it by the number of days of the drug you receive.

Section 5.4

A table that shows your costs for a long-term (up to a 90-day) supply of a drug

For some drugs, you can get a long-term supply (also called an "extended supply"). A long-term supply is up to a 90-day supply.

Specialty drugs or other drugs deemed ineligible by the plan do not qualify for an extended supply. Please see your Prescription Drug Guide to find out what drugs are restricted.

The table below shows what you pay when you get a long-term supply of a drug.

- Sometimes the cost of the drug is lower than your copayment. In these cases, you pay the lower price for the drug instead of the copayment.

Your share of the cost when you get a *long-term* supply of a covered Part D prescription drug:

Tier	Retail cost sharing (in-network) (up to a 90-day supply)	Standard mail-order cost sharing (in-network) (up to a 90-day supply)	Preferred mail-order cost sharing (in-network) (up to a 90-day supply)
Cost-Sharing Tier 1 Preferred Generic	\$0	\$30	\$0
Cost-Sharing Tier 2 Generic	\$15	\$60	\$0
Cost-Sharing Tier 3 Preferred Brand	\$141	\$141	\$131

Section 5.5

You stay in the Initial Coverage Stage until your total drug costs for the year reach \$4,660

You stay in the Initial Coverage Stage until the total amount for the prescription drugs you have filled reaches the **\$4,660 limit for the Initial Coverage Stage**.

We offer additional coverage on some prescription drugs that are not normally covered in a Medicare Prescription Drug Plan. Payments made for these drugs will not count towards your initial coverage limit or total out-of-pocket costs.

The *SmartSummary* that you receive will help you keep track of how much you, the plan, and any third parties, have spent on your behalf for your drugs during the year. Many people do not reach the **\$4,660** limit in a year.

We will let you know if you reach this amount. If you do reach this amount, you will leave the Initial Coverage Stage and move on to the Coverage Gap Stage. See Section 1.3 on how Medicare calculates your out-of-pocket costs.

SECTION 6

Cost in the Coverage Gap Stage

Chapter 6. What you pay for your Part D prescription drugs

Our plan provides additional coverage after you leave the Initial Coverage Stage (described above) and enter the Medicare Coverage Gap Stage. The table below shows the drugs that are covered and your costs for a one-month supply.

For brand name drugs covered during your Coverage Gap Stage, you can get discounts from the drug makers through the Coverage Gap Discount Program. Through the program, you pay no more than **25%** of the plan price for brand name drugs. You may also have to pay some additional charges, such as dispensing or vaccine fees. The full plan fee (both the amount you pay and the discounted amount) count toward your total out-of-pocket-costs, which helps move you through the Coverage Gap Stage.

You also receive some coverage for generic drugs in the Coverage Gap. You pay no more than **25%** of the cost for generic drugs and the plan pays the rest. For generic drugs, the amount paid by the plan (**75%**) does not count toward your out-of-pocket costs. Only the amount you pay counts and moves you through the coverage gap.

If your out-of-pocket total reaches **\$7,400**, you'll enter the Catastrophic Coverage Stage, where your plan will pay most of the cost of your drugs for the rest of the year.

Medicare has rules about what counts and what does *not* count as your out-of-pocket costs (Section 1.3).

The table below shows what you pay when you get a *one-month* supply (or less) of a drug.

	Retail cost sharing (in-network) (up to a 30-day supply)	Standard mail-order cost sharing (in-network) (up to a 30-day supply)	Preferred mail-order cost sharing (in-network) (up to a 30-day supply)	Long-term care (LTC) cost sharing (in-network) (up to a 31-day supply)	*Out-of-network cost sharing (Coverage is limited to certain situations; see Chapter 5 for details.) Chapter 6. What you pay for your Part D prescription drugs

HumanaChoice H5216-063 (PPO) offers additional gap coverage for Select Insulins as part of the **Insulin Savings Program**. During the Coverage Gap stage, your out-of-pocket costs for Select Insulins will be **\$35 for a one-month (up to a 30-day) supply**. To find out which drugs are Select Insulins, review the most recent Drug Guide we provided electronically. You can identify Select Insulins by the **"ISP"** indicator in the Drug Guide. If you have questions about the Drug Guide, you can also call Customer Care (Phone numbers for Customer Care are printed on the back cover of this booklet).

Your plan also provides enhanced insulin coverage which means you will pay no more than \$35 for a one-month (up to 30-day) supply for all Part D insulins covered by our plan, including select insulins, no matter what cost-sharing tier it's on. The enhanced insulin coverage is available, even if you receive "Extra Help".

SECTION 7 During the Catastrophic Coverage Stage, the plan pays most of the cost for your drugs

You enter the Catastrophic Coverage Stage when your out-of-pocket costs have reached the **\$7,400** limit for the calendar year. Once you are in the Catastrophic Coverage Stage, you will stay in this payment stage until the end of the calendar year.

During this stage, the plan will pay most of the cost for your drugs. You will pay:

- **Your share** of the cost for a covered drug will be either coinsurance or a copayment, whichever is the *larger* amount:
 - *–either* – coinsurance of **5%** of the cost of the drug
 - *–or* – **\$4.15** copayment for a generic drug or a drug that is treated like a generic and **\$10.35** copayment for all other drugs.

Our plan covers most Part D vaccines at no cost to you. Call Customer Care for more information.

You won't pay more than \$35 for a one-month (up to 30-day) supply of each Part D insulin product covered by our plan, no matter what cost-sharing tier it's on.

Your Anti-Obesity Medication and Prescription Vitamins and Erectile Dysfunction drugs costs will be based on your cost-shares in the Initial Coverage Stage.

SECTION 8 Additional benefits information

Our plan offers additional benefits for the following:

- Select Erectile Dysfunction drugs are covered at Tier 1 cost-share based on location
- Select Anti-Obesity drugs are covered at Tier 2 cost-share based on location
- Select Prescription Vitamins are covered at Tier 1 cost-share based on location

Please refer to your Prescription Drug Guide for information about coverage of additional prescription drugs or call Customer Care if you have any questions. Dispensing limits may apply.

SECTION 9 Part D Vaccines. What you pay for depends on how and where you get them

Important Message About What You Pay for Vaccines - Our plan covers most Part D vaccines at no cost to you. Call Customer Care for more information.

There are two parts to our coverage of Part D vaccinations:

- The first part of coverage is the cost of **the vaccine itself**.
- The second part of coverage is for the cost of **giving you the vaccine**. (This is sometimes called the "administration" of the vaccine.)

Your costs for a Part D vaccination depend on three things:

1. The type of vaccine (what you are being vaccinated for).

- Some vaccines are considered medical benefits. (See the *Medical Benefits Chart*, (what is covered and what you pay) in Chapter 4.)
- Other vaccines are considered Part D drugs. You can find these vaccines listed in the plan's *Drug Guide (Formulary)*.

2. Where you get the vaccine.

- The vaccine itself may be dispensed by a pharmacy or provided by the doctor's office.

3. Who gives you the vaccine.

- A pharmacist may give you the vaccine in the pharmacy, or another provider may give it in the doctor's office.

What you pay at the time you get the Part D vaccination can vary depending on the circumstances and what Drug Stage you are in.

- Sometimes when you get a vaccination, you have to pay for the entire cost for both the vaccine itself and the cost for the provider to give you the vaccine. You can ask our plan to pay you back for our share of the cost.
- Other times, when you get the vaccination, you will pay only your share of the cost under your Part D benefit.

Below are three examples of ways you might get a Part D vaccine.

Situation 1: You get your vaccination at the network pharmacy. (Whether you have this choice depends on where you live. Some states do not allow pharmacies to give vaccines.)

- You will pay the pharmacy your coinsurance or copayment for the vaccine itself which includes the cost of giving you the vaccine.
- Our plan will pay the remainder of the costs.

Situation 2: You get the Part D vaccination at your doctor's office.

Chapter 6. What you pay for your Part D prescription drugs

- When you get the vaccine, you will pay for the entire cost of the vaccine itself and the cost for the provider to give it to you.
- You can then ask our plan to pay our share of the cost by using the procedures that are described in Chapter 7.
- You will be reimbursed the amount you paid less your normal coinsurance or copayment for the vaccine (including administration) less any difference between the amount the doctor charges and what we normally pay. (If you get "Extra Help," we will reimburse you for this difference.)

Situation 3: You buy the Part D vaccine itself at your pharmacy, and then take it to your doctor's office where they give you the vaccine.

- You will have to pay the pharmacy your coinsurance or copayment for the vaccine itself.
- When your doctor gives you the vaccine, you will pay the entire cost for this service. You can then ask our plan to pay our share of the cost by using the procedures described in Chapter 7.
- You will be reimbursed the amount charged by the doctor for administering the vaccine less any difference between the amount the doctor charges and what we normally pay. (If you get "Extra Help," we will reimburse you for this difference.)

CHAPTER 7:

Asking us to pay our share of a bill you have received for covered medical services or drugs

SECTION 1 Situations in which you should ask us to pay our share of the cost of your covered services or drugs

Sometimes when you get medical care or a prescription drug, you may need to pay the full cost. Other times, you may find that you have paid more than you expected under the coverage rules of the plan. Or you may receive a bill from a provider. In these cases, you can ask our plan to pay you back (paying you back is often called "reimbursing" you). It is your right to be paid back by our plan whenever you've paid more than your share of the cost for medical services or drugs that are covered by our plan. There may be deadlines that you must meet to get paid back. Please see Section 2 of this chapter.

There may also be times when you get a bill from a provider for the full cost of medical care you have received or possibly for more than your share of cost sharing as discussed in the document. First try to resolve the bill with the provider. If that does not work, send the bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly. If we decide not to pay it, we will notify the provider. You should never pay more than plan-allowed cost sharing. If this provider is contracted, you still have the right to treatment.

Here are examples of situations in which you may need to ask our plan to pay you back or to pay a bill you have received:

1. When you've received medical care from a provider who is not in our plan's network

When you receive care from a provider who is not part of our network, you are only responsible for paying your share of the cost. (Your share of the cost may be higher for an out-of-network provider than for a network provider.) Ask the provider to bill the plan for our share of the cost.

- You are only responsible for paying your share of the cost for emergency or urgently needed services. Emergency providers are legally required to provide emergency care. If you accidentally pay the entire amount yourself at the time you receive the care, you need to ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you have made.
- You may get a bill from the provider asking for payment that you think you do not owe. Send us this bill, along with documentation of any payments you have already made.
 - If the provider is owed anything, we will pay the provider directly.
 - If you have already paid more than your share of the cost of the service, we will determine how much you owed and pay you back for our share of the cost.
- **Please note:** While you can get your care from an out-of-network provider, the provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who is not eligible to participate in Medicare. If the provider is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive.

2. When a network provider sends you a bill you think you should not pay

Network providers should always bill the plan directly and ask you only for your share of the cost. But sometimes they make mistakes, and ask you to pay more than your share.

Chapter 7 Asking us to pay our share of a bill you have received for covered medical services or drugs

- You only have to pay your cost-sharing amount when you get covered services. We do not allow providers to add additional separate charges, called “balance billing.” This protection (that you never pay more than your cost-sharing amount) applies even if we pay the provider less than the provider charges for a service and even if there is a dispute and we don’t pay certain provider charges.
- Whenever you get a bill from a network provider that you think is more than you should pay, send us the bill. We will contact the provider directly and resolve the billing problem.
- If you have already paid a bill to a network provider, but you feel that you paid too much, send us the bill along with documentation of any payment you have made and ask us to pay you back the difference between the amount you paid and the amount you owed under the plan.

3. If you are retroactively enrolled in our plan

Sometimes a person's enrollment in the plan is retroactive. (This means that the first day of their enrollment has already passed. The enrollment date may even have occurred last year.)

If you were retroactively enrolled in our plan and you paid out-of-pocket for any of your covered services or drugs after your enrollment date, you can ask us to pay you back for our share of the costs. You will need to submit paperwork such as receipts and bills for us to handle the reimbursement.

4. When you use an out-of-network pharmacy to get a prescription filled

If you go to an out-of-network pharmacy, the pharmacy may not be able to submit the claim directly to us. When that happens, you will have to pay the full cost of your prescription.

Save your receipt and send a copy to us when you ask us to pay you back for our share of the cost. Remember that we only cover out of network pharmacies in limited circumstances. See Chapter 5, Section 2.5 for a discussion of these circumstances.

5. When you pay the full cost for a prescription because you don't have your plan membership card with you

If you do not have your plan membership card with you, you can ask the pharmacy to call the plan or to look up your plan enrollment information. However, if the pharmacy cannot get the enrollment information they need right away, you may need to pay the full cost of the prescription yourself.

Save your receipt and send a copy to us when you ask us to pay you back for our share of the cost.

6. When you pay the full cost for a prescription in other situations

You may pay the full cost of the prescription because you find that the drug is not covered for some reason.

- For example, the drug may not be on the plan's *Prescription Drug Guide (Formulary)*; or it could have a requirement or restriction that you didn't know about or don't think should apply to you. If you decide to get the drug immediately, you may need to pay the full cost for it.
- Save your receipt and send a copy to us when you ask us to pay you back. In some situations, we may need to get more information from your doctor in order to pay you back for our share of the cost.

All of the examples above are types of coverage decisions. This means that if we deny your request for payment, you can appeal our decision. Chapter 9 of this document has information about how to make an appeal.

SECTION 2 How to ask us to pay you back or to pay a bill you have received

You may request us to pay you back by sending us a request in writing. If you send a request in writing, send your bill and documentation of any payment you have made. It's a good idea to make a copy of your bill and receipts for your records.

Mail your request for payment together with any bills or paid receipts to us at this address:

Requests for payment for Medical Services:
Humana, P.O. Box 14601, Lexington, KY 40512-4601

You must submit your Part C (medical) claim to us within 12 months of the date you received the service, item, or Part B drug.

Requests for payment for Part D drugs:
Humana
P.O. Box 14140
Lexington, KY 40512-4140

You must submit your Part D (prescription drug) claim to us within 36 months of the date you received the drug.

SECTION 3 We will consider your request for payment and say yes or no

Section 3.1	We check to see whether we should cover the service or drug and how much we owe
--------------------	--

When we receive your request for payment, we will let you know if we need any additional information from you. Otherwise, we will consider your request and make a coverage decision.

- If we decide that the medical care or drug is covered and you followed all the rules, we will pay for our share of the cost. If you have already paid for the service or drug, we will mail your reimbursement of our share of the cost to you. If you have not paid for the service or drug yet, we will mail the payment directly to the provider.
- If we decide that the medical care or drug is *not* covered, or you did *not* follow all the rules, we will not pay for our share of the cost. We will send you a letter explaining the reasons why we are not sending the payment and your right to appeal that decision.

Section 3.2	If we tell you that we will not pay for all or part of the medical care or drug, you can make an appeal
--------------------	--

If you think we have made a mistake in turning down your request for payment or the amount we are paying, you can make an appeal. If you make an appeal, it means you are asking us to change the decision we made when we turned down your request for payment. The appeals process is a formal process with detailed procedures and important deadlines. For the details on how to make this appeal, go to Chapter 9 of this document.

CHAPTER 8:

Your rights and responsibilities

SECTION 1

Our plan must honor your rights and cultural sensitivities as a member of the plan

Section 1.1

We must provide information in a way that works for you and consistent with your cultural sensitivities (in languages other than English, in braille, in large print, or other alternate formats, etc.)

Your plan is required to ensure that all services, both clinical and non-clinical, are provided in a culturally competent manner and are accessible to all enrollees, including those with limited English proficiency, limited reading skills, hearing incapacity, or those with diverse cultural and ethnic backgrounds. Examples of how a plan may meet these accessibility requirements include, but are not limited to: provision of translator services, interpreter services, teletypewriters, or TTY (text telephone or teletypewriter phone) connection.

Our plan has free interpreter services available to answer questions from non-English speaking members. We can also give you information in braille, in large print, or other alternate formats at no cost if you need it. We are required to give you information about the plan's benefits in a format that is accessible and appropriate for you. To get information from us in a way that works for you, please call Customer Care .

Our plan is required to give female enrollees the option of direct access to a women's health specialist within the network for women's routine and preventive health care services.

If providers in the plan's network for a specialty are not available, it is the plan's responsibility to locate specialty providers outside the network who will provide you with the necessary care. In this case, you will only pay in-network cost sharing. If you find yourself in a situation where there are no specialists in the plan's network that cover a service you need, call the plan for information on where to go to obtain this service at in-network cost sharing.

If you have any trouble getting information from our plan in a format that is accessible and appropriate for you, please call to file a grievance with Humana Grievances and Appeals Dept. at 1-800-457-4708, TTY 711. You may also file a complaint with Medicare by calling 1-800-MEDICARE (1-800-633-4227) or directly with the Office for Civil Rights 1-800-368-1019 or TTY 1-800-537-7697.

Su plan debe garantizar que todos los servicios, tanto clínicos como no clínicos, se brinden de manera competente desde el punto de vista cultural y sean accesibles para todos los afiliados, incluidos aquellos con dominio limitado del inglés, habilidades de lectura limitadas, incapacidad auditiva o aquellos con orígenes culturales y étnicos diversos. Algunos ejemplos de cómo un plan puede cumplir con estos requisitos de accesibilidad incluyen, entre otros, la prestación de servicios de traducción, servicios de interpretación, telemáquinas de escribir o conexión TTY (teléfono de texto o teléfono de telemáquina).

Nuestro plan cuenta con servicios gratuitos de intérpretes disponibles para responder preguntas de afiliados que no hablan inglés. También podemos darle información en braille, en letra grande o en otros formatos alternativos sin costo en caso de ser necesario. Se nos exige darle información sobre los beneficios del plan en un formato que sea accesible y apropiado para usted. Para obtener información de parte de nosotros de una forma que se ajuste a sus necesidades, llame a Atención al cliente.

Nuestro plan debe brindarles a las mujeres inscritas la opción de acceso directo a un especialista en salud femenina dentro de la red para servicios de cuidado de la salud preventivos y de rutina para mujeres.

Chapter 8. Your rights and responsibilities

Si no hay disponibles proveedores de la red del plan para una especialidad, es responsabilidad del plan localizar proveedores especializados fuera de la red que le proporcionen el cuidado necesario. En este caso, solo pagará el costo compartido dentro de la red. Si se encuentra en una situación en la cual no hay especialistas en la red del plan que cubran un servicio que usted necesita, llame al plan para obtener información sobre dónde ir para obtener este servicio al costo compartido dentro de la red.

Si tiene alguna dificultad para obtener información de nuestro plan en un formato que sea accesible y apropiado, llame para presentar una queja formal ante el Departamento de quejas formales y apelaciones de Humana al 1-800-457-4708, TTY 711. También puede presentar una queja ante Medicare llamando al 1-800-MEDICARE (1-800-633-4227) o directamente ante la Oficina de Derechos Civiles al 1-800-368-1019 o TTY 1-800-537-7697.

Section 1.2	We must ensure that you get timely access to your covered services and drugs
--------------------	---

You have the right to choose a provider in the plan's network. You also have the right to go to a women's health specialist (such as a gynecologist) without a referral and still pay the in-network cost-sharing amount.

You have the right to get appointments and covered services from your providers *within a reasonable amount of time*. This includes the right to get timely services from specialists when you need that care. You also have the right to get your prescriptions filled or refilled at any of our network pharmacies without long delays.

If you think that you are not getting your medical care or Part D drugs within a reasonable amount of time, Chapter 9 tells what you can do.

Section 1.3	We must protect the privacy of your personal health information
--------------------	--

Federal and state laws protect the privacy of your medical records and personal health information. We protect your personal health information as required by these laws.

- Your "personal health information" includes the personal information you gave us when you enrolled in this plan as well as your medical records and other medical and health information.
- You have rights related to your information and controlling how your health information is used. We give you a written notice, called a "Notice of Privacy Practice," that tells about these rights and explains how we protect the privacy of your health information.

How do we protect the privacy of your health information?

- We make sure that unauthorized people don't see or change your records.
- Except for the circumstances noted below, if we intend to give your health information to anyone who isn't providing your care or paying for your care, *we are required to get written permission from you or someone you have given legal power to make decisions for you first.*
- There are certain exceptions that do not require us to get your written permission first. These exceptions are allowed or required by law.
 - We are required to release health information to government agencies that are checking on quality of care.
 - Because you are a member of our plan through Medicare, we are required to give Medicare your health information including information about your Part D prescription drugs. If Medicare releases your information

Chapter 8. Your rights and responsibilities

for research or other uses, this will be done according to Federal statutes and regulations; typically, this requires that information that uniquely identifies you not be shared.

You can see the information in your records and know how it has been shared with others

You have the right to look at your medical records held by the plan, and to get a copy of your records. We are allowed to charge you a fee for making copies. You also have the right to ask us to make additions or corrections to your medical records. If you ask us to do this, we will work with your health care provider to decide whether the changes should be made.

You have the right to know how your health information has been shared with others for any purposes that are not routine.

If you have questions or concerns about the privacy of your personal health information, please call Customer Care.

**Notice of Privacy Practices
For your personal health information****THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.**

The privacy of your personal and health information is important. You don't need to do anything unless you have a request or complaint.

We may change our privacy practices and the terms of this notice at any time, as allowed by law. Including information we created or received before we made the changes. When we make a significant change in our privacy practices, we will change this notice and send the notice to our health plan subscribers.

What is personal and health information?

Personal and health information includes both medical information and personal information, like your name, address, telephone number, or Social Security number. The term "information" in this notice includes any personal and health information. This includes information created or received by a healthcare provider or health plan. The information relates to your physical or mental health or condition, providing healthcare to you, or the payment for such healthcare.

How do we protect your information?

We have a responsibility to protect the privacy of your information in all formats including electronic, written and oral information. We have safeguards in place to protect your information in various ways including:

- Limiting who may see your information
- Limiting how we use or disclose your information
- Informing you of our legal duties about your information
- Training our employees about our privacy policies and programs

How do we use and disclose your information?

We use and disclose your information:

- To you or someone who has the legal right to act on your behalf
- To the Secretary of the Department of Health and Human Services

We have the right to use and disclose your information:

- To a doctor, a hospital, or other healthcare provider so you can receive medical care
- For payment activities, including claims payment for covered services provided to you by healthcare providers and for health plan premium payments

Chapter 8. Your rights and responsibilities

- For healthcare operation activities. Including processing your enrollment, responding to your inquiries, coordinating your care, improving quality, and determining premiums
- For performing underwriting activities. However, we will not use any results of genetic testing or ask questions regarding family history.
- To your plan sponsor to permit them to perform, plan administration functions such as eligibility, enrollment and disenrollment activities. We may share summary level health information about you with your plan sponsor in certain situations. For example, to allow your plan sponsor to obtain bids from other health plans. Your detailed health information will not be shared with your plan sponsor. We will ask your permission or your plan sponsor has to certify they agree to maintain the privacy of your information.
- To contact you with information about health-related benefits and services, appointment reminders, or treatment alternatives that may be of interest to you. If you have opted out as described below, we will not contact you.
- To your family and friends if you are unavailable to communicate, such as in an emergency. To your family and friends or any other person you identify. This applies if the information is directly relevant to their involvement with your health care or payment for that care. For example, if a family member or a caregiver calls us with prior knowledge of a claim, we may confirm if the claim has been received and paid.
- To provide payment information to the subscriber for Internal Revenue Service substantiation.
- To public health agencies if we believe that there is a serious health or safety threat.
- To appropriate authorities when there are issues about abuse, neglect, or domestic violence.
- In response to a court or administrative order, subpoena, discovery request, or other lawful process.
- For law enforcement purposes, to military authorities, and as otherwise required by law.
- To help with disaster relief efforts.
- For compliance programs and health oversight activities.
- To fulfill our obligations under any workers' compensation law or contract.
- To avert a serious and imminent threat to your health or safety or the health or safety of others.
- For research purposes in limited circumstances.
- For procurement, banking, or transplantation of organs, eyes, or tissue.
- To a coroner, medical examiner, or funeral director.

Will we use your information for purposes not described in this notice?

We will not use or disclose your information for any reason that is not described in this notice, without your written permission. You may cancel your permission at any time by notifying us in writing.

The following uses and disclosures will require your written permission:

- Most uses and disclosures of psychotherapy notes
- Marketing purposes
- Sale of protected health information

What do we do with your information when you are no longer a member?

Your information may continue to be used for purposes described in this notice. This includes when you do not obtain coverage through us. After the required legal retention period, we destroy the information following strict procedures to maintain the confidentiality.

What are my rights concerning my information?

We are committed to responding to your rights request in a timely manner:

- Access – You have the right to review and obtain a copy of your information that may be used to make decisions about you. You also may receive a summary of this health information. If you request copies, we may charge you a fee for the labor for copying, supplies for creating the copy (paper or electronic), and postage.
- Adverse Underwriting Decision – If we decline your application for insurance, you have the right to be provided a reason for the denial. *
- Alternate Communications – To avoid a life-threatening situation, you have the right to receive your information in a different manner or at a different place. We will accommodate your request if it is reasonable.

Chapter 8. Your rights and responsibilities

- **Amendment** – You have the right to request correction of any of this personal information through amendment or deletion. Within 30 business days of receipt of your written request, we will notify you of our amendment or deletion of the information in dispute, or of our refusal to make such correction after further investigation. In the event that we refuse to amend or delete the information in dispute, you have the right to submit to us a written statement of the reasons for your disagreement with our assessment of the information in dispute and what you consider to be the correct information. We shall make such a statement accessible to any and all parties reviewing the information in dispute.*
- **Disclosure** – You have the right to receive a listing of instances in which we or our business associates have disclosed your information. This does not apply to treatment, payment, health plan operations, and certain other activities. We maintain this information and make it available to you for six years. If you request this list more than once in a 12-month period, we may charge you a reasonable, cost-based fee.
- **Notice** – You have the right to request and receive a written copy of this notice any time.
- **Restriction** – You have the right to ask to limit how your information is used or disclosed. We are not required to agree to the limit, but if we do, we will abide by our agreement. You also have the right to agree to or terminate a previously submitted limitation.

* This right applies only to our Massachusetts residents in accordance with state regulations.

What types of communications can I opt out of that are made to me?

- Appointment reminders
- Treatment alternatives or other health-related benefits or services
- Fundraising activities

How do I exercise my rights or obtain a copy of this notice?

All of your privacy rights can be exercised by obtaining the applicable forms. You may obtain any of the forms by:

- Contacting us at 1-866-861-2762
- Accessing our Website at **Humana.com** and going to the Privacy Practices link
- Send completed request form to:

Humana Inc.
Privacy Office 003/10911

A more complete picture of your health

Humana has developed programs that have the ability to deliver your electronic healthcare history to authorized healthcare providers. These healthcare providers can view your medical claims, pharmacy claims, laboratory claims and results and radiology claims and results via various information exchange programs. In addition, some of the medical information systems used by your healthcare providers may download your information to provide

Chapter 8. Your rights and responsibilities

a more complete view of your health condition. For privacy reasons, records from psychiatric, substance abuse, or HIV-related treatment will not be shared.

The benefit of this information exchange is that healthcare providers receive a complete view of the healthcare services you have received. This information is available to a broad range of healthcare providers, including but not limited to:

- Primary Care Providers
- Medical Specialists
- Hospitals
- Urgent Care Centers
- Dental Providers
- Emergency Medical Service (EMS) Providers
- Selected Alternative and Complementary Medical Practices

You may use any of the methods listed below to decline your participation in the information sharing program *.

1. Log in to MyHumana - the secure section of **Humana.com**
 - Select "My Profile" option located in the upper right-hand corner of the webpage
 - Select the "Communications Preferences" option within the dropdown list.
 - Within the "Privacy and Sharing" section, select "No" to "Primary Care Physician (PCP) and Treating Healthcare Providers."
 - Click the "Save Changes" button at the bottom of the webpage.
2. Call the automated response line at 1-800-733-9203.
3. For TTY service, call 711. Our hours are Monday - Friday, 8 a.m. - 8 p.m. and Saturday, 8 a.m. - 3 p.m., Eastern time.

* There may be cases where Humana must exchange your health information to comply with regulatory requests and/or contractual agreements executed between Humana and a treating healthcare provider.

We may share information with affiliated companies as permitted by law. A list of our affiliates can be found in the back of our Notice of Privacy Practices found above. We may share information with third parties that Humana contracts with to perform services on our behalf. As part of the work we do together, we may reach out to your doctors and other healthcare providers. This helps us have the most up-to-date information about your treatment plans and health information to best support your doctors' plan of care. The disclosure of sensitive health information is strictly prohibited to any party other than **the subject of the information** or **the provider who originated the treatment** or claims activity unless the member/patient is given an opportunity to provide informed, written consent permitting Humana to release the information to a third party.

If you have any questions about how Humana protects your privacy, please access **Humana.com/about/legal/privacy**. If you do not have computer access, you can receive a copy of your Notice of Privacy Practices by calling the customer service phone number located on the back of your Humana ID card.

Section 1.4 **We must give you information about the plan, its network of providers, and your covered services**

As a member of HumanaChoice H5216-063 (PPO), you have the right to get several kinds of information from us.

If you want any of the following kinds of information, please call Customer Care:

- **Information about our plan.** This includes, for example, information about the plan's financial condition.

Chapter 8. Your rights and responsibilities

- **Information about our network providers and pharmacies.** You have the right to get information about the qualifications of the providers and pharmacies in our network and how we pay the providers in our network.
- **Information about your coverage and the rules you must follow when using your coverage.** Chapters 3 and 4 provide information regarding medical services. Chapter 5 and 6 provide information about Part D prescription drug coverage.
- **Information about why something is not covered and what you can do about it.** Chapter 9 provides information on asking for a written explanation on why a medical service or Part D drug is not covered or if your coverage is restricted. Chapter 9 also provides information on asking us to change a decision, also called an appeal.

Section 1.5	We must support your right to make decisions about your care
--------------------	---

You have the right to know your treatment options and participate in decisions about your health care

You have the right to get full information from your doctors and other health care providers. Your providers must explain your medical condition and your treatment choices *in a way that you can understand*.

You also have the right to participate fully in decisions about your health care. To help you make decisions with your doctors about what treatment is best for you, your rights include the following:

- **To know about all of your choices.** You have the right to be told about all of the treatment options that are recommended for your condition, no matter what they cost or whether they are covered by our plan. It also includes being told about programs our plan offers to help members manage their medications and use drugs safely.
- **To know about the risks.** You have the right to be told about any risks involved in your care. You must be told in advance if any proposed medical care or treatment is part of a research experiment. You always have the choice to refuse any experimental treatments.
- **The right to say "no."** You have the right to refuse any recommended treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to leave. You also have the right to stop taking your medication. Of course, if you refuse treatment or stop taking medication, you accept full responsibility for what happens to your body as a result.

You have the right to give instructions about what is to be done if you are not able to make medical decisions for yourself

Sometimes people become unable to make health care decisions for themselves due to accidents or serious illness. You have the right to say what you want to happen if you are in this situation. This means that, *if you want to*, you can:

- Fill out a written form to give **someone the legal authority to make medical decisions for you** if you ever become unable to make decisions for yourself.
- **Give your doctors written instructions** about how you want them to handle your medical care if you become unable to make decisions for yourself.

The legal documents that you can use to give your directions in advance of these situations are called **"advance directives."** There are different types of advance directives and different names for them. Documents called **"living will"** and **"power of attorney for health care"** are examples of advance directives.

Chapter 8. Your rights and responsibilities

If you want to use an "advance directive" to give your instructions, here is what to do:

- **Get the form.** You can get an advance directive form from your lawyer, from a social worker, or from some office supply stores. You can sometimes get advance directive forms from organizations that give people information about Medicare.
- **Fill it out and sign it.** Regardless of where you get this form, keep in mind that it is a legal document. You should consider having a lawyer help you prepare it.
- **Give copies to appropriate people.** You should give a copy of the form to your doctor and to the person you name on the form who can make decisions for you if you can't. You may want to give copies to close friends or family members. Keep a copy at home.

If you know ahead of time that you are going to be hospitalized, and you have signed an advance directive, **take a copy with you to the hospital.**

- The hospital will ask you whether you have signed an advance directive form and whether you have it with you.
- If you have not signed an advance directive form, the hospital has forms available and will ask if you want to sign one.

Remember, it is your choice whether you want to fill out an advance directive (including whether you want to sign one if you are in the hospital). According to law, no one can deny you care or discriminate against you based on whether or not you have signed an advance directive.

What if your instructions are not followed?

If you have signed an advance directive, and you believe that a doctor or hospital did not follow the instructions in it, you may file a complaint with your state's Quality Improvement Organization (QIO). Contact information can be found in "Exhibit A" in the back of this book.

Section 1.6	You have the right to make complaints and to ask us to reconsider decisions we have made
--------------------	---

At Humana, a process called Utilization Management (UM) is used to determine whether a service or treatment is covered and appropriate for payment under your benefit plan. Humana does not reward or provide financial incentives to doctors, other individuals or Humana employees for denying coverage or encouraging under use of services. In fact, Humana works with your doctors and other providers to help you get the most appropriate care for your medical condition. If you have questions or concerns related to Utilization Management, staff are available at least eight hours a day during normal business hours. Humana has free language interpreter services available to answer questions related to Utilization Management from non-English speaking members. Members may call 1-800-457-4708 (TTY:711).

Humana decides about coverage of new medical procedures and devices on an ongoing basis. This is done by checking peer-reviewed medical literature and consulting with medical experts to see if the new technology is effective and safe. Humana also relies on guidance from the Centers for Medicare & Medicaid Services (CMS), which often makes national coverage decisions for new medical procedures or devices.

If you have any problems, concerns, or complaints and need to request coverage, or make an appeal, Chapter 9 of this document tells what you can do. Whatever you do – ask for a coverage decision, make an appeal, or make a complaint – **we are required to treat you fairly.**

Chapter 8. Your rights and responsibilities

Section 1.7 What can you do if you believe you are being treated unfairly or your rights are not being respected?**If it is about discrimination, call the Office for Civil Rights**

If you believe you have been treated unfairly or your rights have not been respected due to your race, disability, religion, sex, health, ethnicity, creed (beliefs), age, sexual orientation, or national origin, you should call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 or TTY 1-800-537-7697, or call your local Office for Civil Rights.

Is it about something else?

If you believe you have been treated unfairly or your rights have not been respected, *and it's not* about discrimination, you can get help dealing with the problem you are having:

- You can **call Customer Care**.
- You can **call the SHIP**. For details, go to Chapter 2, Section 3.
- Or, **you can call Medicare** at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY 1-877-486-2048).

Section 1.8 How to get more information about your rights

There are several places where you can get more information about your rights:

- You can **call Customer Care**.
- You can **call the SHIP**. For details, go to Chapter 2, Section 3.
- You can contact **Medicare**.
 - You can visit the Medicare website to read or download the publication "Medicare Rights & Protections." (The publication is available at: www.medicare.gov/Pubs/pdf/11534-Medicare-Rights-and-Protections.pdf.)
 - Or, you can call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY 1-877-486-2048).

SECTION 2 You have some responsibilities as a member of the plan

Things you need to do as a member of the plan are listed below. If you have any questions, please call Customer Care.

- **Get familiar with your covered services and the rules you must follow to get these covered services.** Use this *Evidence of Coverage* to learn what is covered for you and the rules you need to follow to get your covered services.
 - Chapters 3 and 4 give the details about your medical services.
 - Chapters 5 and 6 give the details about your Part D prescription drug coverage.

Chapter 8. Your rights and responsibilities

- **If you have any other health insurance coverage or prescription drug coverage in addition to our plan, you are required to tell us.** Chapter 1 tells you about coordinating these benefits.
- **Tell your doctor and other health care providers that you are enrolled in our plan.** Show your plan membership card whenever you get your medical care or Part D prescription drugs.
- **Help your doctors and other providers help you by giving them information, asking questions, and following through on your care.**
 - To help get the best care, tell your doctors and other health providers about your health problems. Follow the treatment plans and instructions that you and your doctors agree upon.
 - Make sure your doctors know all of the drugs you are taking, including over-the-counter drugs, vitamins, and supplements.
 - If you have any questions, be sure to ask and get an answer you can understand.
- **Be considerate.** We expect all our members to respect the rights of other patients. We also expect you to act in a way that helps the smooth running of your doctor's office, hospitals, and other offices.
- **Pay what you owe.** As a plan member, you are responsible for these payments:
 - You must pay your plan premiums.
 - You must continue to pay your Medicare Part B premiums to remain a member of the plan.
 - For most of your medical services or drugs covered by the plan, you must pay your share of the cost when you get the service or drug.
 - If you are required to pay a late enrollment penalty, you must pay the penalty to keep your prescription drug coverage.
 - If you are required to pay the extra amount for Part D because of your yearly income, you must continue to pay the extra amount directly to the government to remain a member of the plan.
- **If you move *within* our service area, we need to know** so we can keep your membership record up to date and know how to contact you.
- **If you move *outside* of our plan service area, you cannot remain a member of our plan.**
- If you move, it is also important to tell Social Security (or the Railroad Retirement Board).

CHAPTER 9:

What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

SECTION 1 Introduction**Section 1.1 What to do if you have a problem or concern**

This chapter explains two types of processes for handling problems and concerns:

- For some problems, you need to use the **process for coverage decisions and appeals**.
- For other problems, you need to use the **process for making complaints; also called grievances**.

Both of these processes have been approved by Medicare. Each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

The guide in Section 3 will help you identify the right process to use and what you should do.

Section 1.2 What about the legal terms?

There are legal terms for some of the rules, procedures, and types of deadlines explained in this chapter. Many of these terms are unfamiliar to most people and can be hard to understand. To make things easier, this chapter:

- Uses simpler words in place of certain legal terms. For example, this chapter generally says, "making a complaint" rather than "filing a grievance," "coverage decision" rather than "organization determination" or "coverage determination" or "at-risk determination," and "independent review organization" instead of "Independent Review Entity."
- It also uses abbreviations as little as possible.

However, it can be helpful – and sometimes quite important – for you to know the correct legal terms. Knowing which terms to use will help you communicate more accurately to get the right help or information for your situation. To help you know which terms to use, we include legal terms when we give the details for handling specific types of situations.

SECTION 2 Where to get more information and personalized assistance

We are always available to help you. Even if you have a complaint about our treatment of you, we are obligated to honor your right to complain. Therefore, you should always reach out to Customer Care for help. But in some situations, you may also want help or guidance from someone who is not connected with us. Below are two entities that can assist you.

State Health Insurance Assistance Program (SHIP)

Each state has a government program with trained counselors. The program is not connected with us or with any insurance company or health plan. The counselors at this program can help you understand which process you should use to handle a problem you are having. They can also answer your questions, give you more information, and offer guidance on what to do.

The services of SHIP counselors are free. You will find phone numbers and website URLs in Chapter 2, Section 3 of this document.

Medicare

You can also contact Medicare to get help. To contact Medicare:

- You can call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
- You can also visit the Medicare website (www.medicare.gov).

SECTION 3 To deal with your problem, which process should you use?

If you have a problem or concern, you only need to read the parts of this chapter that apply to your situation. The guide that follows will help.

Is your problem or concern about your benefits or coverage?	
This includes problems about whether medical care or prescription drugs are covered or not, the way they are covered, and problems related to payment for medical care or prescription drugs.	
Yes.	No.
Go on to the next section of this chapter, Section 4, "A guide to the basics of coverage decisions and appeals."	Skip ahead to Section 10 at the end of this chapter: "How to make a complaint about quality of care, waiting times, customer service or other concerns."

COVERAGE DECISIONS AND APPEALS

SECTION 4 A guide to the basics of coverage decisions and appeals

Section 4.1 Asking for coverage decisions and making appeals: the big picture

Coverage decisions and appeals deals with problems related to your benefits and coverage for medical services and prescription drugs, including payment. This is the process you use for issues such as whether something is covered or not and the way in which something is covered.

Asking for coverage decisions prior to receiving services

A coverage decision is a decision we make about your benefits and coverage or about the amount we will pay for your medical services or drugs. For example, your plan network doctor makes a (favorable) coverage decision for you whenever you receive medical care from him or her or if your network doctor refers you to a medical specialist. You or your doctor can also contact us and ask for a coverage decision if your doctor is unsure whether we will cover a particular medical service or refuses to provide medical care you think that you need. In other words, if you want to know if we will cover a medical service before you receive it, you can ask us to make a coverage decision for you. In limited circumstances a request for a coverage decision will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

makes the request on your behalf but isn't legally authorized to do so or if you ask for your request to be withdrawn. If we dismiss a request for a coverage decision, we will send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

We are making a coverage decision for you whenever we decide what is covered for you and how much we pay. In some cases, we might decide a service or drug is not covered or is no longer covered by Medicare for you. If you disagree with this coverage decision, you can make an appeal.

Making an appeal

If we make a coverage decision, whether before or after a service is received, and you are not satisfied, you can "appeal" the decision. An appeal is a formal way of asking us to review and change a coverage decision we have made. Under certain circumstances, which we discuss later, you can request an expedited or "fast appeal" of a coverage decision. Your appeal is handled by different reviewers than those who made the original decision.

When you appeal a decision for the first time, this is called a Level 1 appeal. In this appeal, we review the coverage decision we made to check to see if we were properly following the rules. When we have completed the review, we give you our decision. In limited circumstances a request for a Level 1 appeal will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone makes the request on your behalf but isn't legally authorized to do so or if you ask for your request to be withdrawn. If we dismiss a request for a Level 1 appeal, we will send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

If we do not dismiss your case but say no to all or part of your Level 1 appeal, you can go on to a Level 2 appeal. The Level 2 appeal is conducted by an independent review organization that is not connected to us. (Appeals for medical services and Part B drugs will be automatically sent to the independent review organization for a Level 2 appeal – you do not need to do anything. For Part D drug appeals, if we say no to all or part of your appeal you will need to ask for a Level 2 appeal. Part D appeals are discussed further in Section 6 of this chapter). If you are not satisfied with the decision at the Level 2 appeal, you may be able to continue through additional levels of appeal (Section 9 in this chapter explains the Level 3, 4, and 5 appeals processes).

Section 4.2 How to get help when you are asking for a coverage decision or making an appeal

Here are resources if you decide to ask for any kind of coverage decision or appeal a decision:

- You **can call us at Customer Care**.
- You **can get free help** from your State Health Insurance Assistance Program.
- **Your doctor can make a request for you.** If your doctor helps with an appeal past Level 2, they will need to be appointed as your representative. Please call Customer Care and ask for the "Appointment of Representative" form. (The form is also available on Medicare's website at www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf.)
 - For medical care or Part B prescription drugs, your doctor can request a coverage decision or a Level 1 appeal on your behalf. If your appeal is denied at Level 1, it will be automatically forwarded to Level 2.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- For Part D prescription drugs, your doctor or other prescriber can request a coverage decision or a Level 1 appeal on your behalf. If your Level 1 appeal is denied your doctor or prescriber can request a Level 2 appeal.
- **You can ask someone to act on your behalf.** If you want to, you can name another person to act for you as your "representative" to ask for a coverage decision or make an appeal.
 - If you want a friend, relative, or other person to be your representative, call Customer Care and ask for the "Appointment of Representative" form. (The form is also available on Medicare's website at www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf.) The form gives that person permission to act on your behalf. It must be signed by you and by the person who you would like to act on your behalf. You must give us a copy of the signed form.
 - While we can accept an appeal request without the form, we cannot begin or complete our review until we receive it. If we do not receive the form within 44 calendar days after receiving your appeal request (our deadline for making a decision on your appeal), your appeal request will be dismissed. If this happens, we will send you a written notice explaining your right to ask the independent review organization to review our decision to dismiss your appeal.
- **You also have the right to hire a lawyer to act for you.** You may contact your own lawyer, or get the name of a lawyer from your local bar association or other referral service. There are also groups that will give you free legal services if you qualify. However, **you are not required to hire a lawyer** to ask for any kind of coverage decision or appeal a decision.

Section 4.3 Which section of this chapter gives the details for your situation?

There are four different types of situations that involve coverage decisions and appeals. Since each situation has different rules and deadlines, we give the details for each one in a separate section:

- **Section 5** of this chapter: "Your medical care: How to ask for a coverage decision or make an appeal"
- **Section 6** of this chapter: "Your Part D prescription drugs: How to ask for a coverage decision or make an appeal"
- **Section 7** of this chapter: "How to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon"
- **Section 8** of this chapter: "How to ask us to keep covering certain medical services if you think your coverage is ending too soon" (*Applies only to these services: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services*)

If you're not sure which section you should be using, please call Customer Care. You can also get help or information from government organizations such as your State Health Insurance Assistance Program.

SECTION 5 Your medical care: How to ask for a coverage decision or make an appeal of a coverage decision

Section 5.1 This section tells what to do if you have problems getting coverage for medical care or if you want us to pay you back for our share of the cost of your care

This section is about your benefits for medical care and services. These benefits are described in Chapter 4 of this document: *Medical Benefits Chart (what is covered and what you pay)*. To keep things simple, we generally refer to "medical care coverage" or "medical care" which includes medical items and services as well as Medicare Part B prescription drugs. In some cases, different rules apply to a request for a Part B prescription drug. In those cases, we will explain how the rules for Part B prescription drugs are different from the rules for medical items and services.

This section tells what you can do if you are in any of the five following situations:

1. You are not getting certain medical care you want, and you believe that this care is covered by our plan. **Ask for a coverage decision. Section 5.2.**
2. Our plan will not approve the medical care your doctor or other medical provider wants to give you, and you believe that this care is covered by the plan. **Ask for a coverage decision. Section 5.2.**
3. You have received medical care that you believe should be covered by the plan, but we have said we will not pay for this care. **Make an appeal. Section 5.3.**
4. You have received and paid for medical care that you believe should be covered by the plan, and you want to ask our plan to reimburse you for this care. **Send us the bill. Section 5.5.**
5. You are being told that coverage for certain medical care you have been getting that we previously approved will be reduced or stopped, and you believe that reducing or stopping this care could harm your health. **Make an appeal. Section 5.3.**
 - NOTE: **If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services,** you need to read sections 7 and 8 of this Chapter. Special rules apply to these types of care. Here's what to read in those situations:

Section 5.2 Step-by-step: How to ask for a coverage decision

Legal Terms

When a coverage decision involves your medical care, it is called an **"organization determination."**

A "fast coverage decision" is called an **"expedited determination."**

Step 1: Decide if you need a "standard coverage decision" or a "fast coverage decision."

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

A "standard coverage decision" is usually made within 14 days or 72 hours for Part B drugs. A "fast coverage decision" is generally made within 72 hours, for medical services, or 24 hours for Part B drugs. In order to get a fast coverage decision, you must meet two requirements:

- You may *only* ask for coverage for medical care you have not yet received.
- You can get a fast coverage decision *only* if using the standard deadlines *could* cause serious harm to your health or hurt your ability to function.
- **If your doctor tells us that your health requires a "fast coverage decision," we will automatically agree to give you a fast coverage decision.**
- **If you ask for a fast coverage decision on your own, without your doctor's support, we will decide whether your health requires that we give you a fast coverage decision.** If we do not approve a fast coverage decision, we will send you a letter that:
 - Explains that we will use the standard deadlines.
 - Explains if your doctor asks for the fast coverage decision, we will automatically give you a fast coverage decision.
 - Explains that you can file a "fast complaint" about our decision to give you a standard coverage decision instead of the fast coverage decision you requested.

Step 2: Ask our plan to make a coverage decision or fast coverage decision.

- Start by calling, writing, or faxing our plan to make your request for us to authorize or provide coverage for the medical care you want. You, your doctor, or your representative can do this. Chapter 2 has contact information.

Step 3: We consider your request for medical care coverage and give you our answer.

For standard coverage decisions we use the standard deadlines.

This means we will give you an answer within 14 calendar days after we receive your request **for a medical item or service**. If your request is for a **Medicare Part B prescription drug**, we will give you an answer **within 72 hours** after we receive your request.

- **However**, if you ask for more time, or if we need more information that may benefit you **we can take up to 14 more days** if your request is for a medical item or service. If we take extra days, we will tell you in writing. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
- If you believe we should *not* take extra days, you can file a "fast complaint". We will give you an answer to your complaint as soon as we make the decision. (The process for making a complaint is different from the process for coverage decisions and appeals. See Section 10 of this chapter for information on complaints.)

For Fast Coverage decisions we use an expedited timeframe

A fast coverage decision means we will answer within 72 hours if your request is for a medical item or service. If your request is for a Medicare Part B prescription drug, we will answer within 24 hours.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- **However**, if you ask for more time, or if we need more information that may benefit you **we can take up to 14 more days** if your request is for a medical item or service. If we take extra days, we will tell you in writing. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
- If you believe we should *not* take extra days, you can file a "fast complaint". (See Section 10 of this chapter for information on complaints.) We will call you as soon as we make the decision.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no.

Step 4: If we say no to your request for coverage for medical care, you can appeal.

- If we say no, you have the right to ask us to reconsider this decision by making an appeal. This means asking again to get the medical care coverage you want. If you make an appeal, it means you are going on to Level 1 of the appeals process.

Section 5.3	Step-by-step: How to make a Level 1 appeal
--------------------	---

Legal Terms
An appeal to the plan about a medical care coverage decision is called a plan "reconsideration." A "fast appeal" is called an "expedited reconsideration."

Step 1: Decide if you need a "standard appeal" or a "fast appeal."**A "standard appeal" is usually made within 30 days. A "fast appeal" is generally made within 72 hours.**

- If you are appealing a decision, we made about coverage for care that you have not yet received, you and/or your doctor will need to decide if you need a "fast appeal." If your doctor tells us that your health requires a "fast appeal," we will give you a fast appeal.
- The requirements for getting a "fast appeal" are the same as those for getting a "fast coverage decision" in Section 5.2 of this chapter.

Step 2: Ask our plan for an appeal or a Fast appeal

- **If you are asking for a standard appeal, submit your standard appeal in writing. You may also ask for an appeal by calling us.** Chapter 2 has contact information.
- **If you are asking for a fast appeal, make your appeal in writing or call us.** Chapter 2 has contact information.
- **You must make your appeal request within 60 calendar days** from the date on the written notice we sent to tell you our answer on the coverage decision. If you miss this deadline and have a good reason for missing it, explain the reason your appeal is late when you make your appeal. We may give you more time to make your appeal. Examples of good cause may include a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for requesting an appeal.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- **You can ask for a copy of the information regarding your medical decision. You and your doctor may add more information to support your appeal. We are allowed to charge a fee for copying and sending this information to you.**

Step 3: We consider your appeal and we give you our answer.

- When our plan is reviewing your appeal, we take a careful look at all of the information. We check to see if we were following all the rules when we said no to your request.
- We will gather more information if needed possibly contacting you or your doctor.

Deadlines for a "fast" appeal

- For fast appeals, we must give you our answer **within 72 hours after we receive your appeal**. We will give you our answer sooner if your health requires us to.
 - However, if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service. If we decide to take extra days to make the decision, we will tell you in writing. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
 - If we do not give you an answer within 72 hours (or by the end of the extended time period if we took extra days), we are required to automatically send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization. Section 5.4 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you requested**, we must authorize or provide the coverage we have agreed to provide within 72 hours after we receive your appeal.
- **If our answer is no to part or all of what you requested**, we will send you our decision in writing and automatically forward your appeal to the independent review organization for a Level 2 appeal. The independent review organization will notify you in writing when it receives your appeal.

- ***Deadlines for a "standard" appeal***

- For standard appeals, we must give you our answer **within 30 calendar days** after we receive your appeal. If your request is for a Medicare Part B prescription drug you have not yet received, we will give you our answer **within 7 calendar days** after we receive your appeal. We will give you our decision sooner if your health condition requires us to.
 - However, if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service. If we decide to take extra days to make the decision, we will tell you in writing. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
 - If you believe we should *not* take extra days, you can file a "fast complaint" about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. (For more information about the process for making complaints, including fast complaints, see Section 10 of this chapter.)
 - If we do not give you an answer by the deadline (or by the end of the extended time period), we will send your request to Level 2 appeal, where an independent review organization will review the appeal. Section 5.4 explains the Level 2 appeal process.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- **If our answer is yes to part or all of what you requested**, we must authorize or provide the coverage within 30 calendar days if your request is for a medical item or service, or **within 7 calendar days** if your request is for a Medicare Part B prescription drug.
- **If our plan says no to part or all of your appeal**, we will automatically send your appeal to the independent review organization for a Level 2 appeal.

Section 5.4	Step-by-step: How a Level 2 appeal is done
--------------------	---

Legal Terms

The formal name for the "independent review organization" is the "Independent Review Entity." It is sometimes called the "IRE."

The **independent review organization is an independent organization hired by Medicare**. It is not connected with us and is not a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

Step 1: The independent review organization reviews your appeal.

- We will send the information about your appeal to this organization. This information is called your "case file." **You have the right to ask us for a copy of your case file.** We are allowed to charge you a fee for copying and sending this information to you.
- You have a right to give the independent review organization additional information to support your appeal.
- Reviewers at the independent review organization will take a careful look at all of the information related to your appeal.

If you had a "fast" appeal at Level 1, you will also have a "fast" appeal at Level 2

- For the "fast appeal" the review organization must give you an answer to your Level 2 appeal within 72 hours of when it receives your appeal.
- However, if your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The independent review organization can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.

If you had a "standard" appeal at Level 1, you will also have a "standard" appeal at Level 2

- For the "standard appeal" if your request is for a medical item or service, the review organization must give you an answer to your Level 2 appeal **within 30 calendar days** of when it receives your appeal. If your request is for a Medicare Part B prescription drug, the review organization must give you an answer to your Level 2 appeal **within 7 calendar days** of when it receives your appeal.
- However, if your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The independent review organization can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Step 2: The independent review organization gives you their answer.

The independent review organization will tell you its decision in writing and explain the reasons for it.

- **If the review organization says yes to part or all of a request for a medical item or service**, we must authorize the medical care coverage within 72 hours or provide the service within 14 calendar days after we receive the decision from the review organization for standard requests. For expedited requests, we have 72 hours from the date we receive the decision from the review organization .
- **If the review organization says yes to part or all of a request for a Medicare Part B prescription drug**, we must authorize or provide the Part B prescription drug under dispute within **72 hours** after we receive the decision from the review organization for **standard requests**. For **expedited requests**, we have **24 hours** from the date we receive the decision from the review organization.
- **If this organization says no to part or all of your appeal**, it means they agree with us that your request (or part of your request) for coverage for medical care should not be approved. (This is called "upholding the decision." It is also called "turning down your appeal.") In this case, the independent review organization will send you a letter:
 - Explaining its decision.
 - Notifying you of the right to a Level 3 appeal if the dollar value of the medical care coverage meets a certain minimum. The written notice you get from the independent review organization will tell you the dollar amount you must meet to continue the appeals process.
 - Telling you how to file a Level 3 appeal.

Step 3: If your case meets the requirements, you choose whether you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If you want to go to a Level 3 appeal the details on how to do this are in the written notice you get after your Level 2 appeal.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 9 in this chapter explains the Level 3, 4, and 5 of the appeals processes.

Section 5.5 What if you are asking us to pay you for our share of a bill you have received for medical care?

Chapter 7 describes when you may need to ask for reimbursement or to pay a bill you have received from a provider. It also tells how to send us the paperwork that asks us for payment.

Asking for reimbursement is asking for a coverage decision from us

If you send us the paperwork asking for reimbursement, you are asking for a coverage decision. To make this coverage decision, we will check to see if the medical care you paid for is a covered service. We will also check to see if you followed all the rules for using your coverage for medical care.

- **If we say yes to your request:** If the medical care is covered and you followed all the rules, we will send you the payment for our share of the cost within 60 calendar days after we receive your request. If you haven't paid for the services, we will send the payment directly to the provider.

- **If we say no to your request:** If the medical care is not covered, or you did not follow all the rules, we will not send payment. Instead, we will send you a letter that says we will not pay for the services and the reasons why.
- If you do not agree with our decision to turn you down, **you can make an appeal**. If you make an appeal, it means you are asking us to change the coverage decision we made when we turned down your request for payment.

To make this appeal, follow the process for appeals that we describe in Section 5.3. For appeals concerning reimbursement, please note:

- We must give you our answer within 60 calendar days after we receive your appeal. If you are asking us to pay you back for medical care you have already received and paid for, you are not allowed to ask for a fast appeal.
- If the independent review organization reverses our decision to deny payment, we must send the payment you have requested to you or to the provider within 30 calendar days. If the answer to your appeal is yes at any stage of the appeals process after Level 2, we must send the payment you requested to you or to the provider within 60 calendar days.

SECTION 6

Your Part D prescription drugs: How to ask for a coverage decision or make an appeal

Section 6.1

This section tells you what to do if you have problems getting a Part D drug or you want us to pay you back for a Part D drug

Your benefits include coverage for many prescription drugs. To be covered, the drug must be used for a medically accepted indication. (See Chapter 5 for more information about a medically accepted indication.) For details about Part D drugs, rules, restrictions, and costs please see Chapters 5 and 6. **This section is about your Part D drugs only.** To keep things simple, we generally say “drug” in the rest of this section, instead of repeating “covered outpatient prescription drug” or “Part D drug” every time. We also use the term “drug guide” instead of “List of Covered Drugs” or “Formulary.”

- If you do not know if a drug is covered or if you meet the rules, you can ask us. Some drugs require that you get approval from us before we will cover it
- If your pharmacy tells you that your prescription cannot be filled as written, the pharmacy will give you a written notice explaining how to contact us to ask for a coverage decision.

Part D coverage decisions and appeals

Legal Terms
An initial coverage decision about your Part D drugs is called a "coverage determination."

A coverage decision is a decision we make about your benefits and coverage or about the amount we will pay for your drugs. This section tells what you can do if you are in any of the following situations:

- Asking to cover a Part D drug that is not on the plan’s *List of Covered Drugs*. **Asking for an exception. Section 6.2**
- Asking to waive a restriction on the plan’s coverage for a drug (such as limits on the amount of the drug you can get). **Asking for an exception. Section 6.2**
- Asking to pay a lower cost-sharing amount for a covered drug on a higher cost-sharing tier. **Asking for an exception. Section 6.2**
- Asking to get pre-approval for a drug. **Asking for a coverage decision. Section 6.4**
- Pay for a prescription drug you already bought. **Ask us to pay you back. Section 6.4**

If you disagree with a coverage decision we have made, you can appeal our decision.

This section tells you both how to ask for coverage decisions and how to request an appeal.

Section 6.2	What is an exception?
Legal Terms	
Asking for coverage of a drug that is not on the Drug Guide is sometimes called asking for a "formulary exception."	
Asking for removal of a restriction on coverage for a drug is sometimes called asking for a "formulary exception."	
Asking to pay a lower price for a covered non-preferred drug is sometimes called asking for a "tiering exception."	

If a drug is not covered in the way you would like it to be covered, you can ask us to make an "exception." An exception is a type of coverage decision.

For us to consider your exception request, your doctor or other prescriber will need to explain the medical reasons why you need the exception approved. Here are three examples of exceptions that you or your doctor or other prescriber can ask us to make:

- 1. Covering a Part D drug for you that is not on our Drug Guide.** If we agree to cover a drug not on the Drug Guide, you will need to pay the cost-sharing amount that applies to drugs in Cost-Sharing Tier 4 - Non-Preferred Drug. You cannot ask for an exception to the cost-sharing amount we require you to pay for the drug.
- 2. Removing a restriction for a covered drug.** Chapter 5 describes the extra rules or restrictions that apply to certain drugs on our Drug Guide. If we agree to make an exception and waive a restriction for you, you can ask for an exception to the copayment or coinsurance amount we require you to pay for the drug.
- 3. Changing coverage of a drug to a lower cost-sharing tier.** Every drug on our Drug Guide is in one of five cost-sharing tiers. In general, the lower the cost-sharing tier number, the less you will pay as your share of the cost of the drug.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- If our drug guide contains alternative drug(s) for treating your medical condition that are in a lower cost-sharing tier than your drug, you can ask us to cover your drug at the cost-sharing amount that applies to the alternative drug(s).
- If the drug you're taking is a biological product you can ask us to cover your drug at a lower cost-sharing amount. This would be the lowest tier that contains biological product alternatives for treating your condition.
- If the drug you're taking is a brand name drug you can ask us to cover your drug at the cost-sharing amount that applies to the lowest tier that contains brand name alternatives for treating your condition.
- If the drug you're taking is a generic drug you can ask us to cover your drug at the cost-sharing amount that applies to the lowest tier that contains either brand or generic alternatives for treating your condition.
- You cannot ask us to change the cost-sharing tier for any drug in Cost-Sharing Tier 5 - Specialty Tier.
- If we approve your tiering exception request and there is more than one lower cost-sharing tier with alternative drugs you can't take, you will usually pay the lowest amount.

Section 6.3	Important things to know about asking for exceptions
--------------------	---

Your doctor must tell us the medical reasons

Your doctor or other prescriber must give us a statement that explains the medical reasons for requesting an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Typically, our Drug Guide includes more than one drug for treating a particular condition. These different possibilities are called "alternative" drugs. If an alternative drug would be just as effective as the drug you are requesting and would not cause more side effects or other health problems, we will generally *not* approve your request for an exception. If you ask us for a tiering exception, we will generally *not* approve your request for an exception unless all the alternative drugs in the lower cost-sharing tier(s) won't work as well for you or are likely to cause an adverse reaction or other harm.

We can say yes or no to your request

- If we approve your request for an exception, our approval usually is valid until the end of the plan year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say no to your request for an exception, you can ask for a review of our decision by making an appeal.

Section 6.4	Step-by-step: How to ask for a coverage decision, including an exception
--------------------	---

Legal Term
A "fast coverage decision" is called an "expedited coverage determination."

Step 1: Decide if you need a "standard coverage decision" or a "fast coverage decision."

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

"Standard coverage decisions" are made within **72 hours** after we receive your doctor's statement. **"Fast coverage decisions"** are made within **24 hours** after we receive your doctor's statement.

If your health requires it, ask us to give you a "fast coverage decision." To get a fast coverage decision, you must meet two requirements:

- You must be asking for a *drug you have not yet received*. (You cannot ask for fast coverage decision to be paid back for a drug you have already bought.)
- Using the standard deadlines could cause serious harm to your health or hurt your ability to function.
- **If your doctor or other prescriber tells us that your health requires a "fast coverage decision," we will automatically give you a fast coverage decision.**
- **If you ask for a fast coverage decision on your own, without your doctor or prescriber's support, we will decide whether your health requires that we give you a fast coverage decision.** If we do not approve a fast coverage decision, we will send you a letter that:
 - Explains that we will use the standard deadlines.
 - Explains if your doctor or other prescriber asks for the fast coverage decision, we will automatically give you a fast coverage decision.
 - Tells you how you can file a "fast complaint" about our decision to give you a standard coverage decision instead of the fast coverage decision you requested. We will answer your complaint within 24 hours of receipt

Step 2: Request a "standard coverage decision" or a "fast coverage decision."

Start by calling, writing, or faxing our plan to make your request for us to authorize or provide coverage for the medical care you want. You can also access the coverage decision process through our website. We must accept any written request, including a request submitted on the CMS Model Coverage Determination Request Form or on our plan's form, which are available on our website. Chapter 2 has contact information. To assist us in processing your request, please be sure to include your name, contact information, and information identifying which denied claim is being appealed.

You, your doctor (or other prescriber), or your representative can do this. You can also have a lawyer act on your behalf. Section 4 of this chapter tells how you can give written permission to someone else to act as your representative.

- **If you are requesting an exception, provide the "supporting statement"** which is the medical reasons for the exception. Your doctor or other prescriber can fax or mail the statement to us. Or your doctor or other prescriber can tell us on the phone and follow up by faxing or mailing a written statement if necessary.

Step 3: We consider your request and we give you our answer.

Deadlines for a "fast" coverage decision

- We must generally give you our answer **within 24 hours** after we receive your request.
 - For exceptions, we will give you our answer within 24 hours after we receive your doctor's supporting statement. We will give you our answer sooner if your health requires us to.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you requested**, we must provide the coverage we have agreed to provide within 24 hours after we receive your request or doctor's statement supporting your request.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no. We will also tell you how you can appeal.

Deadlines for a "standard" coverage decision about a drug you have not yet received

- We must generally give you our answer **within 72 hours** after we receive your request.
 - For exceptions, we will give you our answer within 72 hours after we receive your doctor's supporting statement. We will give you our answer sooner if your health requires us to.
 - If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
 - **If our answer is yes to part or all of what you requested**, we must **provide the coverage** we have agreed to provide **within 72 hours** after we receive your request or doctor's statement supporting your request.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no. We will also tell you how you can appeal.

Deadlines for a "standard" coverage decision about payment for a drug you have already bought

- We must give you our answer within **14 calendar days** after we receive your request.
 - If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you requested**, we are also required to make payment to you within 14 calendar days after we receive your request.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no. We will also tell you how you can appeal.

Step 4: If we say no to your coverage request, you can make an appeal.

- If we say no, you have the right to ask us to reconsider this decision by making an appeal. This means asking again to get the drug coverage you want. If you make an appeal, it means you are going on to Level 1 of the appeals process.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)**Section 6.5 Step-by-step: How to make a Level 1 appeal****Legal Terms**

An appeal to the plan about a Part D drug coverage decision is called a plan **"redetermination."**

A "fast appeal" is also called an **"expedited redetermination."**

Step 1: Decide if you need a "standard appeal" or a "fast appeal."

A "standard appeal" is usually made within 7 days. A "fast appeal" is generally made within 72 hours. If your health requires it, ask for a "fast appeal"

- If you are appealing a decision we made about a drug you have not yet received, you and your doctor or other prescriber will need to decide if you need a "fast appeal."
- The requirements for getting a "fast appeal" are the same as those for getting a "fast coverage decision" in Section 6.4 of this chapter.

Step 2: You, your representative, doctor or other prescriber must contact us and make your Level 1 appeal.

If your health requires a quick response, you must ask for a **"fast appeal."**

- **For standard appeals, submit a written request.** Chapter 2 has contact information.
- **For fast appeals either submit your appeal in writing or call us at 1-800-867-6601.** Chapter 2 has contact information.
- **We must accept any written request,** including a request submitted on the CMS Model Coverage Determination Request Form, which is available on our website. Please be sure to include your name, contact information, and information regarding your claim to assist us in processing your request.
- **You must make your appeal request within 60 calendar days** from the date on the written notice we sent to tell you our answer on the coverage decision. If you miss this deadline and have a good reason for missing it, explain the reason your appeal is late when you make your appeal. We may give you more time to make your appeal. Examples of good cause may include a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for requesting an appeal.
- **You can ask for a copy of the information in your appeal and add more information.** You and your doctor may add more information to support your appeal. We are allowed to charge a fee for copying and sending this information to you.

Step 3: We consider your appeal and we give you our answer.

- When we are reviewing your appeal, we take another careful look at all of the information about your coverage request. We check to see if we were following all the rules when we said no to your request. We may contact you or your doctor or other prescriber to get more information.

Deadlines for a "fast appeal"

- For fast appeals, we must give you our answer **within 72 hours after we receive your appeal.** We will give you our answer sooner if your health requires us to.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- If we do not give you an answer within 72 hours, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization. Section 6.6 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you requested**, we must provide the coverage we have agreed to provide within 72 hours after we receive your appeal.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no and how you can appeal our decision.

Deadlines for a “standard appeal” for a drug you have not yet received

- For standard appeals, we must give you our answer **within 7 calendar days** after we receive your appeal. We will give you our decision sooner if you have not received the drug yet and your health condition requires us to do so.
 - If we do not give you a decision within 7 calendar days, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization. Section 6.6 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you requested**, we must provide the coverage as quickly as your health requires, but no later than **7 calendar days** after we receive your appeal.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no and how you can appeal our decision.

Deadlines for a “standard appeal” about payment for a drug you have already bought

- We must give you our answer **within 14 calendar days** after we receive your request.
 - If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you requested**, we are also required to make payment to you within 30 calendar days after we receive your request.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no. We will also tell you how you can appeal.

Step 4: If we say no to your appeal, you decide if you want to continue with the appeals process and make another appeal.

- If you decide to make another appeal, it means your appeal is going on to Level 2 of the appeals process.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)**Section 6.6 Step-by-step: How to make a Level 2 appeal****Legal Terms**

The formal name for the "independent review organization" is the **"Independent Review Entity."** It is sometimes called the **"IRE."**

The independent review organization is an independent organization hired by Medicare. It is not connected with us and is not a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

Step 1: You (or your representative or your doctor or other prescriber) must contact the independent review organization and ask for a review of your case.

- If we say no to your Level 1 appeal, the written notice we send you will include **instructions on how to make a Level 2 appeal** with the independent review organization. These instructions will tell who can make this Level 2 appeal, what deadlines you must follow, and how to reach the review organization. If, however, we did not complete our review within the applicable timeframe, or make an unfavorable decision regarding "at-risk" determination under our drug management program, we will automatically forward your claim to the IRE.
- We will send the information we have about your appeal to this organization. This information is called your "case file." **You have the right to ask us for a copy of your case file.** We are allowed to charge you a fee for copying and sending this information to you.
- You have a right to give the independent review organization additional information to support your appeal.

Step 2: The independent review organization reviews your appeal.

Reviewers at the independent review organization will take a careful look at all of the information related to your appeal.

Deadlines for "fast" appeal

- If your health requires it, ask the independent review organization for a "fast appeal."
- If the organization agrees to give you a "fast appeal," the organization must give you an answer to your Level 2 appeal **within 72 hours** after it receives your appeal request.

Deadlines for "standard" appeal

- For standard appeals, the review organization must give you an answer to your Level 2 appeal **within 7 calendar days** after it receives your appeal if it is for a drug you have not received. If you are requesting that we pay you back for a drug you have already bought, the review organization must give you an answer to your level 2 appeal **within 14 calendar days** after it receives your request.

Step 3: The independent review organization gives you their answer.

For "fast appeals":

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- **If the independent review organization says yes to part or all of what you requested**, we must provide the drug coverage that was approved by the review organization **within 24 hours** after we receive the decision from the review organization.

For "standard appeals":

- **If the independent review organization says yes to part or all of your request for coverage**, we must **provide the drug coverage** that was approved by the review organization **within 72 hours** after we receive the decision from the review organization.
- **If the independent review organization says yes to part or all of your request to pay you back** for a drug you already bought, we are required to **send payment to you within 30 calendar days** after we receive the decision from the review organization.

What if the review organization says no to your appeal?

If this organization says no to **part or all of** your appeal, it means the organization agrees with our decision not to approve your request. (This is called "upholding the decision." It is also called "turning down your appeal.") In this case, the independent review organization will send you a letter:

- Explaining its decision.
- Notifying you of the right to a Level 3 appeal if the dollar value of the drug coverage you are requesting meets a certain minimum. If the dollar value of the drug coverage you are requesting is too low, you cannot make another appeal and the decision at Level 2 is final.
- Telling you the dollar value that must be in dispute to continue with the appeals process.

Step 4: If your case meets the requirements, you choose whether you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal).
- If you want to go on to a Level 3 appeal the details on how to do this are in the written notice you got after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 9 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

SECTION 7 How to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon

When you are admitted to a hospital, you have the right to get all of your covered hospital services that are necessary to diagnose and treat your illness or injury.

During your covered hospital stay, your doctor and the hospital staff will be working with you to prepare for the day when you will leave the hospital. They will also help arrange for care you may need after you leave.

- The day you leave the hospital is called your "**discharge date**."
- When your discharge date has been decided, your doctor or the hospital staff will tell you.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- If you think you are being asked to leave the hospital too soon, you can ask for a longer hospital stay and your request will be considered.

Section 7.1	During your inpatient hospital stay, you will get a written notice from Medicare that tells about your rights
--------------------	--

Within two days of being admitted to the hospital, you will be given a *written* notice called *An Important Message from Medicare about Your Rights*. Everyone with Medicare gets a copy of this notice. If you do not get the notice from someone at the hospital (for example, a caseworker or nurse), ask any hospital employee for it. If you need help, please call Customer Care or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY 1-877-486-2048).

1. Read this notice carefully and ask questions if you don't understand it. It tells you about:

- Your right to receive Medicare-covered services during and after your hospital stay, as ordered by your doctor. This includes the right to know what these services are, who will pay for them, and where you can get them.
- Your right to be involved in any decisions about your hospital stay.
- Where to report any concerns you have about quality of your hospital care.
- Your right to **request an immediate review** of the decision to discharge you if you think you are being discharged from the hospital too soon. This is a formal, legal way to ask for a delay in your discharge date so that we will cover your hospital care for a longer time.

2. You will be asked to sign the written notice to show that you received it and understand your rights.

- You or someone who is acting on your behalf will be asked to sign the notice.
- Signing the notice shows *only* that you have received the information about your rights. The notice does not give your discharge date. Signing the notice **does not mean** you are agreeing on a discharge date.

3. Keep your copy of the notice so you will have the information about making an appeal (or reporting a concern about quality of care) handy if you need it.

- If you sign the notice more than two days before the day you leave the hospital, you will get another copy before you are scheduled to be discharged.
- To look at a copy of this notice in advance, you can call Customer Care or 1-800 MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. You can also see the notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)**Section 7.2 Step-by-step: How to make a Level 1 appeal to change your hospital discharge date**

If you want to ask for your inpatient hospital services to be covered by us for a longer time, you will need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process.**
- **Meet the deadlines.**
- **Ask for help if you need it.** If you have questions or need help at any time, please call Customer Care. Or call your State Health Insurance Assistance Program, a government organization that provides personalized assistance.

During a Level 1 appeal, the Quality Improvement Organization reviews your appeal. It checks to see if your planned discharge date is medically appropriate for you.

The **Quality Improvement Organization** is a group of doctors and other health care professionals paid by the Federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing hospital discharge dates for people with Medicare. These experts are not part of our plan.

Step 1: Contact the Quality Improvement Organization for your state and ask for an immediate review of your hospital discharge. You must act quickly.

How can you contact this organization?

- The written notice you received (*An Important Message from Medicare About Your Rights*) tells you how to reach this organization. Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.

Act quickly:

- To make your appeal, you must contact the Quality Improvement Organization *before* you leave the hospital and **no later than midnight the day of your discharge**.
 - **If you meet this deadline**, you may stay in the hospital *after* your discharge date *without* paying for it while you wait to get the decision on your appeal from the Quality Improvement Organization.
 - **If you do not meet this deadline**, and you decide to stay in the hospital after your planned discharge date, *you may have to pay all of the costs* for hospital care you receive after your planned discharge date.
 - If you miss the deadline for contacting the Quality Improvement Organization, and you still wish to appeal, you must make an appeal directly to our plan instead. For details about this other way to make your appeal, see Section 7.4.

Once you request an immediate review of your hospital discharge the Quality Improvement Organization will contact us. By noon of the day after we are contacted we will give you a **Detailed Notice of Discharge**. This notice gives your planned discharge date and explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

You **must use network providers to get your medical care and services** by calling Customer Care or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. (TTY users should call 1-877-486-2048.) Or

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

you can see a sample notice online at

www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.

Step 2: The Quality Improvement Organization conducts an independent review of your case.

- Health professionals at the Quality Improvement Organization ("the reviewers") will ask you (or your representative) why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you may do so if you wish.
- The reviewers will also look at your medical information, talk with your doctor, and review information that the hospital and we have given to them.
- By noon of the day after the reviewers told us of your appeal, you will get a written notice from us that gives your planned discharge date. This notice also explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

Step 3: Within one full day after it has all the needed information, the Quality Improvement Organization will give you its answer to your appeal.***What happens if the answer is yes?***

- If the review organization says **yes**, **we must keep providing your covered inpatient hospital services for as long as these services are medically necessary.**
- You will have to keep paying your share of the costs (such as deductibles or copayments if these apply). In addition, there may be limitations on your covered hospital services.

What happens if the answer is no?

- If the review organization says **no**, they are saying that your planned discharge date is medically appropriate. If this happens, **our coverage for your inpatient hospital services will end** at noon on the day *after* the Quality Improvement Organization gives you its answer to your appeal.
- If the review organization says **no** to your appeal and you decide to stay in the hospital, then **you may have to pay the full cost** of hospital care you receive after noon on the day after the Quality Improvement Organization gives you its answer to your appeal.

Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.

- If the Quality Improvement Organization has said **no** to your appeal, *and* you stay in the hospital after your planned discharge date, then you can make another appeal. Making another appeal means you are going on to Level 2 of the appeals process.

Section 7.3 Step-by-step: How to make a Level 2 appeal to change your hospital discharge date

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at their decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your stay after your planned discharge date.

Step 1: Contact the Quality Improvement Organization again and ask for another review.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- You must ask for this review **within 60 calendar days** after the day the Quality Improvement Organization said *no* to your Level 1 appeal. You can ask for this review only if you stay in the hospital after the date that your coverage for the care ended.

Step 2: The Quality Improvement Organization does a second review of your situation.

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.

Step 3: Within 14 calendar days of receipt of your request for a Level 2 appeal, the reviewers will decide on your appeal and tell you their decision.***If the review organization says yes:***

- We must reimburse you** for our share of the costs of hospital care you have received since noon on the day after the date your first appeal was turned down by the Quality Improvement Organization. **We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.**
- You must continue to pay your share of the costs and coverage limitations may apply.

If the review organization says no:

- It means they agree with the decision they made on your Level 1 appeal.
- The notice you get will tell you in writing what you can do if you wish to continue with the review process.

Step 4: If the answer is no, you will need to decide whether you want to take your appeal further by going on to Level 3.

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If you want to go to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 9 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

Section 7.4	What if you miss the deadline for making your Level 1 appeal?
--------------------	--

Legal Terms

A "fast" review (or "fast appeal") is also called an "expedited appeal."

You can appeal to us instead

As explained above, you must act quickly to start your Level 1 appeal of your hospital discharge. If you miss the deadline for contacting the Quality Improvement Organization, there is another way to make your appeal.

If you use this other way of making your appeal, *the first two levels of appeal are different.*

Step-by-Step: How to make a Level 1 Alternate Appeal**Step 1: Contact us and ask for a "fast review."**

- **Ask for a "fast review."** This means you are asking us to give you an answer using the "fast" deadlines rather than the "standard" deadlines.

Step 2: We do a "fast" review of your planned discharge date, checking to see if it was medically appropriate.

- During this review, we take a look at all of the information about your hospital stay. We check to see if your planned discharge date was medically appropriate. We see if the decision about when you should leave the hospital was fair and followed all the rules.

Step 3: We give you our decision within 72 hours after you ask for a "fast review".

- **If we say yes to your appeal,** it means we have agreed with you that you still need to be in the hospital after the discharge date, and will keep providing your covered inpatient hospital services for as long as it is medically necessary. It also means that we have agreed to reimburse you for our share of the costs of care you have received since the date when we said your coverage would end. (You must pay your share of the costs and there may be coverage limitations that apply.)
- **If we say no to your appeal,** we are saying that your planned discharge date was medically appropriate. Our coverage for your inpatient hospital services ends as of the day we said coverage would end.
 - If you stayed in the hospital *after* your planned discharge date, then **you may have to pay the full cost** of hospital care you received after the planned discharge date.

Step 4: If we say no to your appeal, your case will automatically be sent on to the next level of the appeals process.

Step-by-Step: Level 2 Alternate Appeal Process

Legal Terms
The formal name for the "independent review organization" is the "Independent Review Entity." It is sometimes called the "IRE."

The independent review organization is an independent organization hired by Medicare. It is not connected with our plan and is not a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

Step 1: We will automatically forward your case to the independent review organization.

- We are required to send the information for your Level 2 appeal to the independent review organization within 24 hours of when we tell you that we are saying no to your first appeal. (If you think we are not meeting this deadline or other deadlines, you can make a complaint. Section 10 of this chapter tells how to make a complaint.)

Step 2: The independent review organization does a "fast review" of your appeal. The reviewers give you an answer within 72 hours.

- Reviewers at the independent review organization will take a careful look at all of the information related to your appeal of your hospital discharge.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- **If this organization says yes to your appeal**, then we must (pay you back) for our share of the costs of hospital care you received since the date of your planned discharge. We must also continue the plan's coverage of your inpatient hospital services for as long as it is medically necessary. You must continue to pay your share of the costs. If there are coverage limitations, these could limit how much we would reimburse or how long we would continue to cover your services.
- **If this organization says no to your appeal**, it means they agree with us that your planned hospital discharge date was medically appropriate.
 - The written notice you get from the independent review organization will tell how to start a Level 3 appeal with the review process, which is handled by an Administrative Law Judge or attorney adjudicator.

Step 3: If the independent review organization turns down your appeal, you choose whether you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If reviewers say no to your Level 2 appeal, you decide whether to accept their decision or go on to Level 3 appeal.
- Section 9 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

SECTION 8 How to ask us to keep covering certain medical services if you think your coverage is ending too soon

Section 8.1	<i>This section is only about three services :</i> Home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services
--------------------	--

When you are getting **home health services, skilled nursing care, or rehabilitation care (Comprehensive Outpatient Rehabilitation Facility)**, you have the right to keep getting your covered services for that type of care for as long as the care is needed to diagnose and treat your illness or injury.

When we decide it is time to stop covering any of the **three** types of care for you, we are required to tell you in advance. When your coverage for that care ends, *we will stop paying our share of the cost for your care.*

If you think we are ending the coverage of your care too soon, **you can appeal our decision.** This section tells you how to ask for an appeal.

Section 8.2	We will tell you in advance when your coverage will be ending

"Notice of Medicare Non-Coverage." It tells you how you can request a "fast-track appeal." Requesting a fast-track appeal is a formal, legal way to request a change to our coverage decision about when to stop your care.
--

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- 1. You receive a notice in writing** at least two days before our plan is going to stop covering your care. The notice tells you.
 - The date when we will stop covering the care for you.
 - How to request a "fast track appeal" to request us to keep covering your care for a longer period of time.
- 2. You, or someone who is acting on your behalf, will be asked to sign the written notice to show that you received it.** Signing the notice shows *only* that you have received the information about when your coverage will stop. **Signing it does not mean you agree** with the plan's decision to stop care.

Section 8.3 Step-by-step: How to make a Level 1 appeal to have our plan cover your care for a longer time

If you want to ask us to cover your care for a longer period of time, you will need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process.**
- **Meet the deadlines.**
- **Ask for help if you need it.** If you have questions or need help at any time, please call Customer Care. Or call your State Health Insurance Assistance Program, a government organization that provides personalized assistance.

During a Level 1 appeal, the Quality Improvement Organization reviews your appeal. It decides if the end date for your care is medically appropriate.

The Quality Improvement Organization is a group of doctors and other health care experts paid by the Federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing plan decisions about when it's time to stop covering certain kinds of medical care. These experts are not part of our plan.

Step 1: Make your Level 1 appeal: contact the Quality Improvement Organization and ask for a fast-track appeal. You must act quickly.

How can you contact this organization?

- The written notice you received (*Notice of Medicare Non-Coverage*) tells you how to reach this organization. Or, find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.

Act quickly:

- You must contact the Quality Improvement Organization to start your appeal **by noon of the day before the effective date** on the Notice of Medicare Non-Coverages.

Your deadline for contacting this organization.

- If you miss the deadline for contacting the Quality Improvement Organization, and you still wish to file an appeal, you must make an appeal directly to us instead. For details about this other way to make your appeal, see Section 8.5.

Step 2: The Quality Improvement Organization conducts an independent review of your case.

Legal Terms
This notice of explanation is called the " Detailed Explanation of Non-Coverage. " Notice that provides details on reasons for ending coverage.

What happens during this review?

- Health professionals at the Quality Improvement Organization (we will call them "the reviewers" for short) will ask you (or your representative) why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you may do so if you wish.
- The review organization will also look at your medical information, talk with your doctor, and review information that our plan has given to them.
- By the end of the day the reviewers informed us of your appeal, and you will also get a written notice from us that explains in detail our reasons for ending our coverage for your services.

Step 3: Within one full day after they have all the information they need, the reviewers will tell you their decision.

What happens if the reviewers say yes?

- If the reviewers say yes to your appeal, then **we must keep providing your covered services for as long as it is medically necessary.**
- You will have to keep paying your share of the costs (such as deductibles or copayments, if these apply). There may be limitations on your covered services.

What happens if the reviewers say no?

- If the reviewers say *no*, then **your coverage will end on the date we have told you.**
- If you decide to keep getting the home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* this date when your coverage ends, then **you will have to pay the full cost** of this care yourself.

Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.

- If reviewers say *no* to your Level 1 appeal – and you choose to continue getting care after your coverage for the care has ended – then you can make a Level 2 appeal.

Section 8.4	Step-by-step: How to make a Level 2 appeal to have our plan cover your care for a longer time
-------------	---

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at the decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

the full cost for your home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* the date when we said your coverage would end.

Step 1: Contact the Quality Improvement Organization again and ask for another review.

- You must ask for this review **within 60 days** after the day when the Quality Improvement Organization said **no** to your Level 1 appeal. You can ask for this review only if you continued getting care after the date that your coverage for the care ended.

Step 2: The Quality Improvement Organization does a second review of your situation.

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.

Step 3: Within 14 days of receipt of your appeal request, reviewers will decide on your appeal and tell you their decision.

What happens if the review organization says yes?

- We must reimburse you** for our share of the costs of care you have received since the date when we said your coverage would end. **We must continue providing coverage** for the care for as long as it is medically necessary.
- You must continue to pay your share of the costs and there may be coverage limitations that apply.

What happens if the review organization says no?

- It means they agree with the decision we made to your Level 1 appeal and will not change it.
- The notice you get will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to the next level of appeal, which is handled by an Administrative Law Judge or attorney adjudicator.

Step 4: If the answer is no, you will need to decide whether you want to take your appeal further.

- There are three additional levels of appeal after Level 2, for a total of five levels of appeal. If you want to go on to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 9 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

Section 8.5	What if you miss the deadline for making your Level 1 appeal?
--------------------	--

You can appeal to us instead

As explained above, you must act quickly to contact the Quality Improvement Organization to start your first appeal (within a day or two, at the most). If you miss the deadline for contacting this organization, there is another way to make your appeal. If you use this other way of making your appeal, *the first two levels of appeal are different.*

Step-by-Step: How to make a Level 1 Alternate Appeal

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)**Legal Terms**

A "fast" review (or "fast appeal") is also called an **"expedited appeal."**

Step 1: Contact us and ask for a "fast review."

- **Ask for a "fast review."** This means you are asking us to give you an answer using the "fast" deadlines rather than the "standard" deadlines. Chapter 2 has contact information.

Step 2: We do a "fast" review of the decision we made about when to end coverage for your services.

- During this review, we take another look at all of the information about your case. We check to see if we were following all the rules when we set the date for ending the plan's coverage for services you were receiving.

Step 3: We give you our decision within 72 hours after you ask for a "fast review".

- **If we say yes to your fast appeal,** it means we have agreed with you that you need services longer and will keep providing your covered services for as long as it is medically necessary. It also means that we have agreed to reimburse you for our share of the costs of care you have received since the date when we said your coverage would end. (You must pay your share of the costs and there may be coverage limitations that apply.)
- **If we say no to your fast appeal,** then your coverage will end on the date we told you and we will not pay any share of the costs after this date.
- If you continued to get home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* the date when we said your coverage would end, then **you will have to pay the full cost** of this care.

Step 4: If we say no to your fast appeal, your case will automatically go on to the next level of the appeals process.**Legal Terms**

The formal name for the "independent review organization" is the **"Independent Review Entity."** It is sometimes called the **"IRE."**

Step-by-Step: Level 2 Alternate Appeal Process

- During the Level 2 appeal, the **independent review organization** reviews the decision we made when we said no to your "fast appeal." This organization decides whether the decision we made should be changed. **The independent review organization is an independent organization that is hired by Medicare.** This organization is not connected with our plan and it is not a government agency. This organization is a company chosen by Medicare to handle the job of being the independent review organization. Medicare oversees its work.

Step 1: We will automatically forward your case to the independent review organization.

- We are required to send the information for your Level 2 appeal to the independent review organization within 24 hours of when we tell you that we are saying no to your first appeal. (If you think we are not

meeting this deadline or other deadlines, you can make a complaint. Section 10 of this chapter tells how to make a complaint.)

Step 2: The independent review organization does a "fast review" of your appeal. The reviewers give you an answer within 72 hours.

- Reviewers at the independent review organization will take a careful look at all of the information related to your appeal.
- **If this organization says yes to your appeal**, then we must pay you back for our share of the costs of care you have received since the date when we said your coverage would end. We must also continue to cover the care for as long as it is medically necessary. You must continue to pay your share of the costs. If there are coverage limitations, these could limit how much we would reimburse or how long we would continue to cover your services.
- **If this organization says no to your appeal**, it means they agree with the decision our plan made to your first appeal and will not change it.
 - The notice you get from the independent review organization will tell you in writing what you can do if you wish to go on to a Level 3 appeal.

Step 3: If the independent review organization says no to your appeal, you choose whether you want to take your appeal further.

- There are three additional levels of appeal after Level 2, for a total of five levels of appeal. If you want to go on to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- A level 3 appeal is reviewed by an Administrative Law Judge or attorney adjudicator. Section 9 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

SECTION 9	Taking your appeal to Level 3 and beyond
Section 9.1	Appeal Levels 3, 4 and 5 for Medical Service Requests

This section may be appropriate for you if you have made a Level 1 appeal and a Level 2 appeal, and both of your appeals have been turned down.

If the dollar value of the item or medical service you have appealed meets certain minimum levels, you may be able to go on to additional levels of appeal. If the dollar value is less than the minimum level, you cannot appeal any further. The written response you receive to your Level 2 appeal will explain how to make a Level 3 appeal.

For most situations that involve appeals, the last three levels of appeal work in much the same way. Here is who handles the review of your appeal at each of these levels.

Level 3 appeal	An Administrative Law Judge or an attorney adjudicator who works for the Federal government will review your appeal and give you an answer.
----------------	---

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- **If the Administrative Law Judge or attorney adjudicator says yes to your appeal, the appeals process may or may not be over.** Unlike a decision at Level 2 appeal (independent review organization), we have the right to appeal a Level 3 decision that is favorable to you. If we decide to appeal it will go to a Level 4 appeal.
 - If we decide *not* to appeal, we must authorize or provide you with the service within 60 calendar days after receiving the Administrative Law Judge's or attorney adjudicator's decision.
 - If we decide to appeal the decision, we will send you a copy of the Level 4 appeal request with any accompanying documents. We may wait for the Level 4 appeal decision before authorizing or providing the service in dispute.
- **If the Administrative Law Judge or attorney adjudicator says no to your appeal, the appeals process may or may not be over.**
 - If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you do not want to accept the decision, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 appeal.

Level 4 appeal The Medicare **Appeals Council** (Council) will review your appeal and give you an answer. The Council is part of the Federal government.

- **If the answer is yes, or if the Council denies our request to review a favorable Level 3 appeal decision, the appeals process may or may not be over.** Unlike a decision at Level 2, we have the right to appeal a Level 4 decision that is favorable to you. We will decide whether to appeal this decision to Level 5.
 - If we decide *not* to appeal the decision, we must authorize or provide you with the service within 60 calendar days after receiving the Council's decision.
 - If we decide to appeal the decision, we will let you know in writing.
- **If the answer is no or if the Council denies the review request, the appeals process may or may not be over.**
 - If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you do not want to accept the decision, you may be able to continue to the next level of the review process. If the Council says no to your appeal, the notice you get will tell you whether the rules allow you to go on to a Level 5 appeal and how to continue with a Level 5 appeal.

Level 5 appeal A judge at the **Federal District Court** will review your appeal.

- A judge will review all of the information and decide *yes* or *no* to your request. This is a final answer. There are no more appeal levels after the Federal District Court.

Section 9.2 Appeal Levels 3, 4 and 5 for Part D Drug Requests

This section may be appropriate for you if you have made a Level 1 appeal and a Level 2 appeal, and both of your appeals have been turned down.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

If the value of the drug you have appealed meets a certain dollar amount, you may be able to go on to additional levels of appeal. If the dollar amount is less, you cannot appeal any further. The written response you receive to your Level 2 appeal will explain who to contact and what to do to ask for a Level 3 appeal.

For most situations that involve appeals, the last three levels of appeal work in much the same way. Here is who handles the review of your appeal at each of these levels.

Level 3 appeal A judge (called an **Administrative Law Judge**) or an **attorney adjudicator who works for the Federal government** will review your appeal and give you an answer.

- **If the answer is yes, the appeals process is over.** What you asked for in the appeal has been approved. We must **authorize or provide the drug coverage** that was approved by the Administrative Law Judge **within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days** after we receive the decision.
- **If the answer is no, the appeals process may or may not be over.**
 - If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you do not want to accept the decision, you can continue to the next level of the review process. If the Administrative Law Judge or attorney adjudicator says no to your appeal, the notice you get will tell you what to do next if you choose to continue with your appeal.

Level 4 appeal The Medicare **Appeals Council** (Council) will review your appeal and give you an answer. The Council is part of the Federal government.

- **If the answer is yes, the appeals process is over.** What you asked for in the appeal has been approved. We must **authorize or provide the drug coverage** that was approved by the Council **within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days** after we receive the decision.
- **If the answer is no, the appeals process may or may not be over.**
 - If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you do not want to accept the decision, you might be able to continue to the next level of the review process. If the Council says no to your appeal or denies your request to review the appeal, the notice you get will tell you whether the rules allow you to go on to a Level 5 appeal. If the rules allow you to go on, the written notice will also tell you who to contact and what to do next if you choose to continue with your appeal.

Level 5 appeal A judge at the **Federal District Court** will review your appeal.

- A judge will review all of the information and decide yes or no to your request. This is a final answer. There are no more appeal levels after the Federal District Court.

MAKING COMPLAINTS**SECTION 10 How to make a complaint about quality of care, waiting times, customer service, or other concerns****Section 10.1 What kinds of problems are handled by the complaint process?**

The complaint process is *only* used for certain types of problems. This includes problems related to quality of care, waiting times, and the customer service. Here are examples of the kinds of problems handled by the complaint process.

Complaint	Example
Quality of your medical care	• Are you unhappy with the quality of the care you have received (including care in the hospital)?
Respecting your privacy	• Did someone not respect your right to privacy or share confidential information about you?
Disrespect, poor customer service, or other negative behaviors	• Has someone been rude or disrespectful to you? • Are you unhappy with our Customer Care has treated you? • Do you feel you are being encouraged to leave the plan?
Waiting times	• Are you having trouble getting an appointment, or waiting too long to get it? • Have you been kept waiting too long by doctors, pharmacists, or other health professionals? Or by our Customer Care or other staff at the plan? – Examples include waiting too long on the phone, in the waiting or exam room, or getting a prescription.
Cleanliness	• Are you unhappy with the cleanliness or condition of a clinic, hospital, or doctor's office?
Information you get from us	• Did we fail to give you a required notice? • Is our written information hard to understand?

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Complaint	Example
Timeliness (These types of complaints are all related to the <i>timeliness</i> of our actions related to coverage decisions and appeals)	If you have asked for a coverage decision or made an appeal, and you think that we are not responding quickly enough, you can also make a complaint about our slowness. Here are examples: • You asked us for a “fast coverage decision” or a “fast appeal,” and we have said no; you can make a complaint. • You believe we are not meeting the deadlines for coverage decisions or appeals; you can make a complaint. • You believe we are not meeting deadlines for covering or reimbursing you for certain medical services or drugs that were approved; you can make a complaint. • You believe we failed to meet required deadlines for forwarding your case to the independent review organization; you can make a complaint.

Section 10.2 How to make a complaint

Legal Terms
• A "complaint" is also called a "grievance." • "Making a complaint" is also called "filing a grievance." • "Using the process for complaints" is also called "using the process for filing a grievance." • A "fast complaint" is also called an "expedited grievance."

Section 10.3 Step-by-step: Making a complaint**Step 1: Contact us promptly – either by phone or in writing.**

- **Usually, calling Customer Care is the first step.** If there is anything else you need to do, Customer Care will let you know. Call 1-800-457-4708, TTY 711 from 8 a.m. to 8 p.m. seven days a week from Oct. 1 – Mar. 31 and 8 a.m. to 8 p.m. Monday – Friday from Apr. 1- Sept. 30.
- **If you do not wish to call (or you called and were not satisfied), you can put your complaint in writing and send it to us.** If you put your complaint in writing, we will respond to your complaint in writing.
- **Grievance Filing Instructions**

File a verbal grievance by calling Customer Care at 1-800-457-4708 TTY 711.

Send a written grievance to:
 Humana Grievances and Appeals Dept.
 P.O. Box 14165
 Lexington, KY 40512-4165

When filing a grievance, please provide:

- ☐ Name
☐ Address

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- ☐ Telephone number
- ☐ Member identification number
- ☐ A summary of the complaint and any previous contact with us related to the complaint
- ☐ The action you are requesting from us
- ☐ A signature from you or your authorized representative and the date. If you want a friend, relative, your doctor or other provider, or other person to be your representative, call Customer Care and ask for the "Appointment of Representative" form. (The form is also available on Medicare's website at www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf). The form gives that person permission to act on your behalf. It must be signed by you and by the person who you would like to act on your behalf. You must give us a copy of the signed form.

- The **deadline** for making a complaint is 60 calendar days from the time you had the problem you want to complain about.

Step 2: We look into your complaint and give you our answer.

- **If possible, we will answer you right away.** If you call us with a complaint, we may be able to give you an answer on the same phone call.
- **Most complaints are answered within 30 calendar days.** If we need more information and the delay is in your best interest or if you ask for more time, we can take up to 14 more calendar days (44 calendar days total) to answer your complaint. If we decide to take extra days, we will tell you in writing.
- **If you are making a complaint because we denied your request for a "fast coverage decision" or a "fast appeal," we will automatically give you a "fast complaint."** If you have a "fast complaint," it means we will give you **an answer within 24 hours.**
- **If we do not agree** with some or all of your complaint or don't take responsibility for the problem you are complaining about, we will include our reasons in our response to you.

Section 10.4 You can also make complaints about quality of care to the Quality Improvement Organization

When your complaint is about *quality of care*, you also have two extra options:

- **You can make your complaint directly to the Quality Improvement Organization.**
- The Quality Improvement Organization is a group of practicing doctors and other health care experts paid by the Federal government to check and improve the care given to Medicare patients. Chapter 2 has contact information.

Or

- **You can make your complaint to both the Quality Improvement Organization and us at the same time.**

Section 10.5 You can also tell Medicare about your complaint

You can submit a complaint about HumanaChoice H5216-063 (PPO) directly to Medicare. To submit a complaint to Medicare, go to www.medicare.gov/MedicareComplaintForm/home.aspx. You may also call 1-800-MEDICARE (1-800-633-4227). TTY/TDD users can call 1-877-486-2048.

CHAPTER 10:

Ending your membership in the plan

Chapter 10. Ending your membership in the plan

SECTION 1 Introduction to ending your membership in our plan

Ending your membership in HumanaChoice H5216-063 (PPO) may be **voluntary** (your own choice) or **involuntary** (not your own choice):

- You might leave our plan because you have decided that you *want* to leave. Section 2 and 3 provide information on ending your membership voluntarily.
- There are also limited situations where we are required to end your membership. Section 5 tells you about situations when we must end your membership.

If you are leaving our plan, our plan must continue to provide your medical care and prescription drugs and you will continue to pay your cost share until your membership ends.

SECTION 2 When can you end your membership in our plan?

Section 2.1	You can end your membership during the Annual Enrollment Period
--------------------	--

You can end your membership during the **Annual Enrollment Period** (also known as the "Annual Open Enrollment Period"). During this time, review your health and drug coverage and decide about your coverage for the upcoming year.

- **The Annual Enrollment Period** is from **October 15 to December 7**.
- **Choose to keep your current coverage or make changes to your coverage for the upcoming year.** If you decide to change to a new plan, you can choose any of the following types of plans:
 - Another Medicare health plan, with or without prescription drug coverage.
 - Original Medicare *with* a separate Medicare prescription drug plan.
 - Original Medicare *without* a separate Medicare prescription drug plan.
 - > If you choose this option, Medicare may enroll you in a drug plan, unless you have opted out of automatic enrollment.

Note: If you disenroll from Medicare prescription drug coverage and go without creditable prescription drug coverage for 63 or more days in a row, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

- **Your membership will end in our plan** when your new plan's coverage begins on January 1.

Section 2.2	You can end your membership during the Medicare Advantage Open Enrollment Period
--------------------	---

You have the opportunity to make *one* change to your health coverage during the **Medicare Advantage Open Enrollment Period**.

Chapter 10. Ending your membership in the plan

- **The annual Medicare Advantage Open Enrollment Period** is from January 1 to March 31.
- **During the annual Medicare Advantage Open Enrollment Period** you can:
 - Switch to another Medicare Advantage plan with or without prescription drug coverage.
 - Disenroll from our plan and obtain coverage through Original Medicare. If you choose to switch to Original Medicare during this period, you can also join a separate Medicare prescription drug plan at that time.
- **Your membership will end** on the first day of the month after you enroll in a different Medicare Advantage plan or we get your request to switch to Original Medicare. If you also choose to enroll in a Medicare prescription drug plan, your membership in the drug plan will begin the first day of the month after the drug plan gets your enrollment request.

Section 2.3	In certain situations, you can end your membership during a Special Enrollment Period
--------------------	--

In certain situations, members of HumanaChoice H5216-063 (PPO) may be eligible to end their membership at other times of the year. This is known as a **Special Enrollment Period**.

You may be eligible to end your membership during a Special Enrollment Period if any of the following situations apply to you. These are just examples, for the full list you can contact the plan, call Medicare, or visit the Medicare website (www.medicare.gov):

- Usually, when you have moved.
- If you have Medicaid.
- If you are eligible for "Extra Help" with paying for your Medicare prescriptions.
- If we violate our contract with you.
- If you are getting care in an institution, such as a nursing home or long-term care (LTC) hospital.
- If you enroll in the Program of All-inclusive Care for the Elderly (PACE).

Note: If you're in a drug management program, you may not be able to change plans. Chapter 5, Section 10 tells you more about drug management programs.

The enrollment periods vary depending on your situation.

To find out if you are eligible for a Special Enrollment Period, please call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users call 1-877-486-2048. If you are eligible to end your membership because of a special situation, you can choose to change both your Medicare health coverage and prescription drug coverage. You can choose:

- Another Medicare health plan with or without prescription drug coverage.
- Original Medicare *with* a separate Medicare prescription drug plan.
- OR*
- Original Medicare *without* a separate Medicare prescription drug plan.

Chapter 10. Ending your membership in the plan

Note: If you disenroll from Medicare prescription drug coverage and go without creditable prescription drug coverage for 63 days or more in a row, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

Your membership will usually end on the first day of the month after your request to change your plan is received.

If you receive "Extra Help" from Medicare to pay for your prescription drugs: If you switch to Original Medicare and do not enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan, unless you have opted out of automatic enrollment.

Section 2.4	Where can you get more information about when you can end your membership?
--------------------	---

If you have any questions about ending your membership you can:

- **Call Customer Care.**
- You can find the information in the **Medicare & You 2023** handbook.
- Contact **Medicare** at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. (TTY 1-877-486-2048).

SECTION 3

How do you end your membership in our plan?

The table below explains how you should end your membership in our plan.

If you would like to switch from our plan to:	This is what you should do:
Another Medicare health plan.	- Enroll in the new Medicare health plan. - You will automatically be disenrolled from HumanaChoice H5216-063 (PPO) when your new plan's coverage begins.
Original Medicare <i>with</i> a separate Medicare prescription drug plan.	- Enroll in the new Medicare prescription drug plan. - You will automatically be disenrolled from HumanaChoice H5216-063 (PPO) when your new plan's coverage begins.
Original Medicare <i>without</i> a separate Medicare prescription drug plan.	Send us a written request to disenroll. Contact Customer Care if you need more information on how to do this. - You can also contact Medicare, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048. - You will be disenrolled from HumanaChoice H5216-063 (PPO) when your coverage in Original Medicare begins.

SECTION 4

Until your membership ends, you must keep getting your medical services and drugs through our plan

Until your membership ends, and your new Medicare coverage begins, you must continue to get your medical care and prescription drugs through our plan.

- Continue to use our network providers to receive medical care.**
- Continue to use our network pharmacies or mail order to get your prescriptions filled until your membership in our plan ends.**
- If you are hospitalized on the day that your membership ends, your hospital stay will usually be covered by our plan until you are discharged** (even if you are discharged after your new health coverage begins).

SECTION 5 HumanaChoice H5216-063 (PPO) must end your membership in the plan in certain situations

Section 5.1 When must we end your membership in the plan?

HumanaChoice H5216-063 (PPO) must end your membership in the plan if any of the following happen:

- If you no longer have Medicare Part A and Part B.
- If you move out of our service area.
- If you are away from our service area for more than six months. If you are on a Humana Medicare PPO plan and are using your visitor/traveler benefit, you **may** be eligible to be outside of the service area for up to 12 months.
 - If you move or take a long trip, call Customer Care to find out if the place you are moving or traveling to is in our plan's area.
- If you become incarcerated (go to prison).
- If you are no longer a United States citizen or lawfully present in the United States.
- If you lie about or withhold information about other insurance you have that provides prescription drug coverage.
- If you intentionally give us incorrect information when you are enrolling in our plan and that information affects your eligibility for our plan. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.)
- If you continuously behave in a way that is disruptive and makes it difficult for us to provide medical care for you and other members of our plan. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.)
- If you let someone else use your membership card to get medical care. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.)
 - If we end your membership because of this reason, Medicare may have your case investigated by the Inspector General.
- If you are required to pay the extra Part D amount because of your income and you do not pay it, Medicare will disenroll you from our plan and you will lose prescription drug coverage.

Where can you get more information?

If you have questions or would like more information on when we can end your membership call Customer Care.

Section 5.2 We <u>cannot</u> ask you to leave our plan for any health-related reason
--

HumanaChoice H5216-063 (PPO) is not allowed to ask you to leave our plan for any health-related reason.

What should you do if this happens?

If you feel that you are being asked to leave our plan because of a health-related reason, you should call Medicare at 1-800-MEDICARE (1-800-633-4227) 24 hours a day, 7 days a week. (TTY 1-877-486-2048).

Section 5.3	You have the right to make a complaint if we end your membership in our plan
--------------------	---

If we end your membership in our plan, we must tell you our reasons in writing for ending your membership. We must also explain how you can file a grievance or make a complaint about our decision to end your membership.

CHAPTER 11:

Legal notices

Chapter 11. Legal notices

SECTION 1 Notice about governing law

The principal law that applies to this *Evidence of Coverage* document is Title XVIII of the Social Security Act and the regulations created under the Social Security Act by the Centers for Medicare & Medicaid Services, or CMS. In addition, other Federal laws may apply and, under certain circumstances, the laws of the state you live in. This may affect your rights and responsibilities even if the laws are not included or explained in this document.

SECTION 2 Notice about nondiscrimination

We don't discriminate based on race, ethnicity, national origin, color, religion, sex, gender, age, sexual orientation, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area. All organizations that provide Medicare Advantage plans, like our plan, must obey Federal laws against discrimination, including Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act, Section 1557 of the Affordable Care Act, all other laws that apply to organizations that get Federal funding, and any other laws and rules that apply for any other reason.

If you want more information or have concerns about discrimination or unfair treatment, please call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 (TTY 1-800-537-7697) or your local Office for Civil Rights. You can also review information from the Department of Health and Human Services' Office for Civil Rights at <https://www.hhs.gov/ocr/index>.

If you have a disability and need help with access to care, please call us at Customer Care. If you have a complaint, such as a problem with wheelchair access, Customer Care can help.

SECTION 3 Notice about Medicare Secondary Payer Subrogation rights

We have the right and responsibility to collect for covered Medicare services for which Medicare is not the primary payer. According to CMS regulations at 42 CFR sections 422.108 and 423.462, HumanaChoice H5216-063 (PPO), as a Medicare Advantage Organization, will exercise the same rights of recovery that the Secretary exercises under CMS regulations in subparts B through D of part 411 of 42 CFR and the rules established in this section supersede any State laws.

SECTION 4 Additional Notice about Subrogation (Recovery from a Third Party)

Our right to recover payment

If we pay a claim for you, we have subrogation rights. This is a very common insurance provision that means we have the right to recover the amount we paid for your claim from any third party that is responsible for the medical expenses or benefits related to your injury, illness, or condition. You assign to us your right to take legal action against any responsible third party, and you agree to:

1. Provide any relevant information that we request; and
2. Participate in any phase of legal action, such as discovery, depositions, and trial testimony, if needed.

Chapter 11. Legal notices

If you don't cooperate with us or our representatives, or you do anything that interferes with our rights, we may take legal action against you. You also agree not to assign your right to take legal action to someone else without our written consent.

Our right of reimbursement

We also have the right to be reimbursed if a responsible third party pays you directly. If you receive any amount as a judgment, settlement, or other payment from any third party, you must immediately reimburse us, up to the amount we paid for your claim.

Our rights take priority

Our rights of recovery and reimbursement have priority over other claims, and will not be affected by any equitable doctrine. This means that we're entitled to recover the amount we paid, even if you haven't been compensated by the responsible third party for all costs related to your injury or illness. If you disagree with our efforts to recover payment, you have the right to appeal, as explained in Chapter 9.

We are not obligated to pursue reimbursement or take legal action against a third party, either for our own benefit or on your behalf. Our rights under Medicare law and this *Evidence of Coverage* will not be affected if we don't participate in any legal action you take related to your injury, illness, or condition.

SECTION 5 Notice of coordination of benefits

Why do we need to know if you have other coverage?

We coordinate benefits in accordance with the Medicare Secondary Payer rules, which allow us to bill, or authorize a provider of services to bill, other insurance carriers, plans, policies, employers, or other entities when the other payer is responsible for payment of services provided to you. We are also authorized to charge or bill you for amounts the other payer has already paid to you for such services. We shall have all the rights accorded to the Medicare Program under the Medicare Secondary Payer rules.

Who pays first when you have other coverage?

When you have additional coverage, how we coordinate your coverage depends on your situation. With coordination of benefits, you will often get your care as usual through our plan providers, and the other plan or plans you have will simply help pay for the care you receive. If you have group health coverage, you may be able to maximize the benefits available to you if you use providers who participate in your group plan **and** our plan. In other situations, such as for benefits that are not covered by our plan, you may get your care outside of our plan.

Employer and employee organization group health plans

Sometimes, a group health plan must provide health benefits to you before we will provide health benefits to you. This happens if:

- You have coverage under a group health plan (including both employer and employee organization plans), either directly or through your spouse, and
- The employer has twenty (20) or more employees (as determined by Medicare rules), and
- You are not covered by Medicare due to disability or End-Stage Renal Disease (ESRD).

Chapter 11. Legal notices

If the employer has fewer than twenty (20) employees, generally we will provide your primary health benefits. If you have retiree coverage under a group health plan, either directly or through your spouse, generally we will provide primary health benefits. Special rules apply if you have or develop ESRD.

Employer and employee organization group health plans for people who are disabled

If you have coverage under a group health plan, and you have Medicare because you are disabled, generally we will provide your primary health benefits. This happens if:

- You are under age 65, and
- You do not have ESRD, and
- You do not have coverage directly or through your spouse under a large group health plan.

A large group health plan is a health plan offered by an employer with 100 or more employees, or by an employer who is part of a multiple-employer plan where any employer participating in the plan has 100 or more employees. If you have coverage under a large group health plan, either directly or through your spouse, your large group health plan must provide health benefits to you before we will provide health benefits to you. This happens if:

- You do not have ESRD, and
- Are under age 65 and have Medicare based on a disability.

In such cases, we will provide only those benefits not covered by your large employer group plan. Special rules apply if you have or develop ESRD.

Employer and employee organization group health plans for people with End-Stage Renal Disease (ESRD)

If you are or become eligible for Medicare because of ESRD and have coverage under an employer or employee organization group health plan, either directly or through your spouse, your group health plan is responsible for providing primary health benefits to you for the first thirty (30) months after you become eligible for Medicare due to your ESRD. We will provide secondary coverage to you during this time, and we will provide primary coverage to you thereafter. If you are already on Medicare because of age or disability when you develop ESRD, we will provide primary coverage.

Workers' Compensation and similar programs

If you have suffered a job-related illness or injury and workers' compensation benefits are available to you, workers' compensation must provide its benefits first for any healthcare costs related to your job-related illness or injury before we will provide any benefits under this *Evidence of Coverage* for services rendered in connection with your job-related illness or injury.

Accidents and injuries

The Medicare Secondary Payer rules apply if you have been in an accident or suffered an injury. If benefits under "Med Pay," no-fault, automobile, accident, or liability coverage are available to you, the "Med Pay," no-fault, automobile, accident, or liability coverage carrier must provide its benefits first for any healthcare costs related to the accident or injury before we will provide any benefits for services related to your accident or injury.

Liability insurance claims are often not settled promptly. We may make conditional payments while the liability claim is pending. We may also receive a claim and not know that a liability or other claim is pending. In these

Chapter 11. Legal notices

situations, our payments are conditional. Conditional payments must be refunded to us upon receipt of the insurance or liability payment.

If you recover from a third party for medical expenses, we are entitled to recovery of payments we have made without regard to any settlement agreement stipulations. Stipulations that the settlement does not include damages for medical expenses will be disregarded. We will recognize allocations of liability payments to non-medical losses only when payment is based on a court order on the merits of the case. We will not seek recovery from any portion of an award that is appropriately designated by the court as payment for losses other than medical services (e.g., property losses).

Where we provide benefits in the form of services, we shall be entitled to reimbursement on the basis of the reasonable value of the benefits provided.

Non-duplication of benefits

We will not duplicate any benefits or payments you receive under any automobile, accident, liability, or other coverage. You agree to notify us when such coverage is available to you, and it is your responsibility to take any actions necessary to receive benefits or payments under such automobile, accident, liability, or other coverage. We may seek reimbursement of the reasonable value of any benefits we have provided in the event that we have duplicated benefits to which you are entitled under such coverage. You are obligated to cooperate with us in obtaining payment from any automobile, accident, or liability coverage or other carrier.

If we do provide benefits to you before any other type of health coverage you may have, we may seek recovery of those benefits in accordance with the Medicare Secondary Payer rules. Please also refer to the **Additional Notice about Subrogation (Recovery from a Third Party)** section for more information on our recovery rights.

More information

This is just a brief summary. Whether we pay first or second - or at all - depends on what types of additional insurance you have and the Medicare rules that apply to your situation. For more information, consult the brochure published by the government called "*Medicare & Other Health Benefits: Your Guide to Who Pays First.*" It is CMS Pub. No. 02179. Be sure to consult the most current version. Other details are explained in the Medicare Secondary Payer rules, such as the way the number of persons employed by an employer for purposes of the coordination of benefits rules is to be determined. The rules are published in the *Code of Federal Regulations*.

Appeal rights

If you disagree with any decision or action by our plan in connection with the coordination of benefits and payment rules outlined above, you must follow the procedures explained in Chapter 9 *What to do if you have a problem or complaint (coverage decisions, appeals, complaints)* in this *Evidence of Coverage*.

CHAPTER 12:

Definitions of important words

Chapter 12 Definitions of important words

Advanced Imaging Services - Specialized imaging method that takes more detailed images than standard x-rays. There are several kinds of imaging services, including Computed Tomography Imaging (CT/CAT) Scan, Magnetic Resonance Angiography (MRA), Magnetic Resonance Imaging (MRI), and Positron Emission Tomography (PET) Scan or other similar technology.

Allowed Amount - The maximum amount a plan will pay for a health care benefit.

Ambulatory Surgical Center - An Ambulatory Surgical Center is an entity that operates exclusively for the purpose of furnishing outpatient surgical services to patients not requiring hospitalization and whose expected stay in the center does not exceed 24 hours.

Annual Enrollment Period - The time period of October 15 until December 7 of each year when members can change their health or drug plans or switch to Original Medicare.

Appeal - An appeal is something you do if you disagree with our decision to deny a request for coverage of health care services or prescription drugs or payment for services or drugs you already received. You may also make an appeal if you disagree with our decision to stop services that you are receiving.

Balance Billing - When a provider (such as a doctor or hospital) bills a patient more than the plan's allowed cost-sharing amount. As a member of HumanaChoice H5216-063 (PPO), you only have to pay our plan's cost-sharing amounts when you get services covered by our plan. We do not allow providers to "balance bill" or otherwise charge you more than the amount of cost-sharing your plan says you must pay.

Benefit Period - The way that Original Medicare measures your use of skilled nursing facility (SNF) services. For our plan, you will have a benefit period for your skilled nursing facility benefits. A SNF benefit period begins the day you go into a skilled nursing facility. The benefit period will accumulate one day for each day you are at a SNF. The benefit period ends when you haven't received any skilled care in a SNF for 60 days in a row. If you go into a skilled nursing facility after one benefit period has ended, a new benefit period begins. There is no limit to the number of benefit periods.

Brand Name Drug - A prescription drug that is manufactured and sold by the pharmaceutical company that originally researched and developed the drug. Brand name drugs have the same active-ingredient formula as the generic version of the drug. However, generic drugs are manufactured and sold by other drug manufacturers and are generally not available until after the patent on the brand name drug has expired.

Catastrophic Coverage Stage - The stage in the Part D Drug Benefit where you pay a low copayment or coinsurance for your drugs after you or other qualified parties on your behalf have spent **\$7,400** in covered drugs during the covered year.

Centers for Medicare & Medicaid Services (CMS) - The Federal agency that administers Medicare. Chapter 2 explains how to contact CMS.

Coinsurance - An amount you may be required to pay, expressed as a percentage (for example 20%) as your share of the cost for services or prescription drugs.

Combined Maximum Out-of-Pocket Amount - This is the most you will pay in a year for all Part A and Part B services from both network (preferred) providers and out-of-network (non-preferred) providers. See Chapter 4, Section 1.2 for information about your combined maximum out-of-pocket amount.

Chapter 12. Definitions of important words

Complaint - The formal name for "making a complaint" is "filing a grievance." The complaint process is used *only* for certain types of problems. This includes problems related to quality of care, waiting times, and the customer service you receive. It also includes complaints if your plan does not follow the time periods in the appeal process.

Comprehensive Outpatient Rehabilitation Facility (CORF) - A facility that mainly provides rehabilitation services after an illness or injury, including physical therapy, social or psychological services, respiratory therapy, occupational therapy and speech-language pathology services, and home environment evaluation services.

Computed Tomography Imaging (CT/CAT) Scan - Combines the use of a digital computer together with a rotating X-ray device to create detailed cross-sectional images of different organs and body parts.

Contracted Rate - The rate the health plan pays to an in-network doctor, provider or pharmacy for covered services or prescription drugs.

Copayment (or "copay") - An amount you may be required to pay as your share of the cost for a medical service or supply, like a doctor's visit, hospital outpatient visit, or a prescription drug. A copayment is a set amount (for example \$10), rather than a percentage.

Cost-sharing - Cost-sharing refers to amounts that a member has to pay when services or drugs are received. (This is in addition to the plan's monthly premium.) Cost-sharing includes any combination of the following three types of payments: (1) any deductible amount a plan may impose before services or drugs are covered; (2) any fixed "copayment" amount that a plan requires when a specific service or drug is received; or (3) any "coinsurance" amount, a percentage of the total amount paid for a service or drug, that a plan requires when a specific service or drug is received.

Cost-Sharing Tier - Every drug on the list of covered drugs is in one of five cost-sharing tiers. In general, the higher the cost-sharing tier, the higher your cost for the drug.

Coverage Determination - A decision about whether a drug prescribed for you is covered by the plan and the amount, if any, you are required to pay for the prescription. In general, if you bring your prescription to a pharmacy and the pharmacy tells you the prescription isn't covered under your plan, that isn't a coverage determination. You need to call or write to your plan to ask for a formal decision about the coverage. Coverage determinations are called "coverage decisions" in this document.

Covered Drugs - The term we use to mean all of the prescription drugs covered by our plan.

Covered Services - The term we use to mean all of the health care services and supplies that are covered by our plan.

Creditable Prescription Drug Coverage - Prescription drug coverage (for example, from an employer or union) that is expected to pay, on average, at least as much as Medicare's standard prescription drug coverage. People who have this kind of coverage when they become eligible for Medicare can generally keep that coverage without paying a penalty, if they decide to enroll in Medicare prescription drug coverage later.

Custodial Care - Custodial care is personal care provided in a nursing home, hospice, or other facility setting when you do not need skilled medical care or skilled nursing care. Custodial care, provided by people who do not have professional skills or training, includes help with activities of daily living like bathing, dressing, eating, getting in or out of a bed or chair, moving around, and using the bathroom. It may also include the kind of health-related care that most people do themselves, like using eye drops. Medicare doesn't pay for custodial care.

Chapter 12. Definitions of important words

Customer Care - A department within our plan responsible for answering your questions about your membership, benefits, grievances, and appeals.

Daily cost-sharing rate - A "daily cost-sharing rate" may apply when your doctor prescribes less than a full month's supply of certain drugs for you and you are required to pay a copayment. A daily cost-sharing rate is the copayment divided by the number of days in a month's supply. Here is an example: If your copayment for a one-month supply of a drug is \$30, and a one-month's supply in your plan is 30 days, then your "daily cost-sharing rate" is \$1 per day.

Deductible - The amount you must pay for health care or prescriptions before our plan pays.

Diagnostic Mammogram - A specialized x-ray exam given to a patient who shows signs or symptoms of breast disease.

Diagnostic Procedure - An exam to identify a patient's strengths and weaknesses in a specific area, in order to find out more about their condition, disease, or illness.

Disenroll or Disenrollment - The process of ending your membership in our plan.

Dispensing Fee - A fee charged each time a covered drug is dispensed to pay for the cost of filling a prescription, such as the pharmacist's time to prepare and package the prescription.

Durable Medical Equipment (DME) - Certain medical equipment that is ordered by your doctor for medical reasons. Examples include: walkers, wheelchairs, crutches, powered mattress systems, diabetic supplies, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, or hospital beds ordered by a provider for use in the home.

Emergency - A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and, if you are a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

Emergency Care - Covered services that are: 1) provided by a provider qualified to furnish emergency services; and 2) needed to treat, evaluate, or stabilize an emergency medical condition.

Evidence of Coverage (EOC) and Disclosure Information - This document, along with your enrollment form and any other attachments, riders, or other optional coverage selected, which explains your coverage, what we must do, your rights, and what you have to do as a member of our plan.

Exception - A type of coverage decision that, if approved, allows you to get a drug that is not on our formulary (a formulary exception), or get a non-preferred drug at a lower cost-sharing level (a tiering exception). You may also request an exception if our plan requires you to try another drug before receiving the drug you are requesting, or if our plan limits the quantity or dosage of the drug you are requesting (a formulary exception).

Extra Help - A Medicare or a State program to help people with limited income and resources pay Medicare prescription drug program costs, such as premiums, deductibles, and coinsurance.

Formulary - A document that lists all prescription drugs covered by a plan.

Chapter 12. Definitions of important words

Freestanding Dialysis Center - A licensed health facility, other than a hospital, that provides dialysis treatment with no overnight stay.

Freestanding Lab - A licensed health facility, other than a hospital, that provides lab tests to prevent, identify, or treat an injury or illness, with no overnight stay.

Freestanding Radiology (Imaging) Center - A licensed health facility, other than a hospital, that provides one or more of the following services to prevent, identify, or treat an injury or illness, with no overnight stay: X-rays; nuclear medicine; radiation oncology (including MRIs, CT scans and PET scans).

Generic Drug - A prescription drug that is approved by the Food and Drug Administration (FDA) as having the same active ingredient(s) as the brand name drug. Generally, a "generic" drug works the same as a brand name drug and usually costs less.

Grievance - A type of complaint you make about our plan, providers, or pharmacies, including a complaint concerning the quality of your care. This does not involve coverage or payment disputes.

Health Maintenance Organization (HMO) - A type of health insurance plan where members must receive care from the plan's network of doctors, hospitals, and other health care providers.

Home Health Aide - A person who provides services that do not need the skills of a licensed nurse or therapist, such as help with personal care (e.g., bathing, using the toilet, dressing, or carrying out the prescribed exercises).

Home Health Care - Skilled nursing care and certain other health care services given to a patient in their own home for the treatment of an illness or injury. Covered services are listed in Chapter 4 under the heading, "Home health agency care." If you need home health care services, our plan will cover these services for you, provided the Medicare coverage requirements are met. Home health care can include services from a home health aide if the services are part of the home health plan of care for your illness or injury. They aren't covered unless you are also getting a covered skilled service. Home health services don't include the services of housekeepers, food service arrangements, or fulltime nursing care at home.

Hospice - A benefit that provides special treatment for a member who has been medically certified as terminally ill, meaning having a life expectancy of 6 months or less. We, your plan, must provide you with a list of hospices in your geographic area. If you elect hospice and continue to pay premiums you are still a member of our plan. You can still obtain all medically necessary services as well as the supplemental benefits we offer.

Hospice Care - Specialized care for people who are terminally ill, focused on comfort not cure. This also includes counseling for patients' families. Depending on the situation, this type of care may be in the home, a hospice facility, a hospital, or a nursing home, and is given by a team of licensed health professionals.

Hospital Inpatient Stay - A hospital stay when you have been formally admitted to the hospital for skilled medical services. Even if you stay in the hospital overnight, you might still be considered an "outpatient."

Humana's National Transplant Network (NTN) - A network of Humana-approved facilities all of which are also Medicare-approved facilities.

Income Related Monthly Adjustment Amount (IRMAA) - If your modified adjusted gross income as reported on your IRS tax return from 2 years ago is above a certain amount, you'll pay the standard premium amount and an Income Related Monthly Adjustment Amount, also known as IRMAA. IRMAA is an extra charge added to your premium. Less than 5% of people with Medicare are affected, so most people will not pay a higher premium.

Chapter 12. Definitions of important words

Initial Coverage Limit - The maximum limit of coverage under the Initial Coverage Stage.

Initial Coverage Stage - This is the stage before your out-of-pocket costs for the year have reached **\$4,660**.

Initial Enrollment Period - When you are first eligible for Medicare, the period of time when you can sign up for Medicare Part A and Part B. If you're eligible for Medicare when you turn 65, your Initial Enrollment Period is the 7-month period that begins 3 months before the month you turn 65, includes the month you turn 65, and ends 3 months after the month you turn 65.

In-Network Maximum Out-of-Pocket Amount - The most amount of money that a member will pay within a plan year for basic medical services covered by the Medicare plan, received from doctors in the plan's network.

Inpatient Care - Health care that someone gets when they are admitted to a hospital.

List of Covered Drugs (Formulary or "Drug Guide") - A list of prescription drugs covered by the plan.

Low Income Subsidy (LIS) - See "Extra Help."

Magnetic Resonance Angiography (MRA) - A noninvasive method and a form of magnetic resonance imaging (MRI) that can measure blood flow through blood vessels.

Magnetic Resonance Imaging (MRI) - A diagnostic imaging modality method that uses a magnetic field and computerized analysis of induced radio frequency signals to noninvasively image body tissue.

Mail Order Pharmacy - A pharmacy that fills and sends prescriptions through the mail to the member's home.

Medicaid (or Medical Assistance) - A joint Federal and State program that helps with medical costs for some people with low incomes and limited resources. State Medicaid programs vary, but most health care costs are covered if you qualify for both Medicare and Medicaid.

Medically Accepted Indication - A use of a drug that is either approved by the Food and Drug Administration or supported by certain reference books.

Medically Necessary - Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Medicare - The Federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with End-Stage Renal Disease (generally those with permanent kidney failure who need dialysis or a kidney transplant).

Medicare Advantage Open Enrollment Period - The time period from January 1 until March 31 when members in a Medicare Advantage plan can cancel their plan enrollment and switch to another Medicare Advantage plan, or obtain coverage through Original Medicare. If you choose to switch to Original Medicare during this period, you can also join a separate Medicare prescription drug plan at that time. The Medicare Advantage Open Enrollment Period is also available for a 3-month period after an individual is first eligible for Medicare.

Medicare Advantage Organization - A private company that runs Medicare Advantage Plans to offer members more options, and sometimes extra benefits. Medicare Advantage Plans are also called "Part C." They provide all your Part A (Hospital) and Part B (Medical) coverage, and some may also provide Part D (prescription drug) coverage.

Chapter 12. Definitions of important words

Medicare Advantage (MA) Plan - Sometimes called Medicare Part C. A plan offered by a private company that contracts with Medicare to provide you with all your Medicare Part A and Part B benefits. A Medicare Advantage Plan can be an i) HMO, ii) PPO, a iii) Private Fee-for-Service (PFFS) plan, or a iv) Medicare Medical Savings Account (MSA) plan. Besides choosing from these types of plans, a Medicare Advantage HMO or PPO plan can also be a Special Needs Plan (SNP). In most cases, Medicare Advantage Plans also offer Medicare Part D (prescription drug coverage). These plans are called **Medicare Advantage Plans with Prescription Drug Coverage**.

Medicare Allowable Charge - The most amount of money that can be charged for a particular medical service covered by Medicare; it is a set amount decided by Medicare.

Medicare Coverage Gap Discount Program - A program that provides discounts on most covered Part D brand name drugs to Part D members who have reached the Coverage Gap Stage and who are not already receiving "Extra Help." Discounts are based on agreements between the Federal government and certain drug manufacturers.

Medicare-Covered Services - Services covered by Medicare Part A and Part B. All Medicare health plans, including our plan, must cover all of the services that are covered by Medicare Part A and B. The term Medicare-Covered Services does not include the extra benefits, such as vision, dental or hearing, that a Medicare Advantage plan may offer.

Medicare Health Plan - A Medicare health plan is offered by a private company that contracts with Medicare to provide Part A and Part B benefits to people with Medicare who enroll in the plan. This term includes all Medicare Advantage Plans, Medicare Cost Plans, Special Needs Plans, Demonstration/Pilot Programs, and Programs of All-inclusive Care for the Elderly (PACE).

Medicare Limiting Charge - In the Original Medicare plan, the highest amount of money you can be charged for a covered service by doctors and other health care suppliers who do not accept assignment. The limiting charge is 15 percent over Medicare's approved amount. The limiting charge only applies to certain services and does not apply to supplies or equipment.

Medicare Prescription Drug Coverage (Medicare Part D) - Insurance to help pay for outpatient prescription drugs, vaccines, biologicals, and some supplies not covered by Medicare Part A or Part B.

"Medigap" (Medicare Supplement Insurance) Policy - Medicare supplement insurance sold by private insurance companies to fill "gaps" in Original Medicare. Medigap policies only work with Original Medicare. (A Medicare Advantage Plan is not a Medigap policy.)

Member (Member of our Plan, or "Plan Member") - A person with Medicare who is eligible to get covered services, who has enrolled in our plan, and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS).

Network - see "Network Pharmacy" or "Network Provider"

Network Pharmacy - A pharmacy that contracts with our plan where members of our plan can get their prescription drug benefits. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

Chapter 12. Definitions of important words

Network Provider - "Provider" is the general term for doctors, other health care professionals, hospitals, and other health care facilities that are licensed or certified by Medicare and by the State to provide health care services.

"**Network providers**" have an agreement with our plan to accept our payment as payment in full, and in some cases to coordinate as well as provide covered services to members of our plan. Network providers are also called "plan providers."

Nuclear Medicine - Radiology in which radioisotopes (compounds containing radioactive forms of atoms) are introduced into the body for the purpose of imaging, evaluating organ function, or localizing disease or tumors.

Observation services - Are hospital outpatient services given to help the doctor decide if a patient needs to be admitted as an inpatient or can be discharged. Observation services may be given in the emergency department or another area of the hospital. Even if you stay overnight in a regular hospital bed, you might be an outpatient.

Optional Supplemental Benefits - Non-Medicare-covered benefits that can be purchased for an additional premium and are not included in your package of benefits. You must voluntarily elect Optional Supplemental Benefits in order to get them.

Organization Determination - A decision our plan makes about whether items or services are covered or how much you have to pay for covered items or services. Organization determinations are called "coverage decisions" in this document.

Original Medicare ("Traditional Medicare" or "Fee-for-service" Medicare) - Original Medicare is offered by the government, and not a private health plan like Medicare Advantage Plans and prescription drug plans. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers payment amounts established by Congress. You can see any doctor, hospital, or other health care provider that accepts Medicare. You must pay the deductible. Medicare pays its share of the Medicare-approved amount, and you pay your share. Original Medicare has two parts: Part A (Hospital Insurance) and Part B (Medical Insurance) and is available everywhere in the United States.

Our plan - The plan you are enrolled in, HumanaChoice H5216-063 (PPO).

Out-of-Network Pharmacy - A pharmacy that does not have a contract with our plan to coordinate or provide covered drugs to members of our plan. Most drugs you get from out-of-network pharmacies are not covered by our plan unless certain conditions apply.

Out-of-Network Provider or Out-of-Network Facility - A provider or facility that does not have a contract with our plan to coordinate or provide covered services to members of our plan. Out-of-network providers are providers that are not employed, owned, or operated by our plan.

Out-of-Pocket Costs - See the definition for "cost-sharing" above. A member's cost-sharing requirement to pay for a portion of services or drugs received is also referred to as the member's "out-of-pocket" cost requirement.

PACE plan - A PACE (Program of All-Inclusive Care for the Elderly) plan combines medical, social, and long-term care services for frail people to help people stay independent and living in their community (instead of moving to a nursing home) as long as possible. People enrolled in PACE plans receive both their Medicare and Medicaid benefits through the plan.

Part C - see "Medicare Advantage (MA) Plan."

Part D - The voluntary Medicare Prescription Drug Benefit Program.

Chapter 12. Definitions of important words

Part D Drugs - Drugs that can be covered under Part D. We may or may not offer all Part D drugs. Certain categories of drugs have been excluded as covered Part D drugs by Congress. Certain categories of Part D drugs must be covered by every plan.

Part D Late Enrollment Penalty - An amount added to your monthly premium for Medicare drug coverage if you go without creditable coverage (coverage that is expected to pay, on average, at least as much as standard Medicare prescription drug coverage) for a continuous period of 63 days or more after you are first eligible to join a Part D plan.

Plan Provider – see "Network Provider".

Positron Emission Tomography (PET) Scan - A medical imaging technique that involves injecting the patient with an isotope and using a PET scanner to detect the radiation emitted.

Preferred Cost-sharing - Preferred cost-sharing means lower cost-sharing for certain covered Part D drugs at certain network pharmacies.

Preferred Provider Organization (PPO) Plan - A Preferred Provider Organization plan is a Medicare Advantage Plan that has a network of contracted providers that have agreed to treat plan members for a specified payment amount. A PPO plan must cover all plan benefits whether they are received from network or out-of-network providers. Member cost-sharing will generally be higher when plan benefits are received from out-of-network providers. PPO plans have an annual limit on your out-of-pocket costs for services received from network (preferred) providers and a higher limit on your total combined out-of-pocket costs for services from both network (preferred) and out-of-network (non-preferred) providers.

Premium - The periodic payment to Medicare, an insurance company, or a health care plan for health or prescription drug coverage.

Prescription Drug Guide (Formulary) - A list of covered drugs provided by the plan. The drugs on this list are selected by the plan with the help of doctors and pharmacists. The list includes both brand name and generic drugs.

Primary Care Provider (PCP) - The doctor or other provider you see first for most health problems. In many Medicare health plans, you must see your primary care provider before you see any other health care provider.

Prior Authorization - Approval in advance to get services or certain drugs. In the network portion of a PPO, some in-network medical services are covered only if your doctor or other network provider gets "prior authorization" from our plan. In a PPO, you do not need prior authorization to obtain out-of-network services. However, you may want to check with the plan before obtaining services from out-of-network providers to confirm that the service is covered by your plan and what your cost-sharing responsibility is. Covered services that need prior authorization are marked in the Benefits Chart in Chapter 4. Covered drugs that need prior authorization are marked in the formulary.

Prosthetics and Orthotics - Medical devices including, but are not limited to: arm, back and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

Quality Improvement Organization (QIO) - A group of practicing doctors and other health care experts paid by the Federal government to check and improve the care given to Medicare patients.

Chapter 12. Definitions of important words

Quantity Limits - A management tool that is designed to limit the use of selected drugs for quality, safety, or utilization reasons. Limits may be on the amount of the drug that we cover per prescription or for a defined period of time.

Radiology - X-rays and other specialized procedures that use high-energy radiation to identify and treat diseases.

Rehabilitation Services - These services include physical therapy, speech and language therapy, and occupational therapy.

Screening Mammogram - A specialized x-ray procedure to find out early if a patient has breast cancer.

Service Area - A geographic area where you must live to join a particular health plan. For plans that limit which doctors and hospitals you may use, it's also generally the area where you can get routine (non-emergency) services. The plan may disenroll you if you permanently move out of the plan's service area.

Skilled Nursing Facility (SNF) Care - Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of care include physical therapy or intravenous injections that can only be given by a registered nurse or doctor.

Special Enrollment Period - A set time when members can change their health or drug plans or return to Original Medicare. Situations in which you may be eligible for a Special Enrollment Period include: if you move outside the service area, if you are getting "Extra Help" with your prescription drug costs, if you move into a nursing home, or if we violate our contract with you.

Special Needs Plan - A special type of Medicare Advantage Plan that provides more focused health care for specific groups of people, such as those who have both Medicare and Medicaid, who reside in a nursing home, or who have certain chronic medical conditions.

Standard Cost-sharing - Standard cost-sharing is cost-sharing other than preferred cost-sharing offered at a network pharmacy.

Step Therapy - A utilization tool that requires you to first try another drug to treat your medical condition before we will cover the drug your physician may have initially prescribed.

Supplemental Security Income (SSI) - A monthly benefit paid by Social Security to people with limited income and resources who are disabled, blind, or age 65 and older. SSI benefits are not the same as Social Security benefits.

Urgent Care Center - A licensed health facility where doctors and nurses provide services to identify and treat a sudden injury or illness, with no overnight stay.

Urgently Needed Services - Covered services that are not emergency services, provided when the network providers are temporarily unavailable or inaccessible or when the enrollee is out of the service area. For example, you need immediate care during the weekend. Services must be immediately needed and medically necessary.
