Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-800-833-2364 (TTY: 711)**.

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit **Humana.com/medicare** or call **1-800-833-2364 (TTY: 711)** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2024.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you may pay a higher co-pay for services received by non-contracted providers.

More about HumanaChoice H5216-306 (PPO)

Do you have Medicare and Medicaid? If you are a dual-eligible beneficiary enrolled in both Medicare and the state's program, you may not have to pay the medical costs displayed in this booklet and your prescription drug costs will be lower, too.

If you have Medicaid, be sure to show your Medicaid ID card in addition to your Humana membership card to make your provider aware that you may have additional coverage. Your services are paid first by Humana and then by Medicaid.

As a member it's a good idea to select a doctor as your Primary Care Provider (PCP).

HumanaChoice H5216-306 (PPO) has a network of doctors, hospitals, pharmacies and other providers. If you use providers who aren't in our network, you may be subject to higher copayments/coinsurance.

Limitations on telehealth services, also referred to as virtual visits or telemedicine, vary by state. These services are not a substitute for emergency care and are not intended to replace your primary care provider or other providers in your network. Any descriptions of when to use telehealth services are for informational purposes only and should not be construed as medical advice. Please refer to your evidence of coverage for additional details on what your plan may cover or other rules that may apply.

Plans may offer supplemental benefits in addition to Part C benefits and Part D benefits.

Out-of-network/non-contracted providers are under no obligation to treat Humana members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Adding Benefits to Your Plan

You’re unique and have unique needs. That's why Humana offers optional supplemental benefits (OSB). For an extra monthly premium you can customize your Humana Medicare Advantage plan.

The information in this booklet will tell you about the benefits you can add to your plan. You can add these extra benefits when you sign up for your Medicare Advantage plan. You can also add these benefits after Medicare open enrollment ends on December 7 by contacting your agent or calling OSB sales at 1-888-413-7026. OSB sales is available from 8 a.m. – 8 p.m. local time, seven days a week October 1 – March 31, and Monday through Friday April 1 – September 30.

MyOption (DEN478)

This dental plan covers certain preventive, basic and major dental services. It is an extra benefit you may choose to add to your Medicare Advantage plan. However, you will have to pay an extra monthly premium for it.

In this plan, you may receive your care from either an in-network or out-of-network dentist. If you use an out-of-network dentist, your share of the cost may be higher.

Monthly Cost	
Monthly Premium	\$34.80
Coverage Information	
Maximum plan benefit (combined in and out-of-network)	\$2,000 per calendar year
Deductible	\$0 per calendar year

You may receive the following dental services:

Plan covers up to **\$2,000** allowance every year for non-Medicare covered preventive and comprehensive dental services. You are responsible for any amount above the dental coverage limit. Any amount unused at the end of the year will expire.

Your benefit can be used for most dental treatments such as:

- Preventive dental services, such as exams, routine cleanings, etc.
- Basic dental services, such as fillings, extractions, etc.
- Major dental services, such as periodontal scaling, crowns, dentures, root canals, bridges, etc.

Note: The allowance cannot be used on cosmetic services and implants.

*Network dentists have agreed to provide services at a negotiated rate. If you see a network dentist, you cannot be billed more than that rate.

Out-of-network dentists have not agreed to provide services at contracted fees. Benefits received out-of-network are subject to any in-network benefit maximums, limitations, and/or exclusions. You may be billed by the out-of-network provider for any amount greater than the payment made by Humana to the provider. Please see below for provider locator instructions.

OPTIONAL SUPPLEMENTAL BENEFITS (continued)

Dental services are subject to our standard claims review procedures which could include dental history to approve coverage. Dental benefits may not cover all American Dental Association procedure codes. Information regarding each plan is available at **Humana.com/sb**.

The Humana Optional Supplemental Dental benefits are provided through the Humana Dental Medicare Network. The provider locator can be found at **Humana.com > Find a Doctor > Select the Dentist icon from the menu > From the Distance drop down select preferred distance > Enter zip code > From the look up method select All Dental Networks > Then select HumanaDental Medicare**.

Humana is a Medicare Advantage PPO plan with a Medicare contract. Enrollment in this Humana plan depends on contract renewal. Humana MyOption Optional Supplemental Benefits (OSB) are only available to members of certain Humana Medicare Advantage (MA) plans. Members of Humana plans that offer OSBs may enroll in OSBs throughout the year. Benefits may change on January 1st each year. Enrollees must use network providers for specific OSBs when stated in the Evidence of Coverage (EOC); otherwise, covered services may be received from non-network providers at a higher cost. Enrollees must continue to pay the Medicare Part B premium, their Humana premium, and the OSB premium.
